

Planes Usborne Beginners Level 1

Synopsis coming soon.....

Who were the ancient Egyptians? Why did they build pyramids and how were mummies made? These and other questions are answered with vivid, full colour illustrations and photographs on every page, and short, easy to read text. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "No Key Stage 1 classroom should be without the whole set." - The Bookseller

What do sharks like to eat? Which shark glows in the dark? And why do some sharks never stop swimming? Packed with facts about nature's greatest predators and illustrated with full-colour photographs, this book is specially written for children who are just beginning to read alone. Includes links to recommended websites to find out more. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "Excellent for helping children to learn to use books for research. Short chunks of text and plenty of pictures make these books really fun to read." - Parents in Touch

This book explains, in simple language and with clear illustrations, what the climate is, and how it is changing very rapidly at the moment, and the effects this is having on our planet. It tackles suggestions about what needs to change in the way people live, from power stations to farming, and explains why it's so difficult to do. Along the way, it also talks about what individuals can do, including tips on how to keep a clear head and not get overwhelmed by bad news. Part of the award-winning 'for Beginners' series, which includes Politics for Beginners, Business for Beginners and Money for Beginners. Full-colour illustrations throughout, combining diagrams and graphs with humorous comic strips. Created in collaboration with Steve Smith, head of Climate Science at the UK government's Dept of Business, Energy and Industrial Strategy, also a fellow at Oxford University.

A word book that lets you listen to 12 French words, spoken by a native speaker. Simply take one of the 1 cards (each features 12 words) out of the envelope and slot it in as instructed. Press 'go' and then press each of the pictures to hear how the word is pronounced. Contains 12 words, spoken by a native French speaker. For preschool children learning French as either a first or second language.

A much-loved favourite, telling the story of a talking, boot-wearing cat whose wily ways take his master on an exciting adventure, encountering an ogre, a king, and a princess along the way. Part of Young Reading Series 1 for children just starting to read alone. "Irresistible for children learning to read." - Child Education Plus

Travel through history and reach new heights with this breath-taking children's reference book, all about jets, planes, and other sensational flying machines. Hop aboard the agile blackbird spy plane as you become a pilot for the secret service, perform loops and flips in the streamlined stunt plane, and compete against the best of the best in the magnificent microlight plane, in this informative children's reference book. Touch the skies and discover all about the different features of these aerodynamic aircrafts, and what makes them so exciting. With fascinating facts, and beautiful, close-up photography, this children's book brings these wonderful flying machines to life, and captivates and inspires its young readers. Did you know that some jumbo jets can carry up to 660 passengers? Or that the blades on a chinook helicopter spin at around 225 times per minute? There are thousands and thousands of winged machines in the world, both past and present, so there is plenty to explore in this kid's plane book. Whether they are budding pilots, or airplane enthusiasts, this reference book is perfect for young readers with an appetite for information all about planes, jets, and other magnificent machines that defy gravity.
