The author reveals the New York Club scene at its worst as he relates his involvement with Michael Alig, a Midwest nerd who became a leading club promoter and eventually found trouble after killing a drug dealer.

Very few people would challenge Fabian, the star running back whose about to go pro. Not merely for the beast that he is on the field, but also the one he becomes when he drinks. Eric Certain isn't quite so lucky. His brother Tyriq is terminally ill. But Eric's luck is sure to run out when he and Fabian soon cross paths. Scorned and scarred in the years that follow. Eric inflicts a few of his own. Will the now famous athlete hold it together, or will Eric cause him to lose it all?

"An irreverent, modern-day, romantic comedy!" The Hutchinson sisters grew up under the piercing, pious stare of a preacher's wife. Plagued by her ever-disappointed refrain, "Well, it's not my favorite." Their search to find their own way in the world has not been a screaming success. Gwenn is a good girl, a responsible girl ... a miserable girl. Her steady diet of vivid fantasies is the only part of her life she enjoys. She daydreams of new parents, a more exciting job and an actual love life. She struggles to run a business as "The Organizer," while she stacks relationship carcasses in the closet of her own completely unorganized life. Her only real friend is her younger sister, Rachel. Rachel is outgoing, risqué and happily gay. The only people who don't know this little secret are her judgmental parents, Pastor Ed and Shirley. Rachel struggles mightily to dodge her mother's constant attempts to set her up with "nice Christian boys"; while holding down a job at the bakery and keeping up with her rock-star girlfriend! Gwenn uncovers a photo that brings her imaginary world careening into reality. She's forced to ask herself if wealthy artist Daniel Gregory is the answer she's been seeking or a grand delusion. Break-ups, meltdowns, family secrets, wild nights and finally a journey of self-discovery to exotic New Zealand keep Gwenn and Rachel stumbling toward independence. So grab your parka and join the Hutchinson girls, as they experience the Lake Effect in Duluth, Minnesota!"

A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

A Collection of Matt Shaw's heartbreaking dramas Matt Shaw does not just write horror. In fact, when asked what his favourite books are, he often names the tales collected within this set. Stories of heartbreak, loss and grief - all with an element of hope... A hope we often forget when dealing with grief. Contained within this collection Heaven's Calling BOY: Built to Love The Missing Years of Thomas Pritchard (unpublished short story) Alone Heaven's Calling Josh and Holly could face anything thrown at them all the time they had each other. Their love would conquer anything and the world was their oyster. But when a tragic accident tears Josh away from Holly she realises that, without

her husband, she cannot cope and her world begins to crumble; her loss being more than she can handle. Until, that is, she receives a phone call. Her late husband. The same time every day; he doesn't appear to know what has happened to him and Holly can't bring herself to tell him. She isn't even sure if it really is him calling or whether it's all in her tormented mind. Especially seeing as the calls only happen when she is alone. Is it all in her head, has she gone mad, or is heaven really calling? Boy: Built to Love No parent should have to bury their own child and yet that was exactly what they had to do. Stillborn; a young boy never to open his eyes to take in the world around him. And now Lucy and Jack's marriage was on the verge of crumbling under the strain of the grief they struggled to cope with. A grief made worse when the doctors tell them they'll never be able to have a child of their own due to complications from the last pregnancy. But what if it didn't have to be that way? What if there was a way of using science and technology to create a son they could love? What if Jack was able to use Artificial Intelligence to create A Boy: Built to Love? Is the answer to their problems to be found within the world of science-fiction or are they setting themselves up for yet more grief and sadness? The Missing Years of Thomas Pritchard August 3rd. 6:03am. The tranquil summer's morning was shattered by the desperate screams of Thomas' mother echoing down the near deserted suburban street. The few people milling about outside getting ready for their daily business had said they couldn't make out what the cries were about when they were interviewed. Not initially. Not until Anne, a pretty woman in her early thirties with shoulder length blonde hair, spilled out onto the street wearing nothing more than her dressing gown and slippers anxiously calling out for her five year old son, Thomas, to come out from wherever he was hiding. Eye witnesses reported Anne was closely followed by her husband Bill - a professional, clean-shaven man in his late thirties with dark, short hair - half dressed for work in his suit trousers and unbuttoned white shirt, and that he too looked just as frantic as the mother did. The year was 2003; the year Thomas disappeared from his home without a trace. * * * * * August 3rd. 6:03am. A young, fragile looking hand knocked confidently on the white PVC of the front door to number twenty-two. The hand belonged to a smartly dressed, skinny fourteen year old, fresh-faced boy. Whilst waiting for an answer to his knocking he slid a brown leather satchel off his shoulder down onto the floor as though the weight was too much for him to bear any more. He went to knock again but stopped himself when he heard the sound of footsteps from the other side of the door as the freshly woken homeowner came to answer his initial knocking. There was the slightest of pauses as keys were twisted in locks before the door opened as much as the strong, gold, security chain would permit it to. "Can I help you?" asked the homeowner, a frail looking woman in her late sixties. "Where's my mum?" asked the boy. The year was 2012; the year Thomas came home. Hairnigans. Friendship. Big Dreams. The previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. Natural Sistahs series is written by an African American author whose chosen her natural hair since 1998. Roulette game has been around for centuries and yet gamblers have gone broke just over 2.7% house edge. Now you may laugh at me and comment that I am losing 2.7% at every spin cumulatively. Of course you are right in saying that and you may tell me that it is highly negative expected value in the long run. But can you ignore these facts Roulette will produce winning and losing streaks Roulette will allow gamblers

to win big by giving them 36 times of whatever they put straight up If a person goes hot and gets 2 times a number correct he stands to win 36*36 times the amount bet consecutively. Giving you returns of 1296 times or if you just bet 25 dollars which anyone can afford to lose in a casino he will have won 32 thousand 400 dollars or \$32,400. Now with such low house edges anyone can go on a hot streak, but everyone loses. And now if I tell you I have a system that will allow you to take shots at the game of Roulette and if you win you compound your profits and cut losses and take profits then certainly the casinos will a lot fun, a lot entertainment and a hell lot more fun, then would you deny it? In this manual and in the coming pages I am going to convey to you the secrets of my winning system of Roulette, every Roulette player must read this book at least one and what have you got to lose? You are just going to get saved a lot of money and this is an indispensable guide to winning in casinos a cart full of money, all crisp 100 dollar bundles. And who knows you may even break the bank at roulette table. A lot of players go to the casinos and assume they are lucky and going to win and this is the wrong mentality to win at poker, because if you believe you are going to win you are going to compound your losses following bad strategies like Martingale. The Martingale strategy works best for the casino and they prevent losses by limiting the maximum amount of bets that could be placed and of course players like you and me don't have access to infinite resources that will allow us to keep doubling our bets forever. We need to win big and we need to win with a small amount of money. In this manual I am going to give you solid advice that will allow players to reduce the house edge of casinos and who knows if everyone read my book probably the casinos will stop the game of Roulette altogether. Because I have a system that really does beat the casinos. And the rules which I will tell you precisely in later part of the book are as follows 1.Take Profits 2.Try to go on a hot streak 3.Cut losses 4.Go for big wins like betting straight up 5.An intuitive pattern recognition system that makes phrases out of meaningless numbers for identification of wheel bias. (This works on every Roulette Wheel in Vegas, Atlantic City, every casino in the world and all machines open and closed and even automatic Roulette machines which have a ball inside a chamber) This is a short book that will give you the right tools to approach the game of Roulette and every chapter will convey the topics that I have told you above and you must use all of these tools at once so that you will make big money or be break-even or have very little losses in the game of Roulette. Good Luck and wish you a lot of fun and entertainment in the casinos."

GLUTEN-FREE GHOULS is a FUN, COLORFUL children's book that will be a DELIGHT TO ALL READERS young and old while sharing a valuable lesson on why it's important to eat healthy! The six Gluten-Free Ghoul characters Gloppy, Bogey, Teaky, Oafie, Pops, and Bonkers live in a giant treehouse and love to play baseball and golf - and they even skateboard! But their favorite thing to do is eat! Join them as they scramble through town gobbling up leftover pizza, spaghetti, and their favorite pies. The only trouble is that their not-so-healthy eating habits begin to create some frustrating and itchy symptoms. Their doctor tells them to eat a gluten-free diet. Gluten-Free Ghouls is a great rhyming book that is sure to bring about some giggles as children enjoy the silly characters while the story builds awareness of the importance of eating well. Food sensitivities like gluten or allergies such as peanuts, dairy, etc. are so prevalent these days and children need to be aware of what can happen even if they don't have celiac disease (a severe innate autoimmune disorder) or aren't allergic to certain foods themselves. It also helps children without gluten sensitivities or allergies to better understand what their friends go through who do have to follow specific diets. As for friends who have celiac disease, gluten sensitivities or food allergies, Gluten-Free Ghouls will show them that others deal with the same issues even six hungry green ghouls. GLUTEN-FREE GHOULS WOULD BE A GREAT ADDITION TO ANY BOOKSHELF IN ANY LIBRARY, SCHOOL, OR HOME. Please visit us online at glutenfreeghouls.com. With an adult's/parent's approval, children can join the GLUTEN-FREE GHOUL'S FAN CLUB and receive a FREE FAN CLUB BOOKMARK when they e-mail paige@glutenfreeghouls.com and share what they like most about the book and who their favorite Gluten-Free Ghoul is.

From Amanda Lepore, the original iconic transsexual woman who has reigned over New York nightlife for three decades, comes a gorgeous, poignant, full-color memoir of revealing stories and photographs by legends David LaChapelle, Terry Richardson, and many more. Lepore is a walking piece of art, and her very existence explores and questions the most important debates in modern society: gender roles, fame, beauty, and sex. She has spent years becoming the woman she wanted to be and here she reveals to the world the woman she really is.

Jess has been in love with her best friend, Kate, for seven years, but her feelings have never been returned. One night they sleep together, and Jess finds out how much it is possible to be hurt by someone close. Jess and Kate struggle to redefine their friendship. They spend a week at Jess's family holiday house in a small seaside town, Awatangi, intending to make the time to talk things through, but the conversations never happen. Kate makes vague promises, but begins to have second thoughts. Jess

wants Kate, and nothing else, and is heartbroken that isn't enough. Jess decides – while everything is changing in her life – that she doesn't want to go on living in the city, that she wants to return to Awatangi. Part of her hopes some physical distance between them may help things with Kate, and part of her – frustrated and upset – simply wants to leave Kate behind. In Awatangi, Jess meets Keri, a local lawyer who has also recently returned home. Like Jess, Keri surfs, and like Jess, she seems to feel some attachment to her family roots in Awatangi. Jess is drawn to Keri, but forces herself not to let anything happen. Despite everything, Kate is still Jess's closest friend, and she has loved Kate all her life. She feels she has to give the situation with Kate as long as she can to work itself out. Awatangi is about coping with feelings for a close friend that are not returned, set in a small holiday township on the West Coast of the South Island of New Zealand. It is an exploration of getting what you've always wanted and it not being enough, of being in love with one person and wanting another, and of finding out that life doesn't always turn out as expected.

With a supernatural undercurrent, *The Fourth Marker* is the story of an elderly man, Gabriel Townsend, whose spirit is being crushed between the metaphoric anvil of his pragmatic views and the falling hammer of his wife's pending death. The story revolves around a family, the Townsends, whose heritage is partly Native American. The United States' Indian Removal Act of 1830, which resulted in the Trail of Tears episode in American history, required all indigenous people, with few exceptions, to leave their tribal lands in the southeast and east, along the eastern seaboard. Some Lenape (Delaware) tribal members on the Delmarva Peninsula as well as other areas in the east, defied the government and remained on their ancestral lands, hiding from authorities in the Great Pocomoke Forest, outlying islands, and swamps on the southern peninsula. A conscious decision to "hide in plain sight" or not, they eventually intermarried and bred with local whites, African-Americans, and mulattoes. Many families whose ties to Delmarva date back a hundred years or more share a heritage with those aboriginal people; however, the prejudice and racial bias of a bygone era caused many to ignore – even deny – their lineage. In the story, while a child on the family farm during the Great Depression, Gabe Townsend rejected legends of his Native American ancestors and ignored miraculous cures of family members. Gabe's half-breed grandfather, Noopah, tried to teach him tribal legends and the old ways, explaining that, after most Indians had been killed or driven from their lands by the Army and settlers, tribal elders returned to their lands in spirit form after their deaths. They dwelled at a sacred hill on the family's land and protected their descendants from early death and white man's diseases. During those years, three family members were cured of life-threatening diseases, but Gabe's mother blindly credited their recoveries to the nascent field of modern medicine. After each recovery, a person of evil character and not of tribal

blood disappeared, followed by the mysterious appearance of a wood marker on the sacred tribal hill. Yet, despite those events and Noopah's words, Gabe adhered to his mother's intractable views. Now facing the loss of his wife, he relives his childhood memories, guided by the spirit of his grandfather from beyond – well beyond – the grave. Finally understanding the truth of long ago, he decides to beg the tribal spirits to take his life in exchange for his wife's, aware that a fourth marker would signify his own life – and death. As Gabe's father noted, "some understand only what they see; others see only what they understand." The Fourth Marker highlights this most human of vices against the backdrop of Native American legends with ample helpings of farm life during the Great Depression.

After finding a safe haven inside the security of her enclosed high school, she learns that four others have survived, one being a bold, mysterious transfer student from Texas whose unruffled demeanor harbors more than a cool interest in her. As they struggle to survive the dead fighting their way inside, will Kennedy discover there is more to life than survival? And will she and the others find a way to live in this terrifying new world?

At the time, the 8th Day Era of America was seen as enlightened. It stood as a testament to scientific advancement and of man's triumph over nature and instinct. Violent crime was relegated to the history books. Viewed as nothing but a barbaric scourge of the past. Murder went extinct, it had been cured. Mickey Moore grew up in this sanitized version of America. He was a drifter and a small-time cheat. As Mickey matured, he sharpened his con-game, and got by on the misfortunes of others. But trickery and dumb-luck eventually betrayed Mickey, and he found himself broke and homeless as he approached middle age. Destitute and desperate, Mickey was hitching a ride across the New Mexico desert when fate shoved a new path before him. Under the bright rays of a dying sun, Mickey saw the impossible, he witnessed a murder. Shocked still in disbelief, he marveled at this primal display of man's feral past. The violence before him came at Mickey like a revelation. He was frightened, terrified in fact, but the con-man in him saw an opportunity. The sensation that Mickey felt was so strong, he felt as it awakened areas of his mind that the

8th Day Era's medicine had put to sleep. To package and sell such an experience was a million-dollar idea, and for the first time, Mickey actually believed in something. He would erect CrimeSpree, an amusement park, an interactive museum of man at his worst. Mickey's venture offered the American public the chance to participate in violence once again. At CrimeSpree, customers paid to play the parts of the victims of violent crime. It was all scary and lecherous fun, as a bored and uninspired public lined up to take part in the charade. But the fun and the games eventually put out the proverbial eye. The monster that Mickey created came to life and it dug human instinct out of the grave. The past was coming back around again. It was coming for America, and it was coming for Mickey.

A 1922 women's adventure and travel novel by British-American novelist Elizabeth von Arnim. It is said to be the author's lightest and most refreshing novel. The novel follows four dissimilar women in 1920s England who leave their rainy, grey environments to go on holiday in Italy. Mrs Arbuthnot and Mrs Wilkins, who belong to the same ladies' club but have never spoken, become acquainted after reading a newspaper advertisement for a small medieval castle on the Mediterranean to be let furnished for April. They find some common ground in that both are struggling to make the best of unhappy marriages. The four women come together at the castle and find rejuvenation in the tranquil beauty of their surroundings, rediscovering hope and love.

Blague had always been a chaser of shadows and dreams, while both always seemed to find Eugene. One a profound optimist, the other a fallen cynic, they journey the new world in search of answers. But it is punishing. Their lone victory against the reigning Hiezers is not without consequence. The exiled don't get to make the rules. Blague's strength fuels the fire needed to survive the growing resistance. The Sins march with this torch, meant to rise above exile to find that they aren't alone. Unlikely allies and hidden foes step into the light. The lines of trust become blurred. The Aura reside in their smoke, the Templos in their caves, and the Society in their Citadel, all with something to offer, and a lust to take. Deeper knowledge of Cryos is unearthed and Ayelan becomes a catalyst unlike any other. The chemicals stir to unlock strange possibilities, new realities. Uncharted territory awaits them, but not with open arms. Blague's world is flipped. His past returns from death, and it's too much to bear. Sanity slips from his grasp. How far can someone fall when everything that is known becomes unraveled? The journey will not be easy. It will not be calm. And it will redefine everything.

A behind-the-scenes look at the meteoric rise and stunning takedown of a nightclub empire, by the man who held the reins. Limelight, Tunnel, Club USA, and Palladium--the cutting-edge, insanely successful, and notoriously decadent clubs that dominated New York City's entertainment scene, their influences reverberating around the world. Across four decades, a single mysterious figure stood behind them all: Peter Gatien, the leading impresario of global nightlife. His clubs didn't follow the trends--they created movements. They nurtured vanguard music acts that brought rock, house, grunge, hip-hop, industrial, and techno to the beautiful ones who showed up night after night to tear the roof off every party. But as Peter and his innovative team ramped up the hedonistic highs, Rudolph Giuliani was leading a major shift in the city. Under the guise of improving New York City's "quality of life," the club scene was targeted--and Peter Gatien's empire became a major focus of the administration. In this frank and gritty memoir, Peter Gatien charts the seismic changes in his personal and professional life and the targeted destruction of his nightclub empire. From Peter's childhood in a Canadian mill town to the freedom of the 1970s, through the excesses of the 1980s and the ensuing crackdown in the 1990s, *The Club King* chronicles the birth and death of a cultural movement--and the life of the man who was in control of every beat.

Another body in a string of ritualistic murders. A serial killer who's getting cocky. Detective Derek Childress thinks this day just can't get any worse. And then he meets his new partner. Investigator Kayle Perrine is a Variant: one of several races of once-thought mythical creatures who now live among and lord-over humankind. Led by a group of vampires called the Clan Gentry, the Variants protect their own, just as they did when Derek's previous partner was killed by one, nearly a

year ago. Now that Perrine's on the case, Derek expects a cover-up. Kayle Perrine has worked his whole life to prove himself, but being paired up with a boorish mundane like Derek Childress is feeling more like punishment than reward. Derek is so blinded by his prejudice against Variants, that he refuses to see the evidence Kayle finds blatantly obvious. The sooner Kayle can close this case, the sooner he can go back home and forget about the infuriating human detective. A brutal attack forges a fragile truce between the two men, driving them together. Derek and Kayle must learn to trust and depend on each other while tempers flare and passions of every kind run hot between them. Yet as they begin to grow closer, one fact continues to keep them apart: they are from different worlds. With time running out to solve this case, Derek and Kayle understand that love may not be enough to overcome prejudice, politics, and murder.

Fifteen-year-old Amelia struggles to shape her own identity while a chronic illness threatens to tear her world apart. Beth Chambers' life is no fairytale, even if she feels like a damsel in distress. After four years in a destructive relationship, Beth has decided enough is enough and leaves her girlfriend, taking with her only her dog Dudley, her broken spirit, and a shattered view of life. At her lowest point, she meets Amy Fletcher, a woman who has it all-and whom she believes would never want more than friendship. But what Beth fails to realise is that there are definitely two sides to every story. Could Amy Fletcher be Beth's Princess Charming? Could her story end with a happily ever after?

Envious of her best friends lavish lifestyle, a young woman wonders how different her life would be if she had an opportunity to change her past.

For over 20 years, Michael Musto ("the Hunter S. Thompson of snark") has written the popular entertainment column "La Dolce Musto." The outrageous weekly column has pioneered gay issues in celebrity news and politics and has long been a mainstay of pop culture as well as a cutting edge chronicle of the hip and hopeful. In this fabulous collection, Musto includes a sampling of his star romps, from a hilarious column describing his night out with the Kids in the Hall to a scathing catch-up session with onetime Fellini beauty Anita Ekberg. Along the way, celebs like Sandra Bernhard, Madonna, Lindsay Lohan, and Anderson Cooper provide much juice and dazzle. Also included are biggies, from Brad Pitt to the Hiltons. The first openly gay gossip columnist, Musto encouraged closeted celebrities to come out for years before it became okay to address performers' sexuality in the daily columns. He was reviled, called a "gay Nazi" by Rosie O'Donnell, but ultimately vindicated. Included are his views against then-closeted Rosie, and Ellen DeGeneres.

Maggie Whitaker decides to forego college to work in her family-run jewelry shop. She becomes entangled with a mysterious John Doe.

Jacek Lidwin presents "Unknown People", a book containing 126 black and white street portraits. This book highlights provoking and contemporary examples of the medium of portraiture. Jacek is trying to express his perspective on individuals, unknown people who he meets in the streets of Poland. His art illustrates Osho's words: "We are born alone, we live alone and we die

alone. Aloneness is our very nature but we are not aware of it". He is inspired by street photography of Robert Frank, Henri Cartier-Bresson, Robert Doisneau.

A fresh start in an old city. That was all Camille Grisham wanted. After a deadly series of events forces an abrupt end to her career as an FBI profiler, Camille returns to her hometown of Denver with the hope of starting over. But her hope is tragically short-lived. Less than 24 hours after Camille's arrival home, her best friend Julia is brutally murdered, and the answers are scarce. The police investigation eventually targets a colleague in Julia's law firm, and all signs point to his guilt. Then Camille receives a flash disk - left behind by Julia herself - that implicates someone infinitely more powerful. With the help of a rookie homicide detective, Camille must race to uncover the truth of Julia's life, and the events that led to her death. In doing so she will not only expose a high-level conspiracy involving political and financial corruption, she will also find herself in the midst of yet another deadly confrontation - this time with a killer hell-bent on preserving Julia's secret. 'The Strategist' chronicles Camille Grisham's struggle to find redemption in the face of tragedy and strength in the midst of ever-present danger. She will eventually find both, but not before colliding head-on with a past that she wants nothing more than to leave behind. Book I of the Circle Trilogy Book II 'The Second Circle' will be available Spring 2014
