its use, allowing your students to use it with confidence.

This course translates the theory of task-based learning into a practical and user-friendly coursebook, recognizing that the performance of regular spoken and written tasks is crucial to successful language acquisition. It combines elements of the task-based approach with a strong emphasis on vocabulary, alongside a comprehensive grammar and skills syllabus.

The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. Headway's trusted methodology combines solid grammar and practice, vocabulary development, and integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of comprehension tasks, language and vocabulary exercises, and extension activities practise the four skills. "Everyday English" and "Spoken grammar" sections practise real-world speaking skills, and a writing section for each unit at the back of the book provides models for students to analyse and imitate. Workbook audio available at a href = "<https://elt.oup.com/student/headway/?cc=gbandselLanguage=en>" www.oup.com/elt/headway/a.

A new course with a strong focus on student motivation and communicative outcomes. The package includes DVDs and interactive whiteboard resources.

A new, refreshed edition of the five-level English course for teenagers, with a clear

over 100 photocopiables to save preparation time, plus extra tips and ideas. Classroom Presentation Tool brings your classroom to life with the Student's Book and Workbook, on-screen and interactive.

A split edition of Oxford's best-selling secondary course developed for language schools teaching teen learners in the UK and Ireland. Solutions offers a tried and trusted methodology alongside fresh and diverse material that will spark your students' interest and drive them to succeed.

The Workbook offers plenty of extra practice, revision, and reviews. Mirroring the Student's Book content, with the same clear structure, it provides extra reading and writing practice opportunities for both weaker and stronger students. The Writing Bank at the back of the book gives a quick guide to text types, with model structures and key language as well as exam strategies, plus a Functions Bank for functional phrases for speaking and writing. There is plenty of exam practice in the Get Ready for your Exam sections and these, along with the Self-Check pages after each unit and the review sections at the back of the books, allow students and their teachers to keep track of their progress as they work towards their exams. The accompanying Audio CD offers students a huge amount of listening practice. There are audio recordings for tasks in every lesson (not only for the Vocabulary & Listening lessons).

The Solutions 2nd Edition Teacher's Book provides a comprehensive package to support Solutions teachers, and is perfect for mixed-ability classrooms.

A new general English course which focuses very strongly on student motivation and communicative speaking outcomes. Package includes DVDs and interactive whiteboard resources.

A searing indictment of global finance, exploring how the banking sector grew from a supporter of business to the biggest business in the world, and showing how societies might fight against financial hegemony Financial journalist Nicholas Shaxson first made his reputation studying the “resource curse,” seeing first-hand the disastrous economic and societal effects of the discovery of oil in Angola. He then gained prominence as an expert on tax havens, revealing the dark corners of that world long before the scandals of the Panama and Paradise Papers. Now, in *The Finance Curse*, revised with chapters exclusive to this American edition, he takes us on a terrifying journey through the world economy, exposing tax havens, monopolists, megabanks, private equity firms, Eurobond traders, lobbyists, and a menagerie of scoundrels quietly financializing our entire society, hurting both business and individuals. Shaxson shows we got here,

Where To Download Oxford Solutions Upper Intermediate 2nd Edition

telling the story of how finance re-engineered the global economic order in the last half-century, with the aim not of creating wealth but extracting it from the underlying economy. Under the twin gospels of “national competitiveness” and “shareholder value,” megabanks and financialized corporations have provoked a race to the bottom between states to provide the most subsidized environment for big business, have encouraged a brain drain into finance, and have fostered instability, inequality, and turned a blind eye to the spoils of organized crime. From Ireland to Iowa, Shaxson shows the insidious effects of financialization on our politics and on communities who were promised paradise but got poverty wages instead. We need a strong financial system—but when it grows too big it becomes a monster. The Finance Curse is the explosive story of how finance got a stranglehold on society, and reveals how we might release ourselves from its grasp.
