

## Pantasya Collection

A rare, searing portrayal of the future of climate change in South Asia. A streetrat turned revolutionary and the disillusioned hacker son of a politician try to take down a ruthlessly technocratic government that sacrifices its poorest citizens to build its utopia. The South Asian Province is split in two. Uplanders lead luxurious lives inside a climate-controlled biodome, dependent on technology and gene therapy to keep them healthy and youthful forever. Outside, the poor and forgotten scrape by with discarded black-market robotics, a society of poverty-stricken cyborgs struggling to survive in slums threatened by rising sea levels, unbreathable air, and deadly superbugs. Ashiva works for the Red Hand, an underground network of revolutionaries fighting the government, which is run by a merciless computer algorithm that dictates every citizen's fate. She's a smuggler with the best robotic arm and cybernetic enhancements the slums can offer, and her cargo includes the most vulnerable of the city's abandoned children. When Ashiva crosses paths with the brilliant hacker Riz-Ali, a privileged Uplander who finds himself embroiled in the Red Hand's dangerous activities, they uncover a horrifying conspiracy that the government will do anything to bury. From armed guardians kidnapping children to massive robots flattening the slums, to a pandemic that threatens to sweep through the city like wildfire, Ashiva and Riz-Ali will have to put aside their differences in order to fight the system and save the communities they love from destruction.

I am where dead children go. Okiku is a lonely soul. She has wandered the world for centuries, freeing the spirits of the murdered-dead. Once a victim herself, she now takes the lives of killers with the vengeance they're due. But releasing innocent ghosts from their ethereal tethers does not bring Okiku peace. Still she drifts on. Such is her existence, until she meets Tark. Evil writhes beneath the moody teen's skin, trapped by a series of intricate tattoos. While his neighbors fear him, Okiku knows the boy is not a monster. Tark needs to be freed from the malevolence that clings to him. There's just one problem: if the demon dies, so does its host.

A remarkable re-creation of the life of K'ang-hsi, emperor of the Manchu dynasty from 1661-1772, assembled from documents that survived his reign. Illustrations, notes, bibliography, index.

Ally Nightingale has secrets. Secrets she doesn't even share with the Rock Chicks. But two men know what she's up to. One has her back. The other has her heart, but he doesn't know it. As Ally rewinds the last year of her life, she knows two things. One, she's never going to get what every Rock Chick should have—her own Hot Bunch guy. And two, she's a Nightingale through and through. She just isn't sure what to do about that. But as her secrets are revealed, the men in her life react. Darius Tucker, a lifelong friend, as usual takes her back. Ren Zano, the man she loves, isn't quite so sure. The Rock Chicks, Hot Bunch and the entire gang at Fortnum's weigh in, and a Rock Chick Revolution starts brewing. It's up to Ally to control it and prove what she knows down to her bones. She's a Rock Chick, she deserves her hot guy and she's going to keep the one she wants... Because she's a Nightingale.

Maybe one of the hidden benefits of everyone being so darn busy is the rise of the quickie! No one writes fresh fiction on quick sex better than Alison Tyler who has probably inspired more time-efficient trysts than any other eroticist. Whether at the office with your boss, in a restaurant restroom or naughty nooners with your long-time love, Tyler's Sudden Sex will have you dialing up a booty call stat! Alison Tyler says: "My favorite short stories brand new. Crisp and focused, taut and tight. The pieces in this collection are waiting for you to slide them on, button the fly, then turn and admire how well they fit your kink. Because—as everyone who knows me understands by now—I'm all about the kink. This collection features BDSM, spanking, toys, tools, girls gone bad and men who need it just as bad. I've assembled stories from writers I've worked with for nearly two decades as well as wordsmiths who are new to me. What do the pieces have in common? Each one maxes out at 1500 words. That's not a lot of small talk. We've cut the awkward getting to know you phase and instead parked you right up at the point. We're past first base, past second, on our way to third. His hand is under your skirt; her palm is on your cock—we're all adults here—no need to fight the fact that sometimes what we crave is simple: sudden sex." Take a breath. Bite your lip. Get ready to get off.

Jimmy, the little bunny, is very upset and nervous. Tomorrow is his first day in daycare, but he just wants to stay at home with his mom. Join Jimmy to find out how his friendly teddy bear helps him to feel excited. Finally, he discovers how much fun daycare really is! This children's book may help your little ones overcome their worries of leaving their parents for the first time, while helping them to adjust to new changes.

"Bruno doesn't like his new house. He had to leave all his friends behind in Berlin, and there are no children to play with here - until Bruno meets Shmuel, a boy who lives on the other side of the wire fence near Bruno's house, and who wears a strange uniform of striped pyjamas. A stunning anniversary edition of John Boyne's powerful classic bestseller, with illustrations from award-winning artist Oliver Jeffers."

Explore a new way to color with Selina's GRAYSCALE Coloring Editions. Images on one side only Large 8.5 x 11 inch size Detail/Skill Level Guide: These images are simple-medium in detail. Fairy Art - Grayscale Coloring Edition features the same set of artworks as Selina's more traditional Fairy Art Coloring Book, for those who prefer outline style coloring books.

The Horsemen of the Apocalypse are all born to a Filipino family; an monstrous nanny passes on her powers to her young gay ward; a family's freezer gets a surprise visitor; a young boy discovers how his brother turns into a superhero locked in an eternal struggle with the Forces of Chaos; a company makes a fortune selling diseases. The Best of Philippine Speculative Fiction 2005-2010 features thirty of the best fantasy, science fiction, and horror stories from the first five volumes of Philippine Speculative Fiction, published from 2005 to 2010. Consider this handbook your education. Hunter 101. And don't go thinking you got off easy just because there's not a pop quiz at the end. This is the good stuff. The real deal. In here you'll find out all there is to know about being a Dark-Hunter. Now for the disclaimer: This book is mutable. It goes with the wind. It changes more often than the mind of a sixteen-year-old Gemini with a closet full of clothes and a date in an hour. Don't be surprised if you open it up for the thirty-five thousandth time and find something old, something new, something borrowed or. . .well you get the point. Curl up in a comfy chair with some millennium-old scotch and feast upon the informative banquet I have prepared for your enjoyment. Welcome to your new life. ---From the Dark-Hunter Companion

Collects Hulkverines 1-3 & Totally Awesome Hulk #22. The clash you've been waiting for! At last, Weapon H takes on his predecessors: Wolverine and the Hulk! Not long ago, the Weapon X program sought to re-create two of the Marvel Universe's deadliest warriors. They ended up with Clay, A.K.A. Weapon H, a soldier with Adamantium claws and gamma juiced blood. But now Wolverine and the Hulk want a piece of the dangerous creation made in their name! And they're not the only threats coming for Clay. Weapon H's maker, Dr. Alba, is about to meet the Leader — and the result will transform not only the course of Clay's life, but also Wolverine and the Hulk! As Marvel's greatest titans rampage out of control, it's up to Clay to stop them — but what is one Hulkverine against two? Prepare for the fight of the century! Let #1 New York Times bestselling author Debbie Macomber take you back again into the HEART OF TEXAS, in this classic western romance for your keeper shelf! In Promise, Texas, people know what really matters—family, friends, community. And they know that love gives meaning to every day of their lives.... Some of the people in Promise are from old ranching families—like the Westons and Pattersons—folks who arrived in the Hill Country more than a century ago. And then there are newcomers like Annie Applegate, who opens a bookstore in town. Some might say Annie does things backward. She marries a widowed veterinarian for the sake of his kids...and discovers that marriage can lead to love. In Promise, everyone's life is a story! The people here, like people everywhere, experience tragedies as well as triumphs, sorrow as well as joy. This town, like towns everywhere, has its share of secrets. But whether times are good or bad, you're never alone in a place like Promise. And as Annie Applegate knows, that makes all the difference. Originally published in 1999

Born Joan Lucille Olander in a small South Dakota town, Mamie Van Doren rose to "Blonde Bombshell" status in Hollywood when she signed with Universal Pictures in 1953, right on the heels of Marilyn Monroe. This comprehensive biography explores Van Doren's early life and career, spanning from her start as a bit player in Howard Hughes' Jet Pilot to her significant role as the last surviving member of Hollywood's famous "Three M's": Mamie Van Doren, Marilyn Monroe, and Jayne Mansfield. A complete filmography lists Van Doren's roles in film and television. Entries include a plot synopsis, cast and crew details, and in many instances recent and contemporary reviews.

We're the D'Artigo sisters: savvy half-human, half-Fae ex-operatives for the Otherworld Intelligence Agency. My sister Delilah is a two-faced werecat and a Death Maiden. My sister Menolly is a vampire married to a werepuma. And me? I'm Camille, a wicked-good witch with three sexy husbands. I'm a priestess of the Moon Mother, and I'm training under the Queen of Darkness. Unfortunately, playing in the dark means that sometimes you stumble over secrets better left buried... There's a new Fae sorcerer in town—Bran, the son of Raven Mother and the Black Unicorn—and I'm the unwilling liaison between him and our new Earthside OIA. With cemeteries being ransacked and spirits being harvested by a sinister, otherworldly force, Aeval sends us to rescue the missing wife of a prominent member of the Fae nobility. Our search leads us to the mysterious Aleksais Psychic Network and, ultimately, to face the Lord of Ghosts where Morio and I must undergo a ritual that will plunge us directly into the world of the dead. Literary criticism on Philippine politics.

Ang Mga Lihim Ng Pulang Diary ni Taga Imus now has a Paper Back Edition and eBook edition of his stories. A companion to the Dreamworks animation comedy adventure traces its creative evolution with concept art, character sketches, storyboards, and digital paintings as well as interviews with key animators.

Sherrilyn Kenyon's most highly-anticipated novel in the New York Times bestselling Dark-Hunter series since Acheron is here—the unforgettable story of Styxx, Acheron's twin brother and one of the most powerful beings on earth Just when you thought doomsday was over . . . Centuries ago Acheron saved the human race by imprisoning an ancient evil bent on absolute destruction. Now that evil has been unleashed and it is out for revenge. As the twin to Acheron, Styxx hasn't always been on his brother's side. They've spent more centuries going at each other's throats than protecting their backs. Now Styxx has a chance to prove his loyalty to his brother, but only if he's willing to trade his life and future for Acheron's. The Atlantean goddess of Wrath and Misery, Bethany was born to right wrongs. But it was never a task she relished. Until now. She owes Acheron a debt that she vows to repay, no matter what it takes. He will join their fellow gods in hell and nothing is going to stop her. But things are never what they seem, and Acheron is no longer the last of his line. Styxx and Acheron must put aside their past and learn to trust each other or more will suffer. Yet it's hard to risk your own life for someone who once tried to take yours, even when it's your own twin, and when loyalties are skewed and no one can be trusted, not even yourself, how do you find a way back from the darkness that wants to consume the entire world? One that wants to start by devouring your very soul?

"There is an island named Pushkara, and the people who control the world don't want you to know it exists. But one man, one woman and a cryptic manuscript are going to change all that. Storms at sea is Mark Schult's heavily illustrated novella exploring the border between what we want to believe is true and the reality we prefer to keep concealed. It starts as a hard-boiled mystery and opens up into a breathtaking journey through cryptic history, cautionary science fiction and a speculative vision of the deep future"--Back cover.

I Love My Dad - Portuguese edition (Brazilian) Fun bedtime story with important message. Jimmy the little bunny doesn't start off knowing how to ride a two-wheeler bike like his big brothers. In fact, sometimes he gets teased for it. When Dad

shows Jimmy how not to be afraid to try something new, that's when the fun begins.

Stem cells have been gaining a lot of attention in recent years. Their unique potential to self-renew and differentiate has turned them into an attractive model for the study of basic biological questions such as cell division, replication, transcription, cell fate decisions, and more. With embryonic stem (ES) cells that can generate each cell type in the mammalian body and adult stem cells that are able to give rise to the cells within a given lineage, basic questions at different developmental stages can be addressed. Importantly, both adult and embryonic stem cells provide an excellent tool for cell therapy, making stem cell research ever more pertinent to regenerative medicine. As the title *The Cell Biology of Stem Cells* suggests, our book deals with multiple aspects of stem cell biology, ranging from their basic molecular characteristics to the in vivo stem cell trafficking of adult stem cells and the adult stem-cell niche, and ends with a visit to regeneration and cell fate reprogramming. In the first chapter, "Early embryonic cell fate decisions in the mouse", Amy Ralson and Yojiro Yamanaka describe the mechanisms that support early developmental decisions in the mouse pre-implantation embryo and the current understanding of the source of the most immature stem cell types, which includes ES cells, trophoblast stem (TS) cells and extraembryonic endoderm stem (XEN) cells.

Plain and practical tips that will teach teenagers what manners really mean.

This is a book of poems, written from my heart & mind.

English Serbian Bilingual children's book (Latin Alphabet). Perfect for kids studying English or Serbian as their second language. In this story, the little bunny Jimmy and his older brothers try to find a perfect present for Mom's birthday. They want to show how much they love her. What creative solution did they find to express their feelings

Liquid fuels are a major part of modern life. They supply energy for ground, water, and air transportation as well as power for industrial and farming machinery. But fossil fuels - the dominant liquid fuel in use for well over a century - have many disadvantages. The use of fossil fuels has obvious health downsides, such as emissions of pollutants that are directly harmful to health. The burning of fossil fuels produces greenhouse gases, which contribute to global warming, itself a long-term threat to human health. There have also been health concerns related to insecurity of liquid fuel supplies and the potential of international conflicts being caused by fuel scarcity. Furthermore, there are concerns that the world's large but still limited supply of fossil fuels could be strained by the increasing demand that results from societies around the world achieving greater prosperity. In the face of these concerns, new policies have been created that encourage the development of renewable sources of energy in general and biofuels in particular. In January 2013, the Roundtable on Environmental Health Sciences, Research, and Medicine of the Institute of Medicine held a 2-day, interactive, public workshop on the intersection of biofuels, climate change, and human health. Workshop attendees explored public health issues related to the composition of traditional and alternative fuels and fuel additives, and they discussed the known and potential health impacts associated with the use of these fuels and fuel additives. *The Nexus of Biofuels, Climate Change, and Human Health* is the summary of that workshop. This report examines air, water, land use, food, and social impacts of biomass feedstock as an energy resource, and the state of the science and health policy implications of using different types (and generations) of biofuels as an energy source.

The million-copy bestseller: "A laugh-out-loud and cry-out-loud tale of growing up . . . this fast paced, sassy novel triumphs" (*The Philadelphia Inquirer*). For the seniors at Immaculate Heart High, hormones triumphed over the State of Grace—and everyone's vocation was to DO IT. *The Map of Forbidden Sexual Delights* extended its boundaries nightly in the back seats of tail-finned cars. And nothing—not even the Anti-Smut League—could keep the boys and the girls from a rowdy, raunchy romp through those heart-stopping, heart-wrenching days of growing up! "To read *Virgins* is to remember the days when a kiss was two tightly closed mouths colliding and there were definite rules as to where a roving hand could rove . . . and no, if you are too young to remember those days, Caryl Rivers is not making it all up. Rivers has written a very funny book." —*The Washington Post* "Rivers is in her element. Her descriptions, from the blue serge uniforms and scuffed oxfords to the continuing battle of wits with the nuns, are right on target. *Virgins* is quick and bright." —*Los Angeles Times* "Miss Rivers demonstrates her sharp comic form right from the start." —*The New York Times Book Review* "Rivers doesn't give one time to pause for breath between the bawdy laugh-out-loud and wrenchingly moving moments in her new book . . . This glimpse of the chasm separating youthful hopes and realities will affect readers strongly." —*Publishers Weekly*

There are the fabled urban myths of lesbians who fill up a U-Haul on the second date and lead sweetly romantic lives of cocoa and comfy slippers. Safe and sound. A lot of cozy and not much crazy. These are NOT those stories- these are wild women with dirty minds, untamed tongues, and even the occasional cuff or clamp. A lotta crazy and no cozy slippers to be seen. These *Wild Girls* tell stories of their own *Wild Nights* (and days,) memories too hot to keep undercover. Real women with real needs and overwhelming desires find the courage to reveal intimate, unrestrained details of their sex lives, the need to share their stories second only to the urgent impulses that drove the action in the first place. There are first times, life-long commitments, and fleeting encounters to savor for a lifetime. Tenderness merges with edge-play; scenes shift from Caribbean islands to desert battlefields to the ultimate privacy of home; and the writers range from well-known names to newcomers driven to share fresh memories they'll never forget. In Evan Mora's "The Insatiable Travel Itch," repression in public drives her wild. "Transported, transplanted, we are transgressors. And it makes me fucking wet." Angel Propps struggles to face her deepest desires. "The word Daddy had a familiar shape on my tongue, but not in my head, and for one second I was sure I was going to Hell—and then I came." She'd found, of course, "The Daddy I Didn't Know I Needed." Anna Watson, in "Tamago," gives a poignant and sizzling view of being a lesbian femme who loves butches. "I know being femme is what makes the breath blow out of me when she calls and says, 'Babe, I just wanted you to know that I was driving along here, thinking about your breasts.'" Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, "Wild Girls, Wild Nights: True Lesbian Sex Stories" is the proof of that.

Includes entries for maps and atlases.

A retelling of the story about the princess who wanted to marry her beloved bird despite her father's disapproval. In the end, the princess decided to turn herself into a beautiful bird and fly away with her beloved bird to his kingdom.
