Two million dollars. That's how much money anyone under age 40 will need to accumulate to retire. That often means working 40-hour-weeks and penny-pinching your whole life. How else could you save a cool \$2 mil? Finance guru, former financial advisor, and Amazon bestselling author of Money Honey, Rachel Richards has one goal in mind: teaching you everything you need to know to become financially free earlier than you ever thought possible. At age 27, Rachel quit her job and retired, living off \$10,000+ per month in passive income streams. Let her show you how to do it at any age--it's never too late. What is passive income? Passive income is earned with little to no ongoing work. It's no get-rich-quick scheme, but once your passive income exceeds your expenses, you are set for life. In a refreshingly realistic how-to guide, Rachel serves up 28 tried and true passive income stream models, helping you to: Achieve "Financial Independence, Retire Early" without penny-pinching Create consistent, long-term residual income (the non-multi-level-marketing way), so you can live life on your terms Have the flexibility to work when, where, and if you want Say "goodbye" to your 9-5, and create a life you totally love Eliminate your money stresses and fears Rachel supplements boatloads of research and personal expertise by interviewing well-known experts! You'll hear directly from big names such as HAL ELROD, BOBBY HOYT, DAVID OSBORN, HONORÉE CORDER, and more! Hal Elrod is the internationally bestselling author of The Miracle Morning(tm) Series, which has been translated into 37 languages and has impacted over 2,000,000 people's lives! Bobby Hoyt is a former high school band director and the founder of Millennial Money Man. He now makes six figures per month from his blog, online courses, and recurring revenue! David Osborn is a multi-millionaire real estate mogul who started out broke and unemployed at age 26, only to become one of the most successful real estate franchise owners in the world! Honorée Corder has written over 50 books. She teaches the You Must Write a Book Live Coaching Course and is an executive book coach! Doug Skipworth is the co-founder and principal broker at Crestcore Realty, which manages 2,500 properties in Tennessee. He personally owns hundreds of rentals! Thom Shepherd is a CMA of Texas Songwriter of the Year and has written five #1 singles! If you regularly feel the Sunday Scaries or always dread getting up for work in the morning, this book is for you. This book is for the college student already dreading the 9-5 life that waits him upon graduating; the couple who would rather spend their time doing what they want, instead of slaving away for their employers every day; and the single parent who is barely scraping by. The revolutionary guide that challenged businesses around the world to stop selling to their buyers and start answering their questions to get results; revised and updated to address new technology, trends, the continuous evolution of the digital consumer, and much more In today's digital age, the traditional sales funnel—marketing at the top, sales in the middle, customer service at the bottom—is no longer effective. To be successful, businesses must obsess over the questions, concerns, and problems their buyers have, and address them as honestly and as thoroughly as possible. Every day, buyers turn to search engines to ask billions of questions. Having the answers they need can attract thousands of potential buyers to your company—but only if your content strategy puts your answers at the top of those search results. It's a simple and powerful equation that produces growth and success: They Ask, You Answer. Using these principles, author Marcus Sheridan led his struggling pool company from the bleak depths of the housing crash of 2008 to become one of the largest pool installers in the United States. Discover how his proven strategy can work for your business and master the principles of inbound and content marketing that have empowered thousands of companies to achieve exceptional growth. They Ask, You Answer is a straightforward guide filled with practical tactics and insights for transforming your marketing strategy. This new edition has been fully revised and updated to reflect the evolution of content marketing and the increasing demands of today's internet-savvy buyers. New chapters explore the impact of technology, conversational marketing, the essential elements every business website should possess, the rise of video, and new stories from companies that have achieved remarkable results with They Ask, You Answer. Upon reading this book, you will know: How to build trust with buyers through content and video. How to turn your web presence into a magnet for qualified buyers. What works and what doesn't through new case studies, featuring real-world results from companies that have embraced these principles. Why you need to think of your business as a media company, instead of relying on more traditional (and ineffective) ways of advertising and marketing. How to achieve buy-in at your company and truly embrace a culture of content and video. How to transform your current customer base into loyal brand advocates for your company. They Ask, You Answer is a must-have resource for companies that want a fresh approach to marketing and sales that is proven to generate more traffic, leads, and sales.

Would you rather wait a few years, be miserable during that time and regret the decision you made or take action now and thank yourself in the future? The choice is yours! What's In It For You When Downloading "Passive income" today! 25 Proven Passive Income Strategies To Make Money Online Passive Income Ideas You Might Not Even Be Aware Of Advantages Of These Passive Income Strategies What To Expect From Passive Income Helpful Advice On Every Strategy MUCH, MUCH MORE My True Story Of How These Passive Income Strategies Changed My Life It was merely a couple of years ago when I was working non-stop trying to get somewhere in life but still stood at the same exact place. Day after day passed by and I followed the same exact same routine day in and day out for a very long period of time. During the last few months of me constantly working like crazy for someone else, I began to think. I began to think about what I was actually doing. I kept thinking to myself "Do I want to do this for another 40-50 years?". "Is this what my life is going to be about, constantly working until I'm old and grey for a salary that barely lasts a month". It was not until I discovered this thing of having multiple streams of passive income that everything changed. To be honest, at first, I thought it was just another money-making scam. I thought why would anyone share information on how to create wealth and get rich? Even though I did not really believe any of it, I still decided to give it a shot, and trust me when I say this: IT WAS WORTH IT. At that time, there was no one in the world that could possibly convince me that you could earn money for months and even for years while relaxing on a beach somewhere. I'm aware of the fact that money does not make you happy, however, money gives you freedom. It gives you the freedom to do anything you desire. It gives you the freedom to spend your time on what is important to you. It gives you the freedom to be with your loved ones. Yes, money alone does not make you happy but all the things you are able to do when being financially free, that is going to make you happy. Note: This book on passive income is no get-rich-quick scheme! No matter what field of work you are in, creating wealth takes time and effort. This book, however, guides you through proven strategies that are guaranteed to work!

Instant Wall Street Journal Bestseller! You don't need to be Ivy League educated, have money, be creative, or even have an idea to get rich. You just need to be willing to break the rules. At nineteen, I founded a software company with \$119 in my bank account. Five years later, it was valued at \$10.5 million. I don't consider myself exceptionally brilliant. I just realized something few people know: You don't need lots of money or an original idea to get really rich. Now, I make more than \$100,000 in passive income every month, while also running my own private equity firm and hosting The Top Entrepreneurs podcast, which has more than 10 million downloads. This book will show you how I went from college dropout to member of the New Rich. And I'm holding nothing back. You'll see my tax returns, my profit and loss statements, my email negotiations when buying and selling companies. It's time to forget your grandfather's advice. I'll teach you how to be a modern opportunist--investor, entrepreneur, or side hustler--by breaking these four golden rules of the old guard: 1. Focus on one skill: Wrong. Don't cultivate one great skill to get ahead. In today's business world, success goes to the multitaskers. 2. Be unique: Wrong. The way to get rich is not by launching a new idea but by aggressively copying others and then adding your own twist. 3. Focus on one goal: Wrong. Focus instead on

creating a system to produce the outcome you want, not just once, but over and over again. 4. Appeal to the masses: Wrong. The masses are broke (\$4k average net worth in America?). Let others cut a trail through the jungle so you can peacefully walk in and capitalize on their hard work. By rejecting these defunct rules and following my unconventional path, you can copy other people's ideas shamelessly, bootstrap a start-up with almost no funding, invest in small local businesses for huge payoffs, and reap all the benefits.

You may ask why another book for affiliate marketing now. Good question! I know the importance of passive income for authors in this economic climate; thus, I designed this book to guide you so you can create a new revenue stream. I author this book for a specific audience: freelance writers, including published and indie authors, bloggers, and other content creators because affiliate marketing can be a godsend for them. This book will make affiliate marketing so easy to understand that you can succeed if you apply the knowledge in it.

In today's world, we all are expected to live our lives working for someone else. Working 40+ hours a week at a job you hate, for a boss that is horrible, and wasting your life away for a paycheck. But there is a book that will help you escape the rat race of life and ditch the cubical, assembly line, or dead end job. How to Quit Your Job with Passive Income has been proven to help many people learn the secrets of passive income that only those who are already rich know. This book has been designed to help guide you through the process of being an employee earning a wage, to a business owner with multiple streams of passive income. This book is for people who suffer day-in and day-out in their J.O.B. (Just Over Broke). The passive income ideas in this book you are about to read have been proven to produce long-lasting results. I have already quit my job and you can too! All you have to do to make money with passive income is to keep reading. Each chapter will give new insight as you strive to build your passive income businesses. Get ready for a lifetime of passive income where you have enough money to do the things you want to do without being dependent on anyone for a J.O.B.

This work will reveal why some people work less, earn more, pay less in taxes, and feel more financially secure than others.

Are you having trouble finding any kind of reasonable return for the risk in your investments? Do you stay up at night worrying about your money in the stock market? Does the financial system have you nervous? This informative and easy to read book will introduce you to an investment that will guarantee you returns on the downside, without limiting the upside. In fact, it will show you how to invest once and begin acquiring multiple income producing assets over time from that same initial investment (A Perpetual Passive Income Machine). As an accredited investor, you have more options than most. However, in our current ZIRP environment, getting a reasonable return requires a lot of risk. Investing in

income producing real estate sounds great, but you don't have the time to master it. The Perpetual Passive Income Machine: A Proven 4-Step Process for Putting An Extra Paycheck In Your Pocket Every 30 Days will bust the myth that you can't get good returns for your risk, secured by a valuable real asset. Jim Small is an active real estate broker, Equity Marketing Specialist, holds a designation from the National Council of Exchangers and is an Associate Member of the Institute of Real Estate Management. Jenny, a user of the SANTÉ Realty Investments 10-30 Plan(tm), says, "I now have real professionals working for me and finding the best deals on real estate, taking all the risks, and I get my profit paid monthly." "The explanation of how Wall Street uses funny math when the calculate returns is worth the price of the book alone," says Fred B. In the book, Jim explains his brainchild, the SANTÉ Realty Investments 10-30 Plan(tm). You're About To Discover The #1 Secret To Generate Passive Income Streams With This Step-By-Step Tutorial And Proven Business Models, Ideas

A passive income is any income you earn without actively engaging in work-related activities. However, a passive income is still work. A major misconception on the subject is that you can set up a passive income today and start making money on autopilot tomorrow. That rarely happens. Most passive income streams, especially those whose nature concentrates on the online space, require that you put in the work now so that later, you may stop working full time. That does not mean you will not work at all; you will. All worthwhile passive income streams require some form of maintenance. With that said, it's easy to understand why many people believe that a passive income means no work at all: because well set up passive income streams can require as little as a few hours of maintenance work per week or month to continue generating revenue. Take the example of a well set up blog. If you put in the time now into creating great, search engine friendly, evergreen content—say about 100-200 pieces of genuinely good and valuable content which would take a year or more—in a year or two, you can stop actively working on the website or blog every day. You can monetize the traffic coming to the website through various strategies such as affiliate marketing and advertising so that you can generate an income even as you post once or twice per week—some blogs continue to earn a passive income each month even without any maintenance work. As you can see from the above, setting up an online passive income does not mean not working; it simply means putting in the work upfront so that later, you can work less and still generate an income. This passive income definition is the one we shall use as we work through the steps in this guide. This guide shall discuss, in a systematic manner, proven business models and ideas that when well implemented, shall help you create multiple streams of online passive income. Let's begin. Here's Just A Small Preview Of What You'll Learn...

From the Financial Times's global finance correspondent, the incredible true story of the iconoclastic geeks who defied conventional wisdom and endured Wall Street's scorn to launch the index fund revolution, democratizing investing and saving hundreds of billions of dollars in fees that would have otherwise lined fat cats' pockets. Fifty years ago, the Manhattan Project of money management was quietly assembled in the financial industry's backwaters, unified by the heretical idea that even many of the world's finest investors couldn't beat the market in the long run. The motley crew of nerds--including economist wunderkind Gene Fama, humiliated industry executive Jack Bogle, bull-headed and computer-obsessive John McQuown, and avuncular former WWII submariner Nate Most--succeeded beyond their wildest dreams. Passive investing now accounts for more than \$20 trillion, equal to the entire gross domestic product of the US, and is today a force reshaping markets, finance and even capitalism itself in myriad subtle but pivotal ways. Yet even some fans of index funds and ETFs are growing perturbed that their swelling heft is destabilizing markets, wrecking the investment industry and leading to an unwelcome concentration of power in fewer and fewer hands. In Trillions, Financial Times journalist Robin Wigglesworth unveils the vivid secret history of an invention Wall Street wishes was never created, bringing to life the characters behind its birth, growth, and evolution into a world-conquering phenomenon. This engrossing narrative is essential reading for anyone who wants to understand modern finance--and one of the most pressing financial uncertainties of our time.

Do you want to make money every day? Do you want to make money without having to work for the boss every day? Do you want to enjoy the freedom that comes with being wealthy? The question then is, how? Welcome to the third part of the "101 Cash Flow Ideas" series by Passive Income Factory. The first two books taught you how to create passive income if you have minimal investment, and how to create assets to protect and increase your capital if you can afford to invest up to \$ 3-5,000 and more. In this third book of the series, we'll be giving you an extensive and in-depth tour of how you can create yourself additional sources of income without having a single dollar of start-up capital, get away completely from the boss and start to work on your own. And this, in turn, will allow you to begin accumulating your first capital and invest it in assets to obtain passive income. In this book you'll find: where to start your way to financial freedom, even if your capital is zero, and you have to spend all the money from working for the boss to live. 25 proven and working strategies "how to get away from the boss" to everyone's taste, from freelance and creating additional income to launching your own small business step-by-step guide on how you can implement each of these proven effective 25 methods immediately some recommendations on how to transform self-employment strategies into passive income sources consistently each strategy include such useful info as steps to success and do's - dont's And much, much more! But there are no "get-rich-quick schemes" going in this book, so consider yourself warned if you are under the impression that these strategies will allow you to get rich in a few months. These strategies are not passive at the outset, and our focus is not on how to make them passive. It's on how to maximize these side hustles and boost your income. Ideas in this book help you learn skills and techniques that can become the basis for your own business(es) and supplemental income resources, that you can use as your capital to invest in increasingly lucrative passive income opportunities. And if you still suffer any doubts or fears about whether you will succeed, then

Thankfully, there are more ways than ever to earn money online. All you need to do is TAKE ACTION! To many it might seem unrealistic, but online income has become a viable source people's income. In fact, there are various people who earn money through the internet and supplement their regular income. In recent times, more and more employees are planning to work from home and there are companies that also encourage this work culture where employees can stay at home and access all the information and handle their work without compromising their personal commitments. With the advent of new age internet technologies, the 9 to 5 work culture is transforming as employers provide more space to their employees. On the other hand, there are people who are quitting their regular jobs and have taken up jobs online where they can earn online income because in some way it allows them to make their own decisions and be their own boss. The author shares a series of tests along with insights from entrepreneurs on how to investigate the viability of a new business idea before trying to launch the business.

Do you want to make money every day? Do you want to make money without having to work every day? Do you want to enjoy the freedom that comes with being wealthy? The question then is, how? And yes, the answer is passive income, what you have certainly heard about. The average person spends his or her life working for money. Some work at a job, others run their own businesses and others do both. They essentially rely on these two sources to earn a living. The kind of income derivable from these sources is called active income. All these persons have to keep working to keep living. It's like driving a car. You have to keep your hands on the steering and your leg on the accelerator for the car to keep moving. You stop exerting yourself, and your cash flow runs dry. Now, nobody wants to be in a position where they can't take a break from work without the fear that their income will take a huge hit. This is what makes the idea of a passive income very attractive. So what exactly is this idea of passive income? Passive income is having your asset do the working while you simply do the earning. It is income received on a regular basis which requires little or no effort on the part of the recipient. With an active income, the asset is the person. You are the goose that lays the egg, whether golden or otherwise. But where passive income is concerned, your initial investment-be it in the form of money or effort-is what keeps the cash flowing. This book seeks to expose you to a variety of ways to generate passive income. From the very familiar ideas of real estate, stock and other conventional income streams to the many novel internet-based ideas, this book gives the reader a basic understanding of these ideas. It also offers nuggets that will help the reader set out and gain a competitive advantage in the market. This manual is the first book in a series by Passive Income Factory on how to build your financial freedom. In this guide you'll discover: 55 various strategies to generate passive income with minimum investment the secret of Warren Buffett's strategy, thanks to which he became one of the richest investors in the World. how to create passive income on the fundamental truth that the sun will always shine how to make up to \$1K/month from your car passively with no investments how to turn public info into a source of income how to get paid just for turning on your computer a bunch of methods to create your first assets with zero investment And many more proven effective ideas to create passive income. Millions, if not billions, of people all over the world, proceed working on their jobs

every day to earn a living. They envy the rich and think that there is no chance to change their lives. They think that investing in assets needs a lot of money and therefore they will never become rich. And they don't even know how wrong they are. But you no longer need to be one of them. This book will reveal to you that there are many methods to create your first asset without any investment. Just click "Add to Cart" and make your first steps to your financial and personal freedom right now!

Starting an online business and becoming financially independent is now a reality for anyone who has a computer and internet access. Of the many different ways to get started doing this, many will provide a good return for your efforts, but unfortunately, many online businesses just do not succeed and that's why many people are starting to think that it's worth while. There are many reasons why some businesses have written books and published them, but they find that there are no buyers. There are many ways to make money online if you have the right customers; the trick is how to get them. There are a few good ways to get started with your website and this book is about the most successful proven strategies that you can use to build a long term business from the internet. Some of the things that work a few years ago are now being replaced by new things. With 3.5 billion people using the internet and another 3 billion people in Africa, India, China and the rest of Asia, there is a limit for new businesses and an unlimited market for you. Now is the perfect time to start the "growth train", but you need to be careful, you need to be there and to be there you need to work (often you get a lot of work). But just doing the work is not guaranteed success; you have to be working in the right way and doing the right thing. Living from a "passive income" is it is said, is a term now used to describe the income that comes from the internet. It is said that passive income is better than in the past because the work is not done and then you get better and better the better fit if you're working with little work involved. In reality, an online business will require ongoing maintenance, that amount needed depends on the site, it's liability and the revenue you're generating. There are many different types of internet businesses ranging from the most common to a different type of business that is totally automated. Some internet businesses are realistic and others are not on the net.

Many people have written about the importance of original intellectual property, such as a book, a novel, a story, a blog post, a film, etc., but not many have written about their product.

The author of the New York Times Bestseller THE \$100 STARTUP, shows how to launch a profitable side hustle in just 27 days. To some, the idea of quitting their day job to start a business is exhilarating. For others, it's terrifying. After all, a job that produces a steady paycheck can be difficult to give up. But in a time when businesses have so little loyalty to employees that the very notion of "job security" has become a punchline, wouldn't it be great to have an additional source of income to fall back on? And wouldn't it be great to make that happen without leaving your day job? Enter the Side Hustle. Based on detailed information from hundreds of case studies, Chris Guillebeau provides a step-by-step guide that anyone can use to create and launch a profitable project in less than a month. Designed for the busy and impatient, this plan will have you generating income immediately, without the risk of throwing yourself head first into the world of entrepreneurship. Whether you just want to make some extra money, or start something that may end up replacing your day job entirely, the side hustle is the new job security. When you generate income from multiple sources, it gives you options, and in today's world, options aren't just nice to have: they're essential. You don't need entrepreneurial experience to launch a profitable side hustle. You don't need a business degree, know how to code, or be an expert marketer. And you certainly don't need employees or investors. With this book as your guide, anyone can learn to build a fast track to freedom.

Read FOR FREE On Kindle Unlimited Discover how to properly invest in real estate and in stocks to earn passive income and live the rest of your life like a king! Wealth accumulation and achieving financial freedom are both directly linked to having multiple streams of passive income. Having multiple passive income streams does not mean that you must start a number of businesses, expect them to grow

and in return provide extra income sources for you. Nor does it mean that you must take on several jobs. Setting up multiple passive income streams can be done most efficiently through investing. However, not all investments are guaranteed to make you money. You could potentially lose all of your hard-earned money and turn out broke. This is why a book like this is so important to have when entering the world of investing. Real estate and stock investments are the most lucrative investments you could make. Choosing the right stocks and properties could make you potentially generate passive income over a lifetime. This not easy to achieve of course, however, it is possible. First of all, you need to realize that the best investment you could ever make is in yourself. Warren Buffet, the greatest investor of all times said this and whether you like it or not, it is true. Reading books, listening to mentors and learning constantly more and more are all investments. These investments are the keys to your success. It is better to spend an entire year just learning rather than walking into the world of investing just like a blind man would walk into a maze. Learn from the lessons of the greatest, you do not need to have the same failures as they had. The majority of the population is always going make investments without having a clue about what they are doing. Investing blindly should not even be called investing. That is pure gambling. You, however, could make a wise decision and prepare yourself for what you have to know! This book is packed with value and high-quality content. The book is not filled with a bunch of nonsense just to make it long and seem "professional" like most of the related books out there. You are not here to know what my grandmother just do cook when I visited her during the summers. You are here to learn useful information that you can apply to your investment career.
