There are many men and women who are waiting for the fulfillment of a God-given promise. Some are waiting with hopes of finding the right person to marry; others are just waiting for a change of some kind. There are plenty of books that address the "how to" of finding the right person, and even some on how to wait "patiently." There are, however, not many books that address the reality of the frustration, anxiety and hopelessness many feel when their time of waiting goes from months to years... until now. In *THOUGH THE VISION TARRY: WAITING FOR MY PROMISED MATE*, Aleathea Dupree demonstrates, through her own powerful testimony, how God desires to use our time of waiting to protect us from making the wrong choices; to prepare us for what He has in store for us; to perfect us to fulfill His purpose and plan for our lives; and to pace us for the fulfillment of His time-released promises. If you have been waiting for God to fulfill a promise in your life and you find yourself becoming anxious or discouraged, this book will empower you to enjoy your wait.
