Yadira Calvo presenta un bien razonado argumento sobre el surgimiento del patriarcado, mostrando como este permeó las instituciones sociales para formar una cultura de omnipotencia masculina y subyugación femenina. Ella ilustra como el patriarcado perpetuó este injusto sistema con la ayuda de mitologías, religiones y conceptos "científicos" basados en el engaño. Sonia de la Cruz Malavassi.

En conmemoración del sesenta aniversario de la Editorial Costa Rica (ECR), se ha proyectado publicar, por vez primera, un catálogo general de su fondo editorial desde la fundación (1959) y primeras publicaciones (1961) hasta la actualidad. El fondo de publicaciones de la ECR –hasta diciembre de 2019– está conformado por cerca de 1900 títulos de primera y nueva edición (que en la jerga de la industria editorial, en conjunto, se denominan 'novedades') y 24 colecciones, constituidas estas últimas por más de 300 tomos. Bajo este sello editorial 800 autores y autoras han dado a conocer su obra a los lectores.

A Hula-Hooping moose, a badger with a bumblebee umbrella, a rabbit in a cashmere sweater, and a very wet bear star in this unpredictable and laugh-out-loud picture book in which having fun gets the best of a grumpy bear. It looks like a wet and dreary day for Bear and his trio of friends. How could he possibly have fun when he is soaked? But Badger, Rabbit, and Moose don't seem to mind. In fact, Moose can still hula hoop! And it looks like so much fun. Might Bear like to try? Here is a story that shows that fun is not dependent on sunshine and blue skies. In fact, it might be more fun to be soaked!

From the World's No. 1 Storyteller, James and the Giant Peach is a children's classic that has captured young reader's imaginations for generations. One of TIME MAGAZINE's 100 Best Fantasy Books of All Time After James Henry Trotter's parents are tragically eaten by a rhinoceros, he goes to live with his two horrible aunts, Spiker and Sponge. Life there is no fun, until James accidentally drops some magic crystals by the old peach tree and strange things start to happen. The peach at the top of the tree begins to grow, and before long it's as big as a house. Inside, James meets a bunch of oversized friends—Grasshopper, Centipede, Ladybug, and more. With a snip of the stem, the peach starts rolling away, and the great adventure begins! Roald Dahl is the author of numerous classic children's stories including Charlie and the Chocolate Factory, Matilda, The BFG, and many more! "James and the Giant Peach remains a favorite among kids and parents alike nearly 60 years after it was first published, thanks to its vivid imagery, vibrant characters and forthright exploration of mature themes like death and hope." —TIME Magazine In this volume González explores how the effects of a traumatic colonial experience are (re)presented to Latin American children today, almost two centuries after the dismantling of colonialism proper. Central to this study is the argument that the historical constraints of colonialism, neocolonialism, and postcolonialism have generated certain repeating themes and literary strategies in children's literature throughout the Spanish-speaking Americas. From the outset of Spanish domination, fundamental tensions emerged between the colonizers and native groups that still exist to this day. Rather than a felicitous mixing of these two opposing groups, the mestizo is caught between contrasting worldviews, contending explanations of reality, and different values, beliefs, and

epistemologies (that is, different ways of seeing and knowing). Postcolonial subjects experience these contending cultural beliefs and practices as a double bind, a no-win situation, in which they feel pressured by mutually exclusive expectations and imperatives. Latin American mestizos, therefore, are inevitably conflicted. Despite the vastness of the geography in question and the innumerable variations in regional histories, oral traditions, and natural settings, these contradictory demands create a pervasive dynamic that penetrates the very fabric of society, showing up intentionally or not in the stories passed from generation to generation as well as in new stories written or adapted for Spanish-speaking children. The goal of this study, therefore, is to examine a variety of children's texts from the region to determine how national and hemispheric perceptions of reality, identity, and values are passed to the next generation. This book will appeal to scholars in the fields of Latin American literary and cultural studies, children's literature, postcolonial studies, and comparative literature.
