Everyone's heard about bullet journaling, but getting started is not always easy. Our bullet journal comes with monthly and weekly spreads along with plenty of room to add your own content! Annual Planner - the whole year at a glance! Log your new year's resolutions or what you'd like to accomplish this year - moving to a new place, finding a new job, travelling more, or reading new book! The possibilities are endless. Goal checklist - plan your month ahead. What are your plans? Quickly jot down your monthly plan. Habit Tracker - at the beginning of each month you get a habit tracker along with your goal checklist. Here you can easily track anything you'd like. Think supplements you want to take, walking 5000 steps a day, period tracking, catching up with friends etc. Use color coding to easily track your habits. At the end of the month you'll see how you improved and where it could've gone better. And it's so easy! Weekly Planner - the weekly spread helps keep you organized and have a bird-eye view of the week ahead. Each day has its own goals list where you can fill it out with To-do's, thoughts or plans. After the weekly planner you get an empty dotted page to fill in with your own spreads. When in doubt, you can just doodle something! At the end of the month use the Brain Dump Spread to assess the month that just passed. Let go of things that no longer serves you. Along with the brain dump we included a 20 Point Checklist. This is provided to help you write down all the things you're proud you did in the past month. Think of it as a gratitude page. Well done! :) The bullet journal for beginners is here to help you get started with journaling. While providing different spreads, it also lets you make it your own with the blank dotted pages available. Get your own and discover planning is easy and fun! And dare we say, quite addictive :).

The World Report on Disability suggests more than a billion people totally experience disability. They generally have poorer health, lower education and fewer economic opportunities and higher rates of poverty than people without disabilities. This report provides the best available evidence about what works to overcome barriers to better care and services.

A fully updated version of the highly successful Advanced grammar in use - extra practice is also available on a new interactive CD-ROM to accompany the book. This is the edition with answers.

Over the course of his career, George Orwell wrote about many things, but no matter what he wrote the goal was to get at the fundamental truths of the world. He had no place for dissemblers, liars, conmen, or frauds, and he made his feelings well-known. In Orwell on Truth, excerpts from across Orwell's career show how his writing and worldview developed over the decades, profoundly shaped by his experiences in the Spanish Civil War, and further by World War II and the rise of totalitarian states. In a world that seems increasingly like one of Orwell's dystopias, a willingness to speak truth to power is more important than ever. With Orwell on Truth, readers get a collection of both powerful quotes and the context for them.

NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In The Power of Habit, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, The Power of Habit contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author "Sharp, provocative, and useful."—Jim Collins "Few [books] become essential manuals for business and living. The Power of Habit is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good."—Financial Times "A flat-out great read."—David Allen, bestselling author of Getting Things Done: The Art of Stress-Free Productivity "You'll never look at yourself, your organization, or your world quite the same way."—Daniel H. Pink, bestselling author of Drive and A Whole New Mind "Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change."—The New York Times Book Review

Marketing has changed forever—this is what comes next Marketing 4.0: Moving from Traditional to Digital is the much-needed handbook for next-generation marketing. Written by the world's leading marketing authorities, this book helps you navigate the increasingly connected world and changing consumer landscape to reach more customers, more effectively. Today's customers have less time and attention to devote to your brand—and they are surrounded by alternatives every step of the way. You need to stand up, get their attention, and deliver the message they want to hear. This book examines the marketplace's shifting power dynamics, the paradoxes wrought by connectivity, and the increasing sub-culture splintering that will shape tomorrow's consumer; this foundation shows why Marketing 4.0 is becoming imperative for productivity, and this book shows you how to apply it to your brand today. Marketing 4.0 takes advantage of the shifting consumer mood to reach more customers and engage them more fully than ever before. Exploit the changes that are tripping up traditional approaches, and make them an integral part of your methodology. This book gives you the world-class insight you need to make it happen. Discover the new rules of marketing Stand out and create WOW moments Build a loyal and vocal customer base Learn who will shape the future of customer choice Every few years brings a "new" marketing movement, but experienced marketers know that this time its different; it's not just the rules that have changed, it's the customers themselves. Marketing 4.0 provides a solid framework based on a real-world vision of the consumer as they are today, and as they will be tomorrow. Marketing 4.0 gives you the edge you need to reach them more effectively than ever before.

The second edition of the Impact Evaluation in Practice handbook is a comprehensive and accessible introduction to impact evaluation for policy makers and development practitioners. First published in 2011, it has been used widely across the development and academic communities. The book incorporates real-world examples to present practical guidelines for designing and implementing impact evaluations. Readers will gain an understanding of impact evaluations and the best ways to use them to design evidence-based policies and programs. The updated version covers the newest techniques for evaluating programs and includes state-of-the-art implementation advice, as well as an expanded set of examples and case studies that draw on recent development challenges. It also includes new material on research ethics and partnerships to conduct impact evaluation. The handbook is divided into four sections: Part One discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development.

Enrich your magical practice and expand your mind with Llewellyn's 2020 Magical Almanac. For more than twenty-five years, this almanac has provided useful spells, rituals, and ideas that inspire all levels of practitioners to improve their connection to the elements. This year's edition features nearly thirty compelling articles, grouped by element, on magic and yoga, crystal grids, psychic protection, transportation mojo, principles of hermeticism, entropic magic, rituals for personal justice, magic in numbers, pop culture folk saints, and much more. Laws and regulations govern the everyday life of businesses and citizens, and are important tools of public policy. Regulating has never been easy, but the overwhelming pace of technological change and unprecedented interconnectedness of economies has made it a daunting task. The 2018 Regulatory Policy Outlook, the second in the series, maps country efforts to improve regulatory quality in line with the 2012 OECD Recommendation on Regulatory Policy and Governance, and shares good regulatory practices. It provides unique insights into the organisation and institutional settings in countries for designing, enforcing and revising regulations. It also highlights areas of the regulatory cycle that receive too little attention from policy makers. Finally, it identifies areas where countries can invest to improve the quality of laws and regulations and presents innovative approaches to better regulation.

A happier and healthier life is something everyone can achieve. This book shows how to let go of Stress and Anxiety to create a happier and more positive mind. The mind and body are linked, an emotional mind creating stress will eventually cause the body to become sick, and feeding the body constantly with processed foods and high sugar not only causes the body to break down, it also causes the mind to become more anxious and depressed. Depression is now linked to high sugar consumption. Eating nutritious foods and doing some daily exercise will create a healthier body, plus a happier mind. There are chapters dedicated to achieving this by showing the benefits of different exercises, and what foods will give us optimum health. Also chapters on how we can become happier, and how to let go of stress. Learning to let go of stress and worry will give not only give a happier and more positive mind, as we become more positive we also allow more to enter our life. When we focus on problems all we have are problems, but being positive allows us to find solutions, to move forward. A healthy and active lifestyle will give more energy, reduced stress, an increase in overall happiness, giving a healthy mind and body into old age. Most illness and also old age symptoms are a result of lifestyle. Your energy will increase, you will feel good, look great, and embrace all that life has to offer. When we are happy and show our beautiful smile to the world, we look better, sexier, and more youthful, and we will create beautiful memories for tomorrow. You will live each day in health and happiness, Happier and Healthier. Yes, life can be beautiful
