Turns traffic jams into cramming sessions, for language buffs on the go In the age of multitasking, making the most of one's spare moments is imperative, especially for beginning language students. Fun, lively, and thoroughly engaging, the Language On the Move audio program series is the perfect solution for anyone wanting to learn a language in a limited amount of time. Infinitely more innovative and compelling than other comparative audio titles, this proactive language program features a lively narrator who guides listeners through the course as well as two native speakers who act out an engaging story line that periodically develops through the recording. Vocabulary and key phrases are introduced in manageable bites, while audio language games provide a fun way to test and review. Natural, unscripted conversations are included to attune learners to the speed and cadence at which the language is really spoken.

"A bit like the great movie Toy Story and a bit like the wonderful Kate DiCamillo book The Miraculous Journey of Edward Tulane. This is a great family book." —The Washington Post on Toys Go Out, the companion to Toys Come Home Here is the final book in the highly acclaimed Toys trilogy, which includes the companion books Toys Go Out and Toy Dance Party and chronicles the unforgettable adventures of three brave and loving toys. Fans of the series, as well as newcomers, will happily discover how Lumphy, StingRay, and Plastic came to live with the Girl. In six linked adventures, readers will also learn how the one-eared Sheep became one-eared, watch a cranky toy meet an unfortunate end, and best of all, learn why it's okay for someone you truly love to puke on you. This is perhaps the most charming of three inimitably charming books destined to become classics. A Wall Street Journal Best Children's Book of the Year A Bank Street College of Education Best Children's Book of the Year A Junior Library Guild Selection "A timeless story of adventure and friendship to treasure aloud or independently. Wholly satisfying, this may well leave readers expecting to see the Velveteen Rabbit peeking in the bedroom window and smiling approvingly." —Booklist, Starred "The best talking toy stories since Winnie-the-Pooh." —Kirkus Reviews "A book destined to be read to children at bedtime for decades (nay, centuries?) to come. It is rare that prequels exceed the books they are meant to simply introduce, but this is one of the few." —Betsy Bird, A Fuse #8 Production

A Frequency Dictionary of French is an invaluable tool for all learners of French, providing a list of the 5000 most frequently used words in the language. Based on a 23-million-word corpus of French which includes written and spoken material both from France and overseas, this dictionary provides the user with detailed information for each of the 5000 entries, including English equivalents, a sample sentence, its English translation, usage statistics, and an indication of register variation. Users can access the top 5000 words either through the main frequency listing or through an alphabetical index. Throughout the frequency listing there are thematically-organized lists of the top words from a variety of key topics such as sports, weather, clothing, and family terms. An engaging and highly useful resource, the Frequency Dictionary of French will enable students of all levels to get the most out of their study of French vocabulary. Deryle Lonsdale is Associate Professor in the Linguistics and English Language Department at Brigham Young University (Provo, Utah). Yvon Le Bras is Associate Professor of French and Department Chair of the French and Italian Department at Brigham Young University (Provo, Utah).

A découvrir dans cette deuxième édition revue et augmentée : un CD audio avec l'intégralité des exercices enregistrés représentant près de 6 heures d'enregistrement ; près de 600 exercices dont 59 nouveaux exercices et activités de communication.

**WARNING:** This book contains pretty much every dark theme there is. Not recommended for those with any triggers or sensitivities to violence, dubious and/or absent consent, and deviant sexual acts. Keaton Mara ran away from a life that had become a nightmare to live on the streets. While the location she now calls home is a dangerous place, she is protected by an unlikely friendship. The streets provided her with the education she could've never earned from the prestigious university she attended. Regrettably, the term 'educated fool' becomes a self-fulfilling prophecy. Due to meeting a man with whom she shares a captivating chemistry with, her judgment is clouded, resulting in a fateful decision. The consequence of trusting the prepossessing stranger results in her being stolen away to a place unknown. Her deceptive new surroundings are just as beautiful as the people who reside there. She discovers that it's a place where the culture of sex without limits or morals is their religion. Keaton quickly begins to realize that the beautiful scenery serves to hide a very dark truth. The seductive and enigmatic man who lured her there desires to save her soul. His intentions are sinister, because saving her soul is synonymous with breaking her. Because Keaton believes her soul was brutally stolen from her many years ago, she thinks he can't save (or destroy) something she no longer has. She...was...wrong.

This language program emphasizes the importance of pronouncing French words and phrases so that the speaker can be understood by the French and French Canadians. It presents exercises in sound discrimination and accurate sound creation-for example instructing in pronunciation of French vowel sounds and nasals such as eu and oei, which many English speakers find especially difficult to master. Words and sounds are put into a variety of conversational contexts for students of French to practice and perfect. It provides the added convenience of audio compact discs to replace the old tape cassettes. The book includes the IPA (International Phonetic Alphabet) as a pronunciation guide. Ce qui fait le succès de cet ouvrage de phonétique : Une organisation claire : la leçon sur la page de gauche ; les exercices et les activités communicatives sur la page de droite 46 chapitres présentant les points généralement abordés aux niveaux A2 à B2 du Cadre européen commun de référence pour les langues Un apprentissage progressif : il suit la progression naturelle des méthodes de français Un usage souple : pour la classe ou en auto-apprentissage Une présentation adaptée aux certifications : un entraînement efficace pour mieux réussir aux examens. A découvrir dans cette deuxième édition revue et augmentée : Un CD audio mp3 avec l'intégralité des exercices enregistrés 50 nouveaux exercices et activités de communication. Un livret de corrigés est proposé à part (978-209-038168-9)
