**Going to a Place Where You Already Are** Bekah Brunstetter,2016-11-14 Is there a heaven? Joe says no; it's all a bunch of hokum. His wife, Roberta, has always claimed to agree. But lately she's beginning to wonder, especially when they find themselves in church a lot, having reached the age when funerals are more frequent than weddings. Their granddaughter, Ellie, doesn't have time in her own busy life to ponder the afterlife. But when mortality confronts them, her grandmother's claim to have gone to heaven and back doesn't sound so crazy after all. With thoughtful storytelling and quiet wit, Brunstetter looks at beginnings, endings--and an enigmatic angel.

**The Island of Dr. Libris** Chris Grabenstein,2015-04-01 Chris Grabenstein, author of the New York Times bestselling *Escape from Mr. Lemoncello's Library* and co-author of the *I Funny* series with James Patterson, celebrates the power of imagination with this action-packed adventure that shows that sometimes the real story starts after you close the book! What if your favorite characters came to life? Billy's spending the summer in a lakeside cabin that belongs to the mysterious Dr. Libris. But something strange is going on. Besides the security cameras everywhere, there's Dr. Libris's private bookcase. Whenever Billy opens the books inside, he can hear sounds coming from the island in the middle of the lake. The clash of swords. The twang of arrows. Sometimes he can even feel the ground shaking. It's almost as if the stories he's reading are coming to life! But that's impossible . . . isn't it? "A wonderful tale. . . This book is like no other I've read. It's a complete original." —James Patterson
