Individuals are equipped with a wide range of knowledge that enhances their employability, health, family life, and social engagement. On this basis, providing equality for all has been set to be achieved as one of the United Nations sustainable development priorities. However, the international understandings are not only of what equality and inclusivity entail but also the social vision to achieve social justice. Best practices provide a meaningful cross-national discussion with respect to the following

topics: power relations within research, social inequalities in society, science research for social justice, the redefinition of the notion of social justice, education for social justice, spatial justice, the research of gender and marginalized groups, the re-conceptualization of the epistemological foundation of research, hegemonic discourses on research, science technology for social justice and welfare, as well as culture and social justice. This edited book aims to provide a new perspective for other benefits of research because generally, the research carried out only aims to answer scientific problems and often override aspects of humanities. In response to these concerns, the book attempts to re-map the main objectives of the research. The authors in this book offer new perspectives, especially in formulating the purposes of the studies they will perform. Therefore, this book presents a unique review of research with a variety of approaches that are coherent with the state of society in the world, followed by eleven scopes of various cases from a variety of perspectives that highlight theoretical and methodological questions about research and social justice. This book presents outstanding applications through multiple types of approaches that are relevant to the current context of world community issues. The articles in this book will be of interest to undergraduate and graduate students, as well as researchers who are interested in the social field, especially research for social justice.

Barret offers the fruits of his expertise in a thorough, practical introduction that covers it all. In addition to advice on choosing a camcorder and tips on getting the most out of its features, illustrated tutorials explain how to shoot creatively and master techniques such as point-of-view, close-ups, cutaway shots, and effective lighting. Spice up the sound by incorporating audio tracks, and find out how to create special effects. There's even a detailed description of how to set up a fully functional home editing suite.

Buku ini dirancang untuk para guru dan siswa untuk memahami teks bahasa Inggris. Bahan buku ini sesuai dengan isi kurikulum yang sesuai dengan isi materi yang diajarkan di SMP dan SMA dan bahkan di Universitas. Kami merekomendasikan agar para siswa Departemen Bahasa Inggris dapat menggunakan buku ini sehingga mereka dapat menerapkan kemampuan mereka untuk membuat materi bahasa Inggris, menguasai teks bahasa Inggris, meningkatkan kemampuan membuat teks bahasa Inggris serta membuat materi mendengarkan dalam bentuk CD. Ada beberapa poin penting yang perlu diperhatikan sehubungan dengan penggunaan buku ini. Pertama, buku ini dirancang untuk mempraktikkan cara membuat teks bahasa Inggris terutama untuk proses belajar mengajar di Universitas, Sekolah Menengah Atas, atau Sekolah Menengah Pertama. Itulah sebabnya, beberapa contoh teks selalu mengikuti deskripsi konsep sehingga pemahaman tentang konsep teks dapat diperdalam dan diimplementasikan secara praktis. Kedua, beberapa deskripsi dan contoh yang jelas selalu terjadi sehingga pembaca dapat berlatih dan mengimplementasikan konsep materi apa yang baru saja mereka dapatkan. Ketiga, buku ini juga menyajikan cara-cara atau langkah demi langkah untuk membuat materi mendengarkan untuk subjek bahasa Inggris apakah itu dalam bentuk naskah atau materi mendengarkan dalam bentuk compact disk. Perlu dicatat bahwa buku ini tidak menjamin bahwa siswa akan sepenuhnya menguasai kemampuan membuat teks bahasa Inggris, tetapi ketika buku ini digunakan secara efektif, kemampuan siswa dalam bidang ini akan meningkat dengan baik. Untuk para dosen, buku ini dapat berfungsi sebagai sumber untuk memberikan model bagaimana mengajar teks bahasa Inggris, sedangkan untuk peserta didik buku ini dapat memberikan bahan yang baik untuk praktik dalam mengembangkan teks bahasa Inggris dalam berbagai jenis. This book is design for teachers and students to understand English texts. The material of this book is suitable to content of the curriculum in which it suits the content of material taught in Junior High School and Senior High School and even in University. We recommend that the students of English Department can use this book so that they can implement their ability to create English material, mastering English text, improving the ability to make English text as well as making listening material in the form of CD. There are some important points to note in relation to using this book. First, this book is design for practicing how to create English text especially for the sake of teaching learning process in University, Senior High School or Junior High School. That is why, some examples of text always follow the description of the concept so that the understanding about the concept of text can be deepen and practically implemented. Secondly, some clear descriptions and examples always occur so that the reader can practice and implement what concept of the material they just get. Third, this book also presents the ways or the step by step to make listening material for English subject whether it is in the form of manuscript or the listening material in the form of compact disk. It is necessary to note that this book does not guarantee that the students will fully master the ability of making English text, but when this book is used effectively, the students' ability in this field will improve well. For the lecturers, this book may function as a source for giving model how to teach English text, while for the learners this book may provide good materials for practices in developing English text in various types.
