If you want to increase your wealth through investing in property but have absolutely no clue where to start, then keep reading ... Have you ever thought about the huge potential to create wealth through investing in rental properties? Thinking about it and doing it are two different things. You want to invest, but you have no idea where to start? Before you can make a down payment, there is important information that you've got to know. For example, do you know where the best place to find a rental property to invest in is? Do you browse the web or do you go to an auction? And should you look for a property that is in your neighborhood, or should you be searching for an investment in a beachfront property? There are countless questions you need to ask and know the answers to before you can start investing. It isn't as simple as going to the store to buy a loaf of bread. If investing in real estate was that easy, then everyone would be doing it. The first key to unlocking the door to your investment dreams is to create a detailed business plan. You need to understand the secrets to analyze the market so that you land a profitable property. With a clear strategy that has been created by real estate experts, you can get yourself on the property ladder, and start making direct income through rent. Buying the property is only the first step. You have to find tenants and as any successful investor will tell you, you have to retain these tenants. There are numerous options for managing your properties and once you understand the pros and cons to each different management strategy, then you can make a sound choice and start thinking about adding to your property portfolio. In this book, "Rental Property Investing", you will discover: * The 5 easy steps to create a successful business plan * The tax benefits that property investors are entitled to and how to claim them * The 5 principles to succeed as a property investor * The different sources for finding a property and the best one for you * How to see the big picture when analyzing potential properties to add to your portfolio * How to buy a \$0 house * A simple explanation of how to calculate your future expenses * The criteria that you have to use when selecting the right location to invest in * The 3 types of rental management strategies and how to choose the best one for you * How to create an exit strategy and the best time to do it * The 5 stages of finding a tenant And much, much more. Plus as a bonus, you'll also get Flipping Houses to help you learn the shortcuts to making huge profits through flipping houses to become financially independent and live your dream life. In Flipping Houses you'll discover: * The 8 key ways to secure financing * The most important consideration when choosing the right real estate farm area * How to choose who to buy from and why * The 10 places you need to go to locate the very best real estate deals * The secret formulas for profitable home flipping * How to become a killer negotiator, who always makes the best deals * The 7 questions you must ask before hiring a contractor * The techniques to becoming a ruthless closer * How to apply for the most beneficial license every house flipper needs to have And much, much more. There are two traps that most people fall into when they think about property investment. The first is that you have to be rich to do it. The second is that it is so difficult that only very few clever people can become a property investor. Neither of these things is true. There are millions of ordinary people with property portfolios around the world. You can become one of them without studying for years. If you want to discover the secrets to successful rental property investing, then you need this book today!

You've seen the book titles. They start with, "How to," and end with some ridiculous promise of a six-figure income or the word, "from home." Search for 'How to make passive income' in Google and you're blasted by more than seven million results. You can practically feel the swindlers screaming out at you from the screen. Making money on your investments is a powerful draw and ripe for all kinds of scams, scoundrels and shysters. But in the fiction, there's a little truth to be found. The truth that more than a few people have built massive success stories through the four most popular strategies. The truth that many of the strategies can be started in your spare time and require little cash to get started. This book is about that truth. The Passive Income Myth is your opportunity to cut through the B.S. and scams to see how money really can be made in four passive income strategies. I have been involved in every strategy described. Knowing what I have picked up over the last twenty years will save you years of time learning and mistakes made. Each strategy can be read separately or as a part of a complete system to put together true passive income potential. In this book you'll learn: - The exact process I used to make more money on blogging that 81% of bloggers in less than a year (page 46) - 5 simple criteria I use to pick dividend stocks that will create stable cash flow forever (page 88) - The fixed-income investment that is replacing bonds as the safety and income investment (page 122) - Sources of special real estate loans with as little as 3.5% down (page 12) - The step-by-step process to value residential real estate (page 16) - How to invest in real estate without the tenant headaches or even touching a property (page 30) - An investment that has nearly doubled the annual return on stocks over the last 20 years, and has another 20 years to go (page 99)
