As for God, His way is perfect; The word of the LORD is proven; He is a shield to all who trust in Him. For who is God, except the LORD? And who is a rock, except our God? It is God who arms me with strength, And makes my way perfect. He makes my feet like the feet of deer, And sets me on my high places. He teaches my hands to make war, So that my arms can bend a bow of bronze. You have also given me the shield of Your salvation; Your right hand has held me up, Your gentleness has made me great. Psalm 18:30-35 The book is the compilation of what we consider to be some of the best chapters in the many different books that we wrote.

When we stay true to our covenant with God, we can be sure that no matter what storms come in life, it is God's everlasting covenant of peace that will bring us through victoriously and sustain us.

In this study of the rabbinic heretics who believed in "Two Powers in Heaven," Alan Segal explores some relationships between rabbinic Judaism, Merkabah mysticism, and early Christianity. "Two Powers in Heaven" was a very early category of heresy. It was one of the basic categories by which the rabbis perceived the new phenomenon of Christianity and one of the central issues over which Judaism and Christianity separated. Segal reconstructs the development of the heresy through prudent dating of the stages of the rabbinic traditions. The basic heresy involved interpreting scripture to say that a principal angelic or hypostatic manifestation in heaven was equivalent to God. The earliest heretics believed in two complementary powers in heaven, while later heretics believed in two opposing powers in heaven. Segal stresses the importance of perceiving the relevance of rabbinic material for solving traditional problems of New Testament and gnostic scholarship, and at the same time maintains the necessity of reading those literatures for dating rabbinic material. Please note that "Two Powers in Heaven" was previously published by Brill in hardback, ISBN 90 04 05453 7 (no longer available).

Something ominous is coming upon the world: it is Satan's final effort in the battle to destroy the image that man was created in, which has been raging since the beginning of time. If Satan can destroy the image, then he can avert his own destruction. The prophecy of Genesis 3:15 states the serpent will one day mix his seed with humanity as a counterfeit of the Messiah. Jesus told us that the last days will be like the days of Noah when fallen angels mixed their seed with humanity. In the Book of Daniel we read that "they" will again mingle with the seed of men. How so? Satan will use man's desire to be his own god to deceive him into believing the ultimate lie - that his fallen messengers are both the creators and saviors of man. He will not do this openly but will deceive mankind through demons which are masquerading as "aliens" who are spreading the message that the inhabitants of the earth can evolve to be like them and obtain transcendent powers. Finally, the seed of the Serpent will come; he will be a man who will be greater than his fellows, who will understand sinister schemes and shall rise up and become the Antichrist. That day of fulfillment is nearly upon us!

Most famous as a literary artist, Vladimir Nabokov was also a professional biologist and a lifelong student of science. By exploring the refractions of physics, psychology, and biology within his art and thought, *The Quill and the Scalpel: Nabokov's Art and the Worlds of Science*, by Stephen H. Blackwell, demonstrates how aesthetic sensibilities contributed to Nabokov's scientific work, and how his scientific passions shape, inform, and permeate his fictions. Nabokov's attention to holistic study and inductive empirical work gradually reinforced his underlying suspicion of mechanistic explanations of nature. He perceived chilling parallels between the overconfidence of scientific progress and the dogmatic certainty of the Soviet regime. His scientific work and his artistic transfigurations of science underscore the limitations of human knowledge as a defining element of life. In provocative novels like *Lolita*, *Pale Fire*, *The Gift*, *Invitation of a Small Creature*, and others, Nabokov advances a surprisingly modest epistemology, urging skepticism toward all portrayals of nature, artistic and scientific. Simultaneously, he challenges his readers to recognize in the arts a vital branch of human discovery, one that both complements and informs traditional scientific research.

This study takes five of the Grimm brothers' best-known tales and argues that the Grimms saw them as Christian fables. The author examines the arguments of previous interpreters of the tales, and demonstrates how they missed the Grimms' intention.

Understanding the Dreams You Dream: Biblical Keys for Hearing God's Voice in the Night not only provides insight into your dreams and life, but also includes a comprehensive dictionary of dream symbols!

You will be guided through the complex world of dreams by a minister with decades of experience receiving, understanding, and interpreting dreams of his own and for others. I have received many helpful messages from God through dreams. In addition to being helped through my own dreams, I have seen many other people obtain help and comfort by using their dreams as an aid to healing in pastoral counseling. –Ira Milligan Through Scripture-based meditation, much can be understood about your dreams, but many Christians don't know how to meditate. This problem is addressed in three different ways: • Specific, detailed directions are given on how and upon what to meditate. • Personal examples of dreams from the author's own experiences. • Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition, which is incorrect. And you will learn how to tell the difference between a dream from God—and those from evil sources.

In this fresh approach to Christian spirituality, John Driver shows that the spirituality of the disciples and the early Christian church included every dimension of life. Grounded in the example of Jesus himself, this holistic approach to spirituality finds expression in the visible witness of the Christian community, and in the daily lives of faithful Christians who seek to embody Christ's presence in the world in service to others. This approach to Christian spirituality was recovered in a remarkable way by the radical reformers of the sixteenth century - the Anabaptists - and it continues to find expression among a wide variety of Christian groups around the world today. Life Together in the Spirit will inspire, challenge, and encourage you to experience the presence of the Spirit in all of its dimensions. This edition, revised and expanded with responses and reflections from church leaders and scholars around the world, is the seventh publication in the "Global Anabaptist-Mennonite Shelf of Literature," an initiative of Mennonite World Conference. Contributors include Mvwala C. Katshinga (Democratic Republic of Congo), Christina Asheervadam (India), Rafael Zaracho (Paraguay), Hermann Woelke (Uruguay), Paulus Pan (Taiwan), Patricia Urueña (Colombia), and Nellie Mlotshwa (Zimbabwe).

Beggars...Outcasts...Homeless Such were the forgotten, uneducated children in China when the Spirit of God fell upon their humble orphanage, the Adullam Home. The boys spent days in powerful meetings, praying and praising God. Under the anointing of the Holy Spirit, they prophesied, saw visions, and discovered: Angels...how they operate and protect us Unbelievers...and their fate Heavenly occupations...what our jobs will be Paradise...revealed through the eyes of children The throne of God...experiencing true worship Death...what happens when we die Demons...and their evil works This mighty outpouring was a fulfillment of God's promise: "And it shall come to pass in the last days, saith God, I will pour out of My Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions." Acts 2:17

"I am quite sure that many of the Lord's people are none too clear upon the different aspects of the Holy Spirit's Presence and ministry in the life of the believer, and that there is a good deal of confusion; that terms become mixed and there is not clear discernment of the specific significance of each term used in the Word of God. I mean the fact that we hear of those in the New Testament who were baptised with the Spirit, and filled with the Spirit, and sealed by the Spirit, and anointed; and it is important that we should be able to discriminate on these matters. It is not my intention to lead you out in such a discrimination that may come itself as we go on. What I am concerned and occupied with is the anointing as representing some particular aspect of the Holy Spirit's presence and work." T. Austin-Sparks
