

Plating And Structural Drawing Question Paper

List of members in vols. 1-24, 38-54, 57.

Provides information on the results of the Bureau of Mines Mining Research program.

Announcements for the following year included in some vols.

List of members in each volume.

The full texts of Armed Services and othr Boards of Contract Appeals decisions on contracts appeals.

AnnouncementCollege of EngineeringTechnology NewsFrom the Bureau of Mines, United States Department of the Interior

Oehlert's text is suitable for either a service course for non-statistics graduate students or for statistics majors. Unlike most texts for the one-term grad/upper level course on experimental design, Oehlert's new book offers a superb balance of both analysis and design, presenting three practical themes to students: • when to use various designs • how to analyze the results • how to recognize various design options Also, unlike other older texts, the book is fully oriented toward the use of statistical software in analyzing experiments.
