

Passion Damour

What is the je-ne-sais-quoi? How - if at all - can it be put into words? In addressing these questions, Richard Scholar offers the first full-length study of the je-ne-sais-quoi and its fortunes in early modern Europe. He describes the rise and fall of the expression as a noun and as a topic of debate, examines its cluster of meanings, and uncovers the scattered traces of its 'pre-history'. The je-ne-sais-quoi is often assumed to belong purely to the realm of the literary, but in the early modern period it serves to articulate problems of knowledge in natural philosophy, the passions, and culture, and for that reason it is approached here from an interdisciplinary perspective.

Placing major figures of the period such as Montaigne, Shakespeare, Descartes, Corneille, and Pascal alongside some of their lesser-known contemporaries, Scholar argues that the je-ne-sais-quoi serves above all to capture first-person encounters with a 'certain something' that is as difficult to explain as its effects are intense. When early modern writers use the expression in this way, he suggests, they give literary form to an experience that twenty-first-century readers may recognize as something like their own.

Parthénios est un intellectuel grec de premier plan qui joua sans doute un rôle majeur dans la formation littéraire et culturelle des grands poètes épiques et élégiaques de la fin de la République et du début de l'Empire romain. Pourtant, mises à part quelques éditions et traductions commentées, il existe très peu d'études particulières sur cet auteur énigmatique, dont la production fut importante, mais la postérité discrète et le legs littéraire réduit. S'il ne reste que des fragments de son œuvre poétique, il subsiste néanmoins sous son nom un curieux objet littéraire dont ce recueil tâche, par des regards croisés, de comprendre la nature, d'identifier

la tradition et de cerner la portée. Ce volume réunit des articles qui se sont focalisés spontanément sur trois aspects essentiels de l'œuvre de Parthénios : d'abord l'originalité générique de cette œuvre inclassable qui semble tenir simultanément du brouillon et du poème en prose, et dont le caractère littéraire a pu être sous-estimé; ensuite le réseau culturel très riche que l'œuvre permet de reconstituer, par ses reprises et ses échos autant que par les signes qu'elle donne à la littérature latine future ; et enfin l'érotisme, comme mise en scène, parfois très théâtrale, de l'amour dans ce catalogue d'historiettes qui traite de cette passion ravageuse à travers des figures à la fois suggestives et exemplaires. Ces analyses gréco-latines d'un auteur à cheval entre deux mondes et qui contribua à les rapprocher éclaire un moment de cette hybridation culturelle dont la littérature classique et humaniste est issue.

This is a study of the history and development of six large size clarinets including the clarinet d'amour, alto clarinet, basset horn, and bass clarinet. The majority of extant instruments are described and discussed, along with extant music of the period (1740-1860).

Offers detailed analyses and reconstructions of Picon's eight novels. Of special significance to modern readers are his conceptions of Spanish history and character, patriotism, and women and sex -- conceptions that for their day may be considered advanced.

Bronwyn Reddan challenges the idealization of fairy-tale romance as the ultimate happy ending by showing how the women writers who dominated the first French fairy-tale vogue, the conteuses, used the genre to critique the power dynamics of courtship and marriage.

"Our focus is on presenting material that soothes, stimulates, and awakens emotional and sexual understanding through learning and interpreting the Tarot", write the card reading

husband and wife team in which they share more than a quarter century experience with the tarot and as life partners. Begin with the simple, yet never-before-written-about premise- every card and its reverse have romantic and sexual indications. And whether you're a newcomer to tarot, a longtime student, or somewhere in-between, Tarot d'Amour will unveil a whole new way to interpret the cards.

This book analyses the romantic drama and the way that passionate love is presented as the central storyline in popular cinema, drawing upon genre studies and sociology. Exploring the passionate love story as a cinematic form, it also contributes, through comparison, to research on the romantic comedy.

Passion D'AmourRunning Press Book Publishers

Une inoubliable nuit d'amour, Susan Crosby Depuis la merveilleuse nuit qu'ils ont passée ensemble, Keri, n'a jamais cessé de penser à Jake, et à l'intense plaisir qu'elle a découvert entre ses bras. Elle devrait donc être ravie à l'idée de donner bientôt naissance à son enfant, et surtout, de devenir sa femme. Mais il lui est impossible de se bercer d'illusions. Jake s'est en effet montré très clair : pour lui, leur aventure n'a été qu'une terrible erreur et il ne lui offre de l'épouser que pour le bien de leur futur bébé... A l'ombre de la passion, Judy Duarte Alors qu'elle est chargée de décorer l'hacienda du richissime William Fortune, Isabella prend très vite conscience que cet homme d'affaires incroyablement sexy la trouble plus que de raison. Des sentiments qu'elle se reproche aussitôt amèrement et qu'elle s'efforce de refouler, car il est hors de question qu'elle succombe au charme de William Fortune. Riche, sûr de lui et coureur de jupons, ne représente-t-il pas tout ce qu'elle a toujours détesté ?

Recueil de 36 histoires d'amour, de passions et de trahisons dans lesquelles Ulysse devient le meurtrier de son fils, la mère de Périandre trompe son fils qui tombe amoureux d'elle,

I hope you all enjoy this ' *_flavour of love_* ' and forever remember it's taste..... Happy Reading!!!

This erotic classic contains Plaisir d'Amour and Joie d'Amour, two internationally bestselling memoirs of 1920s Paris.

Publisher Description

There has been a recent revival of interest in the work of Polish film director Walerian Borowczyk, a label-defying auteur and “escape artist” if there ever was one. This collection serves as an introduction and a guide to Borowczyk’s complex and ambiguous body of work, including panoramic views of the director’s output, focused studies of particular movies, and more personal, impressionistic pieces. Taken together, these contributions comprise a wide-ranging survey that is markedly experimental in character, allowing scholars to gain insight into previously unnoticed aspects of Borowczyk’s oeuvre.

This volume examines the philosophical, political, and personal convictions that informed Staël’s theory of the passions and the social and aesthetic innovations to which it gave rise. Moving from her affective theory to her literary practice, we explore Staël’s transformative influence on the communities of women artists she fostered.

Ils s'aimèrent, ils s'aiment et ils s'aimeront... Du 1er au 14 février, Les éditions Harlequin vous prescrivent une histoire d'amour par jour pour faire durer le plaisir de la romance jusqu'à la Saint-Valentin ! Chynna est en bien mauvaise posture. Surprise dans le bureau de son patron en dehors des heures de travail, elle n'a d'autre choix que de se plier à ses exigences. Et le contrat que lui soumet Trent Payton est on ne peut plus simple : soit elle accepte de jouer le rôle de sa fiancée, soit il porte plainte contre elle...

These two novels of 1920s Paris are memoirs of an era when society was devoted to the pleasure of seduction. Plaisir d'Amour follows a group of lovers discovering a world of privilege without boundaries. Joie d'Amour recounts the exploits of those for whom "civilized" behavior means testing the forbidden.

This book challenges several traditional assumptions about the development of the French novel, notably that the novel is a bourgeois art form that rose and flourished along with the rise of the bourgeoisie; and that the novels of the seventeenth and eighteenth centuries were inevitable stepping stones on the road to the apotheosis of realism realized in the novels of Balzac, Flaubert, and Zola. Instead, the author argues that the early French novel articulated the French aristocracy's claims to natural ascendancy against an encroaching middle class. But like any other literary form, the novel produces and is a product of ideology, and it reveals the contradictions lying beneath the surface of an apparently seamless social structure. After the death of Louis XIV and the resulting social and political redefinition of the aristocracy, the ideological rifts in the novel's form enabled it to shift its class affiliations with the changing times. French cultural life was increasingly tinged with values determined by new configurations in the control and transmission of property, including new constraints on women's sexual behavior. Fiction that claimed

for itself a rightful place in the real world began to appear. As it had during the seventeenth century, fiction continued to negotiate complex social contradictions and label as malevolent any person or group that seemed to threaten social order, notably the immoderate woman who flouted traditional conceptions of virtue and threatened to read the social fabric. This new account of the rise of the French novel is enriched throughout by close readings of both well-known and obscure novels, including d'Urfe's *L'Astre*;e, Gomberville's *Polexandre*, Furetière's *Le Roman bourgeois*, Prevost's *Manon Lescaut*, Diderot's *La Religieuse*, and Sade's *Justine*.

Each volume in this series for the study of pictorial documents on musical subjects contains articles, a catalog (published in installments) devoted to the complete documentation of specific sources, and an annual bibliography that bridges the gap between the bibliographies in art history and musicology. Originally published: Cambridge, Mass.: Harvard University Press, 1986.

"The Eloquent Oboe is a history of the hautboy, the oboe of the Baroque period. It reflects recent interest in this instrument, which was the first of the woodwinds to join with strings in creating the new orchestra, and had by the end of the twentieth century again become a regular presence on the concert scene. Between 1640 and 1760, this type of oboe underwent dramatic changes in both function and physical form, and the majority of its solo and chamber repertoire appeared. Haynes examines in detail the hautboy's structure, its players, makers, and composers, issues of performing style and period techniques, how and where the instrument was played, and who listened to it."--Jacket.
