

Philip Kotler And Gary Armstrong Principles Of Marketing 14th Edition

This accessible overview helps learners master the basic principles and practices of modern marketing in an enjoyable and practical way. Its coverage balances upon three essential pillars—(1) theory and concepts; (2) practices and applications; and (3) effective learning tools. A four-part organization details topics under the headings of: understanding marketing and the marketing management process, assessing opportunities in a dynamic marketing environment, developing marketing strategy and the marketing mix, and extending marketing. For individuals interested in taking an intriguing, discovery-filled journey to the business of marketing—in sales forces, retailing, advertising, research, or any other

For the Principles of Marketing course. Ranked the #1 selling introductory marketing text, Kotler and Armstrong's Principles of Marketing provides an authoritative and practical introduction to marketing. The Tenth Edition is organized around a managing customer relationships framework that is introduced in the first two chapters, and then built upon throughout the book. Real world applications appear in every chapter and every vignette is new or has been updated. The text is complemented by an extensive ancillary package, from all new videos on VHS, online, and DVD to a new Presentation Manager CD-ROM for instructors.

Building an inclusive workplace needs everyone (men included) to act as allies. If you are uncertain about what to do or why it matters, this is the book for you. This practical guide offers real-world insight into delivering the benefits of diversity and inclusion. It will help you: - Spot accidental sexism and the way many under-estimate its impact - Understand male perspectives on diversity and inclusion - Build up men's support as allies for equality of opportunity - Change your behaviour in small ways to make big differences to everyday inclusion - Solve challenges in keys areas such as hiring, promoting and developing the careers of women and other groups that have been traditionally under-represented

The goal of Principles of Marketing, Fifth Edition, is to introduce people to the fascinating world of modern marketing in an innovative, practical and enjoyable way. Like any good marketer, we're out to create more value for you, our customer. We have perused every page, table, figure, fact and example in an effort to make this the best text from which to learn about and teach marketing.
