

Peter Tan The Anointing Of The Holyspirit

This biography of Alfred the Great, king of the West Saxons (871-899), combines a sensitive reading of the primary sources with a careful evaluation of the most recent scholarly research on the history and archaeology of ninth-century England. Alfred emerges from the pages of this biography as a great warlord, an effective and inventive ruler, and a passionate scholar whose piety and intellectual curiosity led him to sponsor a cultural and spiritual renaissance. Alfred's victories on the battlefield and his sweeping administrative innovations not only preserved his native Wessex from viking conquest, but began the process of political consolidation that would culminate in the creation of the kingdom of England. Alfred the Great: War, Kingship and Culture in Anglo-Saxon England strips away the varnish of later interpretations to recover the historical Alfred pragmatic, generous, brutal, pious, scholarly within the context of his own age. Includes Practical hints to teachers by Rev. A.F. Schauffler.

His Eminence Robert Cardinal Sarah, prefect of the Congregation for Divine Worship and the Discipline of the Sacraments, recently commented on the fire at Notre Dame cathedral. He said, "the Church is only of interest because she allows us to encounter Jesus. She is only legitimate because she passes on Revelation to us. When the Church becomes overburdened with human structures, it obstructs the light of God shining out in her and through her. The Church should be like a cathedral. Everything in Her should sing to the glory of God. She must unceasingly direct our gaze toward him, like the spire of Notre-Dame pointed toward heaven." Encounter Jesus! Transforming Catholic Culture in Crisis is a call to rebuild a Catholic culture that has wandered from her spiritual root system. In the West and the United States, the light that shined, starting in the Acts of the Apostles, has become dim and in some places extinguished. The specifics to what apostolic spirituality embodies will convict, challenge, and call the clergy, consecrated religious, and laity to take seriously what it means to be a catholic Christian. Just as architects design the rebuilding of the Notre Dame Cathedral, may this book serve as a blueprint for transformation in the culture of the church.

This is the story of the kids who built a world-class church — Heart of God Church started as a divine experiment to build a prototype Youth Church. Now it has developed into a proof of concept that Youths can build a STRONG CHURCH. GenerationS is a mindset-shifting, heart-changing book that shows you how to raise up generations of young people in your church to build His kingdom. After over 20 years, this youth church, operated by youths, for youths to reach youths, still has an average age of 22. "I see a great struggle in the global churches in keeping the young people... At Heart of God Church, things are different. After ministering in the biggest churches and conferences all over the world, what I've witnessed at Heart of God Church is unlike anything I have experienced before. What Heart of God Church has wonderfully modelled for us all should not only be applauded and admired; it should also be reproduced everywhere." – JOHN BEVERE, International bestselling author The Bait of Satan, Co-Founder, Messenger International "On my most recent visit, one of my band was so wowed by the environment of the visual/video tech room – where he saw not just one operator at each station, but three... (This) was so impressive – there was one operator, one trainer and one trainee. These were people in their mid to high teens, some as young as 12 or 13... Considering the amount of responsibility a video/visual team carries in a large service, and

how much specialised technical skill there is to learn... he was amazed. There was a beautiful trust being placed in these young people... and ultimately it's the Jesus model of discipleship.”

The Anointing of the Holy Spirit... Select Notes on the International Sunday School Lessons ...Understanding End Times ProphecyA Comprehensive ApproachMoody Publishers
SHINE FORTH WITH A FLOW OF THE MIRACULOUS! Why would a supernatural God build a supernatural Church and then expect it to function naturally? He wouldn't! God wants the gospel delivered and demonstrated by believers who live in a unique flow of the miraculous. In *Releasing the Miraculous*, author and pastor James Tan shares that the Holy Spirit infilling is really about God outpouring Himself through operations we call the nine gifts of the Spirit. In 1 Corinthians 12:7, the apostle Paul describes these gifts as manifestations of the Spirit, which in the Greek literally means a shining forth! That's God's plan for you—to shine forth with the light of God in the same way electricity manifests in countless ways around you every day. To help you shine forth with Holy Spirit power, James covers... • A practical, scriptural study of each gift • Sharpening your spiritual senses • Yielding yourself to higher operations and leadings of the Spirit • How your flow of tongues is your doorway to a flow of the supernatural • Creating an environment where the gifts flourish No believer is “gift-less”! So yield yourself to the Spirit like never before because heaven is waiting on you to demonstrate the miraculous to the world! Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, *Understanding End Times Prophecy* will help you put together the pieces and see the big picture.

Seng-Kong Tan argues that human participation in the divine—a classical theological axiom most notably associated with the Eastern Orthodox tradition—is a central theme in the theology of Jonathan Edwards. This notion, Tan contends, is a defining motif for the entire systematic sweep of Edwards’s theology, and it serves to focus and determine the contours of Edwards's thought. *Fullness Received and Returned* situates Edwards's theology within the folds of the classical theological tradition, while arguing that Edwards's is a unique and creative form of Reformed theology.
