The Acts of Paul and Thecla was written around 150 CE when there was a growing body of work attributed to the apostle Paul. Owing to the abrupt beginning of the work it is thought The Acts of Paul and Thecla was part of a larger texts and was extracted to form a stand alone work. Reasons given for its omission from the Bible are numerous. It was thought to have been written after the apostolic age; it gives high and powerful position to women in the faith; it urges women to withhold sex from their husbands and live chaste lives. Within its storyline Thecla seems to eclipse Paul in her courage and commitment to the spread of the Gospel. The text presents an unwavering stance on the virtue of celibacy preached by Paul and amplified by Thecla. In addition, Thecla is presented as a strong willed woman who took it upon herself to preach, teach, heal, and baptize, all without permission or oversight from a man. In the age when canon was being decided, women in positions of leadership within the church was an anomaly, and the idea that a wife could decide her own fate, and even withhold sex from her husband was looked on as heresy and insolence. These were social constraints, which tainted the interpretation of scripture, both then and now. We will examine the true place of women in the Bible and how translators diminished the place and accomplishments of women by mistranslating words and phrases. We will look at the true meaning of many Bible verses as well as the complete text of Paul and Thecla, with an eye toward how women were a driving force in religion and family in the early church. In the end, a more true and just vision of women of the Bible and of ancient times will be revealed.

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

When the world says, "Let your emotions lead you," we as Christ-followers must find a different course, navigating through the minor whirlpools, unpredictable winds, and sometimes ferocious hurricanes. Christ's words and actions guide our ships into deeper waters and beyond to the other shore. This book explores scriptural anchoring points, personality influence, and past experiences to give us a new vision of the weighted tension between letting loose with our feelings or cinching up and ignoring them altogether. As human beings, we are created with emotional dimension, and within Christ, we are called to surrender these feelings, using them in a healthy and biblical way.

En El código del Espíritu Santo Perry Stone comparte sus descubrimientos, ofreciendo una visión y una comprensión más profunda sobre quien es el Espíritu Santo y cómo Él quiere obrar en nosotros y a través de nosotros. Además de revelar la presencia del Espíritu Santo en el Antiguo Testamento, incluye pistas sobre el Día de Pentecostés reveladas en las fiestas hebreas.

Looks at the principles of health, wealth, and prosperity practiced by the Jewish people in the Bible and how to apply these ideas to one's life. The Key of David is a detailed outlay of the fundamental roles each Christian needs to fulfil in being a priest, a prophet and a king. Priesthood has to do with our relationship with God, which is the primary role we carry out. Being a prophet entails receiving revelation from God, and being a king involves ruling and establishing God's kingdom on earth. Living out these three roles in full will enable Christians to fulfil their destinies, and ultimately, the corporate body of Christ will complete God's purpose for it, and God's kingdom will come on earth.

Cancer sucks, death sucks even more. But we humans don't have the power to stop either of them from messing with our lives. They enter our lives whenever and wherever they choose to. Cancer is so common that each one of us have known someone who has dealt with the disease; some of us have lost a loved one to cancer. Common does not always mean simple, and it also does not mean we know everything about it. The diagnosis of cancer, regardless of the disease's curability, is almost always nerve-racking, even for healthcare providers like the main character of this book who is a veteran nurse. This book is written in first person; the subject is a middle aged woman who had been separated from her boyfriend some thirty years ago and then after three decades when she searches for an oncologist for treatment of an aggressive cancer that she was recently diagnosed, she finds her ex-boyfriend's name and decides to see him. That brings back the memory of their past together, and she starts going through her old diary she had written some thirty years in the past. Part of the story is set in Nepal (from the diary) and the other part is set in the USA ( this takes place after her cancer diagnosis). The main character of the story was born with 'Manglik' cosmic influencer, meaning that the planet Mars "mangal Graha" was in such position in the solar system at the time of her birth that it would have strong negative effect on her husband if she married a man who was non-Manlik (a person born at the time when the planet Mars was not in such position.) What happens next changes the lives of the main characters.

Once well beyond the chance of a fire glimmer he arose to his feet and quickly regained his own camp. This was exactly on the opposite side of the circle. The four men with whom he shared his tiny cotton tent, askaris all as beseeemed his dignity, were sound asleep. He squatted on his heels, pushed together the embers of his fire, staring into the coals. His ugly face was as though carved from ebony. Only his wild savage eyes glowed and flashed with a brooding lambent flame; and his wide nostrils slowly expanded and contracted as though with some inner heaving emotion.

This book is not to replace reading the bible. I will give references for you to gain more knowledge and proof of the validity of the Bible. I believe the original words written in the Bible are inerrant. I believe by having an idea of what chapter is going to say, you will be able to easily understand what you are reading in the bible. There are several broad descriptions of the Bible. Augustine discovered that the Old Testament contains the New Testament concealed, while the New Testament contains the Old Testament revealed. The Old Testament is the story of a nation. The New Testament is the story of a man. The Bible is unique in that it contains 8,362 predictive verses with 1,817 predictions concerning 737 separate matters. Our Messiah, Jesus, fulfilled over 300 predictions. Prophecies are important in proving the authenticity of the Bible along with the Bible's integrated design, which is proven mathematically, microcode and macrocodes.

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

This is not just a book just to be READ - it is a book to be SAID! "Death and life are in the power of the tongue, and they who indulge in it shall eat the fruit of it [for death or life]." Proverbs 18:21 If I could hand you a key that is guaranteed to change your life and circumstances; a principle that places the supernatural power of God on tap for every situation in your life and ministry, would you want to know what it is? Sometimes people shroud the simplicity of the gospel in a mess of religious rhetoric and theological confusion. Thankfully the Scriptures make plain and simple how we are to engage with God and receive and release His transforming power consistently in our everyday lives. In this practical Spirit-filled series of books, pastor and Bible teacher, David Lee Martin, unpacks the amazing truth concerning the power of the words that you speak, and shows clearly how you can apply this truth to change your world, and the world of those around you. This Edition: COLOSSIANS The book of Colossians is a book of putting off the old, and putting on the new. The truths you are about to declare will uproot all that hinders you in your walk with God and with others, and firmly establish your present and true identity in Christ. Take the words on the following pages, salt them with your own thanksgiving, and let God's love and grace touch the very depths of your being. The Benefits of Applying the Word As with several of my other books, this one is intended to be applied. It's words and message are impotent if they are not vigorously acted upon. The 'His Word My Word' series of books take eternal truth and shape it for application right here and now! This series of books will train your tongue by planting the Word in your heart, and harnessing your testimony (the confession of your mouth) with the law of liberty - the perfect Word of our Father. Just a few the benefits you can expect as you act on what you read, and become a doer of the work include: -It renews the mind, building into your consciousness and expectation new truths to live by. -It moulds your vocabulary, harnessing your tongue to speak only those things God (and you) desire for your life. -It conforms your thoughts and words to His thoughts and Words. -It gives expression to the mind of Christ in any and all situations. -It raises our perspective from earthly to heavenly, from below circumstances to above them. -It banishes wrong thinking and emotions, replacing them with God's own thoughts - our emotions will always follow our thinking, and our thinking will follow the deposit in our heart, and the words of our mouths. -It gives you an actionable principle you can apply to combat any adversity you face with confidence. -It establishes Godly boundaries in your life. -It overcomes the devil's plans and purposes because you are never in agreement with him, and they cannot be established. -It develops new pictures of ourselves, ones that are shaped by God's unchanging love for us. -It equips us with the necessary weapons for the Holy Spirit to bring to our remembrance what is needed to overcome, any time our mind, body or spirit come under attack. -It brings every thought into captivity and conformity to Christ, resulting in increased spiritual authority in the spirit realm and in relationships and ministry. -It is health to our flesh and strength to our bones. There are many more wonderful benefits that flow from disciplining ourselves to speak the Word only, but I

am sure that you already you agree, any investment we need to make putting this into practice is far outweighed by the promised returns. It is truly life changing, and a spiritual principle that will stand the test of time and every challenge that is thrown at it. The Minor Prophets were the courageous and true spokesmen for God during the time of the great Assyrian, Babylonian, and Persian empires. Joel's prophecy appears to be the first of all the books of prophecy, and Malachi the last. They are called Minor Prophets because they are shorter in length than the Major Prophets. However, their writings are no less important. We will look at the prophets in their chronological order. Joel, Jonah, Amos, Hosea, and Micah prophesied during the Divided Kingdom. Nahum, Zephaniah, Habakkuk, and Obadiah were prophets in Judah before the Babylonian Exile. Haggai, Zechariah, and Malachi prophesied after the return to Jerusalem from the exile. Jonah of Israel and Nahum of Judah prophesied against the city of Nineveh in Assyria. "Before the time of Christ these twelve books were joined together to make one scroll known collectively as "The Twelve."

In a small wooded lot a busy woman stumbles upon a strange doll the neighbors possibly left. She attempts to reveal who brought the toy to her home, but she uncovers no real leads. Then when a letter turns up asking her to give the doll away as soon as possible, she ends up on the edge of reason as the doll is in the midst of being reclaimed by someone. The doll although small and cuddly resembles a somewhat black entity similar to a doll she keeps in her home, but when a nearby psychic and fortune teller comes to her home asking her to give up the doll to keep her sanity, but she refuses. The stuffed animal then turns out to be more than she bargained for when the bear starts to grow a tail and red eyes. When she discovers those details, she desperately tries to send it away to a pawn shop owner, but the next day he ends up dead, and a new feeling that the stuffed bear may not be what she considered a stuffed cuddly toy anymore. The story focuses on the character of Mary, and the stuffed bear that she suddenly inherits when the doll is left on her doorstep. She finds that although the stuffed bear did have an owner, he ended up in a mental institution, and the bear was simply left behind, either by someone else or the bear itself. She doesn't want to come to the terms that it could have ended up on her doorstep, by itself, but when the tale that the previous owner claimed is finally revealed, she desperately searches for an answer to the horror of Truggle.

Perry Stone's most important prophetic book yet. If you look throughout the pages of history, you can see patterns and rhythms that have guided important events since biblical times. Sometimes these events flow in cyclical patterns and illumination for the future is encoded in them. Through divine wisdom we can imagine the future and see what is coming based on what has occurred. In this dynamic exposé Stone taps into many of these patterns, providing a clear, biblical explanation of how they work and what it means for America, the future, and for you. You will discover: Three way of counting time in God's cosmic calendar Visions and dreams concerning America's future events Amazing prophetic patterns of American presidents and world leaders America's fall, what you need to do to prepare, and much more! Sons of The Resurrection: The Jump to Light Speed and the Realm Eternal, by Billy Arnett, a scripturally, accurate, fictional account of future events in the Kingdom of God and the transformation of the seven churches, becoming superhuman, immortal, Sons of God... the Sons of The Resurrection. Assisted by the NineChoirs, the Holy angels of God, they face Satan, the powers of darkness, and war torn planet earth on their journey. Warriors and worshipers, they make the ride of a thousand lifetimes, back to earth from the Wedding Feast, the Marriage Supper of The Lamb, with the Captain of the Lord's Host, the King of Kings, and the Lord of Lords and the armies of heaven. They have been chosen to rule over the nations with a rod of iron during the One Day, a day with no night. Each of the seven sons have their own strengths and weaknesses, attributes that distinguish them from one another, pointed out by Christ himself in the letters to the seven churches, in the Book of Revelation. These writings tell biblically accurate, yet, fictional accounts of their walk on the narrow path to paradise. There they find a city of pure gold and the supernatural abilities afforded them by God through the chemistry of their new glorified bodies with a chemical base of light, instead of water. The transformation, the ride, and the reward bring them to a place of equality with the NineChoirs. After having been made a little lower than the angels, they are now joint heirs with the Son of God, Jesus Christ, and are given the right to sit with Him in his throne as Sons of The Resurrection.

It's time to rethink what you know about the Holy Spirit. When one of the head rabbis in Jerusalem told Perry Stone that, according to a Jewish tradition, on the Day of Atonement the high priest spoke in a supernatural "language of God," his interest was piqued, and his heart set out on a journey to discover lesser known details and insights concerning the Holy Spirit. In The Code of the Holy Spirit Stone shares his discoveries, providing a unique view of the Holy Spirit through the lens of Old Testament writings and Jewish tradition. In addition to revealing the Holy Spirit's presence throughout the Old Testament--including clues revealed in the Hebrew feasts about the Day of Pentecost--Stone answers questions such as: · What is the chemistry of the anointing? · What is the significance of the wind and the Holy Spirit? · What is the code concealed in the menorah? · Can a believer blaspheme the Holy Spirit? Whether you've been taught a doctrine, embarked on your own study of Scripture, observed others operating under the Holy Spirit's power, or had a personal life-changing experience, this insightful book will give you a deeper understanding of this member of the Godhead than you've ever had before.

Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farmlife routine. It is the story of a courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O'Boyle, an embittered riverfront laborer, who blames the world for his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon, Judge "Pappy" Hadden, and Cap'n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real.

Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

We all are faced with daily choices and decisions that impact our time and ultimately our life. It is the small decisions we make day in and day out that determine who we really are. The large decisions may scream for attention yet they are just the result of all the small decisions we have made or avoid making that brought us to that point in life. The decision to make the study of the Bible a part of a person's life is in many ways one of the small choices we make every day. It takes a few minutes of our time. It takes a small amount of commitment. It requires very little real effort and yet it seems so difficult for so many people to include the Word of God in their daily lives. THE STORY UNFOLDS is designed to help the individual as they make a personal journey through the Word of God. Designed as a companion to *The Story* published by Zonderan. THE STORY UNFOLDS looks at the world from two distinct and important points of views. THE STORY UNFOLDS looks at the world from God's point of view. As the creator and the adult in the garden it examines his role in the development and ultimately the redemption of mankind. The second view is from the perspective of humanity. They often are like disobedient children unwilling to listen but who want everything given to them anyway. In the end their redemption hinges on their willingness to accept God's direction and plans for their lives. *The Story Unfolds* is a must read for anyone seeking to understand the Bible and the reason God has done so much to reach out to help his creation find their way back to his original plan for them. Each person needs to be able to answer three simple questions that God first asked in the garden to Eve and Adam. THE STORY UNFOLDS will help you discover the answer to these three questions and give you the opportunity to discover the living God who has revealed himself from his word. Bob Highlands III
