A sexy cop with a wicked streak meets the most unlikely of matches when his job lands him on the doorstep of his best friend's little sister in this fan-favorite story by USA TODAY bestselling author Victoria Dahl... With her long ponytail and sparkling green eyes, Tessa Donovan looks more like the girl next door than a businesswoman—or a heartbreaker. Which may explain why Detective Luke Asher barely notices her when he arrives to investigate a break-in at her family's brewery. He's got his own problems—starting with the fact that his partner, Simone, is pregnant and everyone thinks he's the father. Tessa has her hands full, too. Her brother's playboy ways may be threatening the business, and the tension could tear her tight-knit family apart. In fact, the only thing that could unite the Donovan boys is seeing a man come after their “baby” sister. Especially a man like Luke Asher. But Tessa sees past the rumors to the man beneath. He's not who people think he is—and neither is she. Book 1 of Donovan Brothers. A sexy contemporary romance.

Las drogas están por todos lados. Cada vez hay más variedad y presentaciones; también los vendedores son más creativos para

enganchan a los jóvenes. Este libro es una fuente de información indispensable. El lector se “beberá” sus páginas con avidez. De principio a fin quedará atrapado con la historia de los personajes e impactado por los efectos que causan drogas actuales como GHB, rohipnol, éxtasis, PCP, efedrina, ketamina, crack, LSD, cannabis y muchas otras, incluyendo el alcohol. LA DROGA es el principal enemigo social, pero lo es más la ignorancia y la creencia de que lo sabemos todo al respecto. Ha llegado el momento de informarnos, de entender que estamos en guerra y no podemos darnos el lujo de descuidarnos. Seguramente nunca antes has tenido en las manos un libro sobre las drogas tan interesante y útil como éste. Aprovechalo y compártelo.

Now available in paper is Elena Poniatowska's gripping account of the massacre of student protesters by police at the 1968 Olympic Games, which Publishers Weekly claimed "makes the campus killings at Kent State and Jackson State in 1970 pale by comparison."

Vivimos para amar. Por eso nuestros mayores frustraciones secretas provienen del desamor. Este es un documento práctico, honesto, con argumentos desafiantes sobre amor y sexualidad. Proporciona estrategias inteligentes para librarse del maltrato emocional, sanar las heridas secretas e inyectar pasión a las relaciones de pareja. Contiene retos específicos (por separado) para hombres, mujeres, solteros y casados.

¿Qué sucede cuando tres mujeres, abatidas por la traición y la soledad, deciden suicidarse juntas? Ellas han sido lastimadas “en nombre del amor”. Ya no pueden seguir luchando. Traman un complejo plan para acabar con sus vidas. Cuando comprenden que aún tienen posibilidades de sobrevivir, ya es demasiado tarde. MIENTRAS RESPIRE es una novela vertiginosa, estremecedora, cruda, imposible de soltar; cargada de emociones intensas; escrita desde las profundidades del alma. Con ritmo sorpresivo y estilo impecable. Conlleva también un mensaje implícito para evitar el abuso psicológico, la violencia sexual y el maltrato emocional. ¡No puede dejar de leerla!

Uziel no sabe qué carrera profesional estudiar. Se toma un tiempo para pensar y busca un empleo. Se involucra en prácticas de corrupción y termina en la cárcel; viviendo la peor pesadilla de su vida, reflexiona en los errores que cometió y va descubriendo terribles secretos de su pasado. Rodeado de ratas, a punto de morir, sabe que debe tomar una decisión urgente. Ésta es una novela hipnótica, de enigmas y acelerado suspenso. Los protagonistas son jóvenes que planean su futuro y se encuentran con dilemas de importancia vital. Contiene también un análisis de profesiones, indispensable para elegir una carrera o cambiar de empleo, así como diez pruebas fundamentales que nos ayudarán a descubrir nuestras habilidades y talentos. “An epic work of literary creation . . . There could be no greater vindication of the wonders of the lands and people of Latin America than Memory of Fire.” —The Washington Post Eduardo Galeano’s monumental three-volume retelling of the history of the New World begins with Genesis, a vast chain of legends sweeping from the birth of creation to the era of savage colonialism. Through lyrical prose and deep understanding, Galeano (author of the celebrated Open Veins of Latin America) recounts creation myths, pre-Columbian societies, and the brutality of conquest, from the Andes to the Great Plains. Galeano’s project to restore to history “breath, liberty, and the word” unfolds as a unique, powerful work of literature. This daring masterpiece sets the past free, weaving a new kind of history from mythology, silenced voices, and the clash of worlds. Genesis is the first book of the Memory of Fire trilogy, which continues with Faces and Masks and Century of the

Wind.

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the megacartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

A skillfully plotted tale of misdeeds and murder--introducing Inspector Hector Salgado, a detective with a complicated past, a love of cinema . . . and a tendency to violence. Under a hot Barcelona sun, a killer is feeling the heat. When the death of a vulnerable young witness in a case of human trafficking and voodoo causes the normally calm Police Inspector Hector Salgado to beat someone up, he is moved off the project and sent instead to investigate a teenager's fall to his death in one of Barcelona's uptown areas. As Salgado begins to uncover the inconvenient truths behind the city's most powerful families, two seemingly unsolvable cases are set to implode under the hot Barcelona sun.

Drawn from the successful "Basic Spanish Grammar," 6/e, and accompanying career manuals, "The Basic Spanish Series" offer a flexible, concise prologue to Spanish grammar and communication. The series has been enhanced and updated to better address the needs of today's students, pre-professionals, and professionals who need a working knowledge of Spanish. The core text, "Basic Spanish," provides the essential grammatical structures needed for communicating in Spanish. The six worktexts, "Basic Spanish for Getting Along, Basic Spanish for Business and Finance, Basic Spanish for Medical Personnel, Basic Spanish for Law Enforcement, Basic Spanish for Social Services," and "Basic Spanish for Teachers," are communication worktexts that encourage students to use and practice the grammar learned in "Basic Spanish." The worktexts present realistic situations a student will encounter in everyday life when needing to communicate in Spanish as well as a variety of authentic workplace situations likely to be encountered by professionals, with attention to specialized vocabulary of each profession, dialogue completions, role-plays, and realia-based activities. "The Basic Spanish Series" offers flexibility for an array of academic, professional, and adult education settings. "Basic Spanish" can be used independently or with any combination of the six worktexts. "Basic Spanish" combined with "Basic Spanish for Getting Along" is ideal for an Introductory Conversation course, while combining the text with any of the career-specific worktexts serves students, pre-professionals, or professionals who need a working knowledge of the language in a short period of time. A comprehensive supplementspackage enhances the program and offers students and professionals helpful tools for developing their language skills outside of the classroom. "Early introduction of essential communicative concepts" enables students to begin speaking immediately. "Chapter-opening spread" orients and organizes students by previewing the chapter's "Objectives, Structures, and Communication;" highlighting a different Spanish-speaking country, with a profile in English and a map; and providing a legend of icons that indicate additional resources available with the program. "Clear, concise grammar presentation" lists the grammar topic in English and Spanish, followed by explanations in English, language models in Spanish with translations and charts, and "Vamos a practicar" exercises for reinforcement of the material. "Practical vocabulary presentation" contains lists of chapter vocabulary clearly divided into the following categories: Cognates, Verbs, Adjectives, and Other Words and Expressions--all containing translations with the exception of cognates. "Cuanto sabe usted ahora? self-tests" offer

assessment opportunities after every five lessons. Answers on the ClassPrep CD give instructors the option to cover the answers in class or provide students the answers so they can monitor their own progress. "Para escuchar y entender section" reinforces listening through two types of audio exercises "Practica" (grammar exercises) and "Que dicen?" (listening comprehension). "End-of-lesson activity" provides practice of the active vocabulary introduced in each lesson, in the "Palabras y mas palabras" (words and more words), followed by "En estas situaciones," a pair/group activity that encourages students to apply structures and vocabulary learned in the lesson. "Communicative activities" encourage practice of the grammar points through role-plays and group situations.

"Ten detective stories from the early collections *Los viejos asesinos* (see HLAS 48:5205) and *Del tiempo y otros lugares* (see HLAS 44:5193) by an author from Veracruz. The inventive translation won the Eugene M. Kayden National Translation Award in 1994. Includes original Spanish text. Without introduction"--Handbook of Latin American Studies, v. 58.

"This sequel to *Breaking Through* and *The Circuit* again brings to the forefront the daily trials of poor immigrant families . . . compelling and honest."—School Library Journal From the perspective of the young adult he was then, Francisco Jiménez describes the challenges he faced in his efforts to continue his education. During his college years, the very family solidarity that allowed Francisco to survive as a child is tested. Not only must he leave his family behind when he goes to Santa Clara University, but while Francisco is there, his father abandons the family and returns to Mexico. This is the story of how Francisco coped with poverty, with his guilt over leaving his family financially strapped, with his self-doubt about succeeding academically, and with separation. Once again his telling is honest, true, and inspiring A Smithsonian Magazine Best Book of the Year "Rooted in the past, Jiménez's story is also about the continuing struggle to make it in America, not only for immigrant kids but also for those in poor families. Never melodramatic or self-important, the spare episodes will draw readers with the quiet daily detail of work, anger, sorrow, and hope."—Booklist (starred review) "In this eloquent, transfixing account, Jiménez again achieves a masterful addition to the literature of the memoir."—Smithsonian Magazine "No one who reads these life stories will forget them. Jiménez reaches out to let us walk in his shoes, feel his pain and pride, joy and sorrow, regrets and hope."—Sacramento Bee

Communities in rural America are a complex mixture of peoples and cultures, ranging from miners who have been laid off in West Virginia, to Laotian immigrants relocating in Kansas to work at a beef processing plant, to entrepreneurs drawing up plans for a world-class ski resort in California's Sierra Nevada. Rural Communities: Legacy and Change uses its unique Community Capitals framework to examine how America's diverse rural communities use their various capitals (natural, cultural, human, social, political, financial, and built) to address the modern challenges that face them. Each chapter opens with a case study of a community facing a particular challenge, and is followed by a comprehensive discussion of sociological concepts to be applied to understanding the case. This narrative, topical approach makes the book accessible and engaging for undergraduate students, while its integrative approach provides them with a framework for understanding rural society based on the concepts and explanations of social science. This fifth edition is updated throughout with 2013 census data and features new and expanded coverage of health and health care, food systems and alternatives, the effects of neoliberalism and globalization on rural communities, as well as an expanded resource and activity section at the end of each chapter.

Readers looking for an enchanting read, a story of overcoming the odds, or a tale of suspense will love this traditional Agatha Christie, who-dun-it mystery, matched and raised by a hint of magic.

Un hombre muere de forma misteriosa; la persona que lo ve agonizar, adquiere, al momento, un nuevo virus sumamente agresivo que ataca su sistema nervioso y le provoca dolores inconcebibles. El enfermo, desesperado y con el anhelo de encontrar una cura, trata de descifrar quien era aquel hombre y qué terribles secretos guardaba. Esta es una historia breve, intensa, ágil, se lee con rapidez; a cualquiera nos puede ocurrir, está basada en hechos reales, con un tema central: el sufrimiento humano y como enfrentarlo.

After he escapes from the dungeon, Thor is horrified to learn of another assassination attempt on King MacGil. When MacGil dies, the kingdom is set into turmoil. As everyone vies for the throne, King's Court is more rife than ever with its family dramas, power struggles, ambitions, jealousy, violence and betrayal. An heir must be chosen from among the children, and the ancient Dynasty Sword, the source of all their power, will have a chance to be wielded by someone new. But all this might be upended: the murder weapon is recovered, and the noose tightens on finding the assassin. Simultaneously, the MacGils face a new threat by the McClouds, who are set to attack again from within the Ring. Thor fights to win back Gwendolyn's love, but there may not be time: he is told to pack up, to prepare with his brothers in arms for The Hundred, a hundred grueling days of hell that all Legion members must survive. The Legion will have to cross the Canyon, beyond the protection of the Ring, into the Wilds, and set sail across the Tartuvian Sea for the Isle of Mist, said to be patrolled by a dragon, for their initiation into manhood. Will they make it back? Will the Ring survive in their absence? And will Thor finally learn the secret of his destiny? With its sophisticated world-building and characterization, A MARCH OF KINGS is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 60,000 words. Book #3 in the series will be published soon.

Claudia Martin, headmistress of a girls' school, has resigned herself to life without love until she meets Joseph, the Marquess of Attingsborough, who is willing to defy convention and break every rule in society to make her his.

THE BASIC SPANISH SERIES, BASIC SPANISH FOR GETTING ALONG, Enhanced Second Edition, is a communication manual designed to serve those who seek basic conversational skills in Spanish by presenting everyday situations that students may encounter when traveling or living in Spanish-speaking countries or when dealing with Spanish-speaking people in the United States. This worktext introduces essential vocabulary and provides students with opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the BASIC SPANISH core text. A love story set in the years after the Mexican revolution.

Volar sobre el pantano es tal vez el libro más fuerte de Carlos Cuauhtemoc Sánchez. El autor describe cómo la maldad y la venganza tratan de atraparnos en su denso fango y cómo, a su vez, cualquiera que esté dispuesto a pagar el precio de triunfar, puede volar a la realización. Es una novela clásica de superación personal. En su nueva versión, el autor moderniza los conceptos, suprime descripciones crudas y pule la redacción y el contenido. Los temas que aborda son: soledad, pandillerismo, violación, alcoholismo, drogadicción, asertividad, embarazo no deseado, adopción, maltrato familiar, incesto, ataques, burlas y otros. Esta versión puede ser leída por todo público, incluso por jóvenes y adolescentes. Conserva el impacto de la original, pero ha sido adecuada para los tiempos modernos. Esta lectura de seguro que enriquecerá su vida.

Discusses the various breeds of dogs, including the origins of the breed, personality, special characteristics, coat, and colors. Drawing on insights from quantum physics, deep ecology, and the new cosmology, they articulate a new vision of liberating action. Hathaway and Boff lay out a path of spiritual renewal, ecological transformation, and authentic liberation.
