To support the broadening spectrum of project delivery approaches, PMI is offering *A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition* as a bundle with its latest, the *Agile Practice Guide*. The *PMBOK® Guide – Sixth Edition* now contains detailed information about agile; while the *Agile Practice Guide*, created in partnership with Agile Alliance®, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The *PMBOK® Guide – Sixth Edition* – PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled *Approaches for Agile, Iterative and Adaptive Environments*, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge—including discussion of project management business documents—and information on the PMI Talent Triangle™ and the essential skills for success in today's market. *Agile Practice Guide* has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including *A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition*, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

If it's essential to project management... it's in here! The first edition of *The Project Management Answer Book* addressed all the key principles of project management that every project manager needs to know. With a new chapter on scrum agile, updates throughout, and many new PMP® test tips, this new edition builds on that solid foundation. The structure of this update maps closely to the *PMBOK® Guide, Fifth Edition*, and is designed to assist anyone studying for the PMP® and other certification exams. Helpful sections cover:

- Networking and social media tips for PMs, including the best professional organizations, virtual

groups, and podcast resources • The formulas PMs need to know, plus a template to help certification candidates prepare and self-test for their exams • Quick study sheet for the processes covered on the PMP® exam • Key changes in PMBOK® Guide, Fifth Edition, for readers familiar with earlier versions who want “the skinny” on the new version. PMs at every level will find real gold in the information nuggets provided in this new edition. Those new to project management will find the comprehensive coverage and the depth of the answers especially valuable, and will like the easy-to-read style and Q&A format. For experienced managers looking for new tools and skills to help them pass their PMP® or other certification exams, this is a must-have resource.

“Leading companies that are positioning themselves for the future rather than the present are asking the project managers to participate in project selection, scoping, and estimation as well as management. Delivering Exceptional Project Results offers a glimpse into the future role of the project manager.” —Harold Kerzner, Ph.D., Best-selling Author, Professor Emeritus, Baldwin-Wallace College “I really enjoyed reading this book. The chapters, full of valuable insights well beyond the typical project management presentations, are introduced with diverse and engaging historic case examples. Executives will find the latter part of the book particularly valuable as new solutions are offered for those seemingly intractable problems within project portfolio management.” —R. Max Wideman, Fellow PMI, AEW Services and Management Consulting “Delivering Exceptional Project Results is a definite must read for any executive, functional director or project manager. The author clearly demonstrates how to deliver successful products and services by

employing proper project selection, scoping and management techniques. This book provides you with practical, hands-on tools and techniques that can be deployed on your own projects right away.” —Matt Walters, Director of Technology, Tyze Personal Networks This unique “how to” implementation guide unifies project management, portfolio management, and requirements engineering into one proven, comprehensive best practice framework to help organizations deliver exceptional project results on a consistent basis. It explains best practices for assessing project value, categorizing and prioritizing projects, balancing portfolio mix, determining and managing project pipeline throughput capacity, and aligning strategy to maximize results and minimize risks. Delivering Exceptional Project Results transcends differences in the various “types” of project management, such as traditional or agile, and focuses on economic principles, methodologies, skills, tools, and techniques that can be applied successfully at companies in any industry. It also includes six downloadable templates for documenting project charters, plans, meeting minutes, change requests, status reports, and summary/lessons learned reports — available from the Web Added Value™ Download Resource Center at [www.jrosspub.com](http://www.jrosspub.com)
