Napoleon Hill's timeless classic, *Think and Grow Rich*, has the distinction of being the best read self-help book of the twentieth century. Not so well known is how Hill earned his livelihood before he wrote 'Think and Grow Rich'. Another classic work of Dr. Hill is 'How to Own Your Own Mind' which shows the way to stabilise your mind and achieve success in life. As Dr. Hill repeatedly emphasised, action is critical to success. But you must think before you act or your actions will be wasted. These timeless chapters about the importance of thought before action will prove to be very instructive in helping you attain your own Definite Major Purpose. To do so, you must learn how to own your own mind, and this book will tell you how to do it.

This book invokes the very spirit of resiliency and triumph from the lowest points of despair and sorrow. This book of obstacles and the hurdles of life challenges you to find your voice and create a purposeful life. Owning your failures and triumphs is about being completely honest about your life story. The prosperity that comes to you once you allow God's favor to develop you and speak life over what appears to be ruin is unimaginable. This is truly a story of finding your voice and winning at the game of life without shame or regrets from the past.

Discover Keith Rosen's powerful roadmap to doubling your productivity, developing your team, achieving your business objectives, and creating more harmony and significance in your life. Sales managers and executives work under intense conditions unique to their roles that traditional time management strategies fail to address. Consequently, many leaders believe it's impossible to develop an effective routine when their time is consumed with phone calls, emails, meetings, texts, internal company challenges, competing priorities, and customer needs constantly demanding their attention. But *Own Your Day* changes all that. In addition to learning time management strategies that will yield immediate results in your life, you will learn how to master the inner game of time management which will enable you to coach your team to thrive and help them improve their personal productivity. Discover how to: Reduce your daily workload and protect your time. Obliterate your never-ending to-do list. Make time your ally rather than your adversary. Develop a Personal Navigation System that aligns your routine with your goals, values, and priorities. Stop reacting to problems and become hyper-responsive so that you can take charge of your day. Identify and eliminate your time killers that distract you from your priorities, cause stress, and waste time.

Learn the techniques and tools of Mindfulness taught by two former Wall Streeters who transformed their own lives with these practices.

Tired of all the "shoulds" that guide your life? Want to create a life full of meaning? Work on your own terms? See the world a little differently? Then it's time to *Own Your Weird*. Creative entrepreneur Jason Zook certainly walks the walk of "owning his weird." He's had some crazy yet successful schemes -- he's made over a million dollars by having more than 1,600 companies pay him to wear their t-shirt (a project called *I Wear Your Shirt*). Later he auctioned off his last name twice, for \$50K each time. He then self-published his first book *Creativity for Sale* by nabbing sponsors and generating \$75K in revenue. Now *Own Your Weird* is targeted to other potential "out of the box" thinkers who dream not only of doing work on their own terms, but also creating a meaningful life. Consider Jason your spirit guide, offering strategies for honing in on what makes you weird, recognizing when feedback is just another form of procrastination, and how to stop with social media already. There's a specific set of strategies and exercises that can help you prioritize your life over your business, by identifying your MMM (Minimum Monthly Magic) number. He also offers examples from his own life (how he got out of \$124K worth of debt, escaped the pressure to have a big wedding, and has thrived on social media by primarily ignoring it). *Own Your Weird* is the permission slip you need to take that big risk. To finally chase down that big idea. And to let go of "supposed to" thoughts. See how life opens up when you break out of the blueprint.

The instant *Wall Street Journal*, *USA Today*, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. *Ego Is the Enemy* draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, "you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you've set out to achieve."

By changing our thoughts, we can change our lives. By changing our lives, we can change the world. The power to accomplish these things is within us; it is love. Love is what created us and what we return

to. Love is the real power of the universe. *Own Your Power: Day by Day* is a guidebook to spiritual transformation. It teaches valuable spiritual truths and skills: learning to listen to our higher selves rather than our ego selves, accessing the part of us that is connected to unconditional love rather than fear, accepting the importance of forgiveness, and understanding the importance of the invisible energy field that surrounds us. There is an energy in words that can either crush us or heal and elevate us—particularly those words that appear in our own thoughts. Everything we need to succeed and become what we yearn to be is inside of us. Discover a way to access the part of yourself that never left God and that is larger than all the restrictions, limitations, fears, and doubts that society heaps on you. This guide seeks to help you remove spiritual, mental, and emotional blockages; heal your body, mind, and spirit; and move into peace, harmony, and joy.

*Find your signature voice* People are drawn to and influenced by leaders who communicate authentically, connect easily with people, and have immediate impact. So how do you become one of them? How can you learn to “own the room”? This book will help you develop your leadership presence. According to Amy Jen Su and Muriel Maignan Wilkins, leadership presence is the ability to consistently and clearly articulate your value proposition while influencing and connecting with others. They offer a simple and compelling framework, as well as practical advice about how you can develop your own personal presence. No matter where you sit in an organization, you can “own the room” if you are able to do two things well: first, demonstrate your authentic value and distinction, and second, connect to others in a positive way. Leaders who are able to be authentic while connecting with and impacting others have what the authors call a “signature voice”—a means of self-expression that is uniquely and distinctly their own. Once you discover and express your own signature voice, you’ll be ready to take your leadership presence to the next level. Filled with real-life stories and examples, *Own the Room* demystifies the concept of presence and gives you the tools you need to identify and embrace your unique leadership voice—and have a greater impact on the world around you.

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny’s struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father.

From Grammy-Award winning music superstar and actor Tim McGraw comes a one-of-a kind lifestyle book that melds his personal fitness transformation story with practical advice to inspire healthy changes in readers’ lives. Tim McGraw is as well-known for his unparalleled accomplishments in the entertainment industry as he is for his boundless energy—he is the embodiment of vitality and success. But only a decade ago, he found himself struggling with his health. The demands of his meteoric career and life on the road had taken a toll. McGraw came to a crossroads where he knew that unless he made his physical health a priority, he would put his personal happiness and professional success at risk. In *Grit & Grace*, McGraw shares his transformation story along with encouragement, inspiration, and real-life, practical advice to help readers become healthy, strong and fit in mind and body. For the first time, McGraw will share the details of the mental and physical routine that got him in the best shape of his life. He suggests that there is no magic formula to getting stronger and healthier: it is about making a commitment to do and be better, and holding yourself accountable each day. McGraw didn’t follow a playbook or have a squad of trainers overseeing his every step. He describes his way of getting into shape as more "maverick"--tuning into a vision of what you personally want to achieve, staying focused, and putting in the work. McGraw says his physical transformation has ignited a whole-life transformation. "My mind is clearer, my sense of purpose is sharper, and my relationships are deeper. Consistent physical exercise helps me bring focus to my life and to the people who mean the most to me." In *Grit & Grace*, McGraw makes this transformation accessible to anyone, sharing with readers the physical and mental tools they can use to create the life they deserve.

Think back to when you were a kid and try to recall your most favorite food to eat - we all have one. Something that you loved so dearly that the mere thought of it had you frothing at the mouth and crippled with hunger pangs until that craving was satisfied. Mine was the cheesiest, gooiest, most mouthwatering bowl of macaroni and cheese. In fact, it's still my favorite food to this day. But, I'm not just talking about any old melty pasta dish - I'm talking about the one and only Kraft Mac & Cheese. Just one whiff of that cheesy goodness or a glimpse of that blue ninety-nine cent box and I'm immediately transported back to my childhood when my mom would whip me up the biggest bowl with extra love and care. I'm sure your favorite food brings you that wave of nostalgia too. Sadly, though, there was a brief time in my life where enjoying some Mac & Cheese no longer brought back fond memories. It became synonymous with a "cheat day." Instead of bringing me warm & fuzzy feelings of comfort and joy, my beloved meal would leave me feeling immensely guilty and ashamed. I know I don't speak alone here when I tell you that deprivation IS awful, both mentally and physically. Suppressing your desire to have your favorite treat because it is somehow "bad" is no way to live your life. I'm overjoyed to tell you it DOESN'T have to be this way ever again. You can eat the foods you love while fueling your body properly and keeping your nutrition on point. Your taste buds and mind will thank you endlessly for this. That is what makes the Flexible Eating lifestyle so unique - by design it will nourish the body and make you feel HAPPY about what you are eating and help you create the balance your body craves. This book will teach you how to live a lifestyle that is realistic and sustainable in our modern world. You're going to learn how to be happy about the things you eat, to go to bed eager to wake up the next morning and achieve your goals one meal at a time, and most importantly you're going to... OWN YOUR EATING!!

In *The Way of the SEAL*, ex-Navy Commander Mark Divine reveals exercises, meditations and focusing techniques to train your mind for mental toughness, emotional resilience and uncanny intuition. Along the way you’ll reaffirm your ultimate purpose, define your most important goals, and take concrete steps to make them happen. A practical guide for businesspeople or anyone who wants to be an elite operator in life, this book will teach you how to:

- Lead from the front, so that others will want to work for you
- Practice front-sight focus, the radical ability to focus on one thing until victory is achieved
- Think offense, all the time, to eradicate fear and indecisiveness
- Smash the box and be an unconventional thinker so you’re never thrown off-guard by chaotic conditions
- Access your intuition so you can make “hard right” decisions
- Achieve twenty times more than you think you can
- and much more

Blending the tactics he learned from America’s elite forces with lessons from the Spartans, samurai, Apache scouts, and other great warrior traditions, Divine has distilled the fundamentals of success into eight powerful principles that will transform you into the leader you always knew you could be. Learn to think like a SEAL, and take charge of your destiny at work, home and in life.

*GOLIATH'S HEAD* tells of a search for courage and hope amidst crushing oppression. Avi Schneider is a Jewish boy growing up in Russia on the eve of early-twentieth-century revolution. He is nine years old when he meets his own personal devil, Viktor Askinov, a brutal youngster who relishes tormenting Jews. In the following years, Avi is the object of his tormentor's obsession. Fourteen years later in 1905 the Tsar instigates riots - pogroms - against the poor, teeming Jewish villages. Now a husband and father, Avi takes to the barricades to defend his village from the mob coming to kill the men, rape the women, and burn down his village. Armed, he again faces Viktor Askinov, who is leading the mob. But he has been warned that if he kills Viktor Askinov, he puts his beautiful young wife Sara and newborn son Itzhak in deadly peril. Avi must decide this night what he stands for. Is it survival at any cost, for himself and those he loves? Or is it righteous vengeance for his people?

Mindfulness for Busy People Everyday demands pull us in all different directions. Our lives can feel scattered, and we often find ourselves reacting to stress rather than pausing to appreciate the moment. We rush around to keep up with our personal and professional to-do lists, yet we still feel defeated, like we’re missing out on something. There’s a lot working against us in this scattered world, but a mindfulness practice helps us reset, protect our energy, and move forward with a more peaceful heart. In *Own Your Present*, Dr. Candace Good provides you with a path to a more mindful life, helping you reconnect your body and mind with your surroundings. She shares engaging and deeply personal stories of her own struggles with anxiety to show you what it looks like to move beyond your past and inner critic to accept what is, imperfections and all. Dr. Good offers practical advice, therapy techniques, and activities as a map to help you begin or deepen your mindfulness practice. Owning your present, you’ll come to learn, is not only noticing a moment or a gift before you but also committing to a journey to rediscover your authentic self, so you can show up when it counts. Regardless of what is happening in the world, you have what it takes to live in the moment!

New York Times best-selling author presents a radical alternative to psychotropic meds: discerning the meaning in your symptoms and your struggle as a way to reclaim your health and your self. For years, we've been telling ourselves that our difficult feelings-sadness, rage, shame, intensity, worry-are somehow "not okay." And, all too often, we've relied on the promise of pharmaceuticals to tamp them down. The fact is, though, that these feelings are a vital part of our experience. They are real. And those of us who feel them most strongly are the canaries in the coalmine-sensitive to things that are seriously wrong in the world today. In a book that's both provocative and promising, holistic psychiatrist Kelly Brogan, M.D., author of A Mind of Your Own, shows us that we don't have to medicate our mental, emotional, and physical pain away-that the best way out is through. She explodes the mistaken belief that our symptoms-from mood changes to irritability to foggy and fatigue-are evidence that we are sick or broken. Then she charts a new path to get real, get well, and get free. The journey includes: • Coming to a new appreciation of the meaning behind symptoms, and whether you are a canary in the coal mine • Learning the 2 major risks of medication that most doctors are not trained to disclose • Exploring the 5 reversible physical drivers of so-called mental illness • Starting the process of radical physical healing with inclusive details of Dr. Brogan's history-making 30-day protocol • Taking an emotional inventory of energy drains and toxic relationships • Taking a deeper dive into the spiritual awakening and expansion that comes when you reclaim your real self from conventional medicine • Identifying the most likely places you have given your power away • Understanding what the science has to say about psychedelics as a tool for awakening • Navigating health challenges with curiosity and the proper tools • Guidance, support, and many Travel Tips shared from the trenches! Our experiences, Dr. Brogan argues, aren't problems or pathologies; they reflect what we need to accept, acknowledge, and transform in order to truly become who we are. Own Your Self is a journey of healing, and also something more: a journey of coming home to ourselves.

We have a strong instinct to belong to small groups defined by clear purpose and understanding--"tribes." This tribal connection has been largely lost in modern society, but regaining it may be the key to our psychological survival. Decades before the American Revolution, Benjamin Franklin lamented that English settlers were constantly fleeing over to the Indians-but Indians almost never did the same. Tribal society has been exerting an almost gravitational pull on Westerners for hundreds of years, and the reason lies deep in our evolutionary past as a communal species. The most recent example of that attraction is combat veterans who come home to find themselves missing the incredibly intimate bonds of platoon life. The loss of closeness that comes at the end of deployment may explain the high rates of post-traumatic stress disorder suffered by military veterans today. Combining history, psychology, and anthropology, Tribe explores what we can learn from tribal societies about loyalty, belonging, and the eternal human quest for meaning. It explains the irony that-for many veterans as well as civilians-war feels better than peace, adversity can turn out to be a blessing, and disasters are sometimes remembered more fondly than weddings or tropical vacations. Tribe explains why we are stronger when we come together, and how that can be achieved even in today's divided world.

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

Envious of her best friends lavish lifestyle, a young woman wonders how different her life would be if she had an opportunity to change her past.

In this follow-up to his bestseller *Own the Day, Own Your Life*, Aubrey Marcus turns his attention from optimizing our physiology, to optimizing our mindset, taking you on a journey of 12 universal steps to overcome pathology and create a life of meaning, balance, and high performance. Aubrey Marcus is a successful entrepreneur, sought-after speaker, creator of a hugely popular podcast, and one of the most respected voices in the field of psychedelic medicine. But he is first and foremost a seeker. In his work he shares his experiences openly and invites the world into his deepest and darkest moments, talking openly about his struggles with depression, anxiety, and the painful lessons learned from polyamory. *Master Your Mind, Master Your Life* contains hundreds of clinical citations along with an accumulation of everything Aubrey has discovered from pushing the limits of his physical, emotional, and spiritual self. How do we transition from an action oriented, practical mindset, into the heart-centered presence of spirit? How do we synthesize and bring harmony between the thinking mind and the knowing mind? *Master Your Mind, Master Your Life* provides both practical and philosophical answers to help you overcome your mental resistance. To achieve your goals and create more unity with yourself, you must learn to recognize and accept how the story you tell yourself holds you back. *Master Your Mind, Master Your Life* is a spiritual guide, a collection of stories, and a trusted step-by-step program to help us master our thoughts and navigate any situation. Marcus take us through a hero's journey of emotional and spiritual awakening, backed by the latest science. Each chapter ends with a section called "Into the Dojo," in which he offers two different prescriptive treatments. The first option is universally accessible. The second option is a more advanced method, which includes an exploration of the great transformative practices and medicines of the world. Wise, profound, and brutally honest, Marcus shows you how to fight the programming that keeps you trapped from optimizing your life, teaches you to train your ego, recognize resistance, form a community of allies, face your inner critic, and confront your traumas all to unite your mind, body, and spirit.

"Own Your Morning will guide you to create personalized daily rituals that center you, energize you, and give you the power to fully show up for your day." —Jay Shetty, #1 New York Times best-selling author of *Think Like a Monk* and host of the *On Purpose* podcast Rise and truly shine with a life-changing new morning routine. Find clarity and happiness with this start-your-day plan that prioritizes your wellness and life goals. Good days start with good mornings and Editor-in-Chief of Women's Health Liz Baker Plosser believes there's no cookie cutter morning ritual that will lead you to success. Instead she advocates that your a.m. routine should reflect what matters most to you. *Own Your Morning* starts with easy prompts to help you identify your core values—the way you want to spend your energy, time, and resources. Once you've figured out the elements of your personal perfect morning, you'll find proven insights from wellness experts and personal anecdotes from Liz to help you reimagine your a.m. habits to benefit your physical and mental health, focus your energy, enhance your productivity, and make the most of your day from the moment you wake up. Whether you want to amp up a killer workout (sweat changes everything!), tap into the power of meditation (Jay Shetty shares his go-to meditation practice), create mini-moments of connectivity with loved ones (such as creating emoji shorthand in your group chat), or fuel your a.m. awesomeness with a healthy breakfast (including a few recipes!), these easy-to-implement strategies will help you set a morning routine unique to you.

ONE OF AMAZON'S BEST BUSINESS BOOKS OF 2018 ONE OF THE FINANCIAL TIMES BUSINESS BOOKS OF THE MONTH ON RELEASE ONE OF BUSINESS INSIDER'S BEST BUSINESS BOOKS TO READ THIS SUMMER A guide to the early morning habits that boost your productivity and relax you—featuring interviews with leaders like Arianna Huffington, General Stanley McChrystal, Marie Kondo, and more. Marie Kondo performs a quick tidying ritual to quiet her mind before leaving the house. The president of Pixar and Walt Disney Animation Studios, Ed Catmull, mixes three shots of espresso with three scoops of cocoa powder and two sweeteners. Fitness expert Jillian Michaels doesn't set an alarm, because her five-year-old jolts her from sleep by jumping into bed for a cuddle every morning. Part instruction manual, part someone else's diary, the authors of *My Morning Routine* interviewed sixty-four of today's most successful people, including three-time Olympic gold medalist Rebecca Soni, Twitter cofounder Biz Stone, and General Stanley McChrystal—and offer timeless advice on creating a routine of your own. Some routines are all about early morning exercise and spartan living; others are more leisurely and self-indulgent. What they have in common is they don't feel like a chore. Once you land on the right routine, you'll look forward to waking up. This comprehensive guide will show you how to get into a routine that works for you so that you can develop the habits that move you forward. Just as a Jenga stack is only as sturdy as its foundational blocks, the choices we make throughout our day depend on the intentions we set in the morning. Like it or not, our morning habits form the stack that our whole day is built on. Whether you want to boost your productivity, implement a workout or meditation routine, or just learn to roll with the punches in the morning,

this book has you covered.

STOP FOR A MOMENT. Are you here right now? Is your focus on this page? Or is it roaming elsewhere, to the past or future, to a worry, to your to-do list, or to your phone? Whether you're simply browsing, talking to friends, or trying to stay focused in an important meeting, you can't seem to manage to hang on to your attention. No matter how hard you try, you're somewhere else. The consequence is that you miss out on 50 percent of your life—including the most important moments. The good news: There's nothing wrong with you—your brain isn't broken. The human brain was built to be distractible. The even better news: You can train your brain to pay attention more effectively. Stay with me a little longer and soon you will be able to: Focus without all the struggle. Take back your attention from the pull of distraction. And function at your peak, for all that truly matters in your life.

Do you long to make a big difference with your life? Do you desire to please God with something notable but feel inadequate to the task or restricted by your responsibilities? Afraid of wasting our lives, we often turn our attention to an image of something sensational we should do for God. Own Your Everyday Influence is for the dreamer with big goals and lofty plans feeling trapped by the demands of life. It is for the woman searching for purpose in the middle of her ordinary circumstances. This book is for the mother with toddlers or teenagers, the nurse with patients, the teacher with students. It is for the woman with people in her life and the untapped capacity to make a difference. Own Your Everyday Influence is an interactive guide to embracing a lifestyle of leadership that turns your mundane into meaningful, and the small into significant.

Named one of the top health and wellness books for 2016 by MindBodyGreen Depression is not a disease. It is a symptom. Recent years have seen a shocking increase in antidepressant use the world over, with 1 in 4 women starting their day with medication. These drugs have steadily become the panacea for everything from grief, irritability, panic attacks, to insomnia, PMS, and stress. But the truth is, what women really need can't be found at a pharmacy. According to Dr. Kelly Brogan, antidepressants not only overpromise and underdeliver, but their use may permanently disable the body's self-healing potential. We need a new paradigm: The best way to heal the mind is to heal the whole body. In this groundbreaking, science-based and holistic approach, Dr. Brogan shatters the mythology conventional medicine has built around the causes and treatment of depression. Based on her expert interpretation of published medical findings, combined with years of experience from her clinical practice, Dr. Brogan illuminates the true cause of depression: it is not simply a chemical imbalance, but a lifestyle crisis that demands a reset. It is a signal that the interconnected systems in the body are out of balance – from blood sugar, to gut health, to thyroid function– and inflammation is at the root. A Mind of Your Own offers an achievable, step-by-step 30-day action plan—including powerful dietary interventions, targeted nutrient support, detoxification, sleep, and stress reframing techniques—women can use to heal their bodies, alleviate inflammation, and feel like themselves again without a single prescription. Bold, brave, and revolutionary, A Mind of Your Own takes readers on a journey of self-empowerment for radical transformation that goes far beyond symptom relief.

This book provides proven time-management strategies for business professionals to become more productive, reduce stress, increase profits and have a more balanced life. In succinct chapters, the author provides solutions for the most common productivity problems and ideas to improve life balance between work, rest and relationships.

A bestselling author shows how we can reclaim and make peace with the "shadow" side of our personality.
