Arranged according to the date they were written, this anthology contains both famous and lesser known works by Burns. Written in his distinct style, replete with slang and terminology native to his homeland, the poet covers subjects such as love, longing, celebration, politics and emotional expression. Deeply enthralled by the folk history of Scotland, Burns set about finding and collating texts which he used for inspiration; this lifelong effort proved beneficent to both his work, and for the wider recording of Scottish history. To this day, Burns' poem Auld Lang Syne is sung around the world at the moment the New Year arrives, as a celebration of the greathearted attitude to life and its trials the verses promote. Other poems, such as A Man's A Man For A' That, are celebrated for their heartfelt depth of sentiment and lyrical beauty. Known for his staunch views against poverty, which were expressed both in his poems and his letters in standard English, Burns abides as an early source of inspiration for both liberal and democratic socialist movements in the UK. The Scottish traditions of alleviating poverty and ensuring a decent

standard of living is available as widely as possible can be traced back to the indignation of Burns and other, like-minded people of his time at the squalid conditions endured by the poor. Over the years since his death at the age of thirty-seven in 1796, Burns has enjoyed a steady rise in popularity and renown, having inspired countless poets and writers. Today, he is affectionately referred by the monikers such as Rabbie Burns or The Bard of Ayrshire. On statues, in schools and universities, and by many a scholar and Scot, Burns lauded as Scotland's national poet and one of the finest Scotsmen to have ever lived. As mentioned, this book arranges the life work of Burns by year. As such it may be referenced at random, or read sequentially to gain an impression of how the young artist's talents developed. Although Robert Burns died at only thirty-seven, he lived an adventurous, daring life and was a keen critic never shy of expressing his views: many of his poems contain acerbic criticisms of late-18th century society and its politics.

Excerpt from *The Complete Works of Robert Burns: Containing His Poems, Songs, and Correspondence; With a New Life of the Poet, and Notices, Critical and Biographical* I have along with this sent the two volumes of *Ossian*, with the remaining volume of the *Songs*. *Ossian* I am not in such a hurry about; but I wish the *Songs*, with the volume of the *Scotch Poets*, returned as soon as they can conveniently be dispatched. If they are left at Mr. Wilson, the bookseller's shop, Kilmarnock, they will easily reach me. My most respectful compliments to Mr. And Mrs. Laurie; and a Poet's warmest wishes for their happiness to the young ladies particularly the fair musician, whom I think much better qualified than ever David was, or could be, to charm an evil spirit out of a Saul. Indeed, it needs not the feelings of a poet to be interested in the welfare of one of the sweetest scenes of domestic peace and kindred love

No writer is more charismatic than Robert Burns. Wonderfully readable, *The Bard* catches Burns's energy, brilliance, and radicalism as never before. To his international admirers he was a genius, a hero, a warm-hearted friend; yet to the mother of one of his lovers he was a wastrel, to a fellow poet he was "sprung . . . from raking of dung," and to his political enemies a "traitor." Drawing on a surprising number of untapped sources--from rediscovered poetry by Burns to manuscript journals, correspondence, and oratory by his contemporaries--this new biography presents the remarkable life, loves, and struggles of the great poet. Inspired by the American and French Revolutions and molded by the Scottish Enlightenment, Burns was in several senses the first of the major Romantics. With a poet's insight and a shrewd sense of human drama, Robert Crawford outlines how Burns combined a childhood steeped in the peasant song-culture of rural Scotland with a consummate linguistic artistry to become not only the world's most popular love poet but also the controversial master poet of modern democracy. Written with accessible elan and nuanced attention to Burns's poems and letters,

Robert Burns (25 January 1759 - 21 July 1796) (also known as Rabbie Burns, Scotland's favourite son, the Ploughman Poet, Robden of Solway Firth, the Bard of Ayrshire and in Scotland as The Bard) was a Scottish poet and a lyricist. He is widely regarded as the national poet of Scotland and is celebrated worldwide. He is the best known of the poets who have written in the Scots language, although much of his writing is also in English and a light Scots dialect, accessible to an audience beyond Scotland. He also wrote in standard English, and in these his political or civil commentary is often at its bluntest. He is regarded as a pioneer of the Romantic movement, and after his death he became a great source of inspiration to the founders of both liberalism and socialism, and a cultural icon in Scotland and among the Scottish Diaspora around the world. Celebration of his life and work became almost a national charismatic cult during the 19th and 20th centuries, and his influence has long been strong on Scottish literature. As well as making original compositions, Burns also collected folk songs from across Scotland, often revising or adapting them. His poem (and song) "Auld Lang Syne" is often sung at Hogmanay (the last day of the year), and "Scots Wha Hae" served for a long time as an unofficial national anthem of the country. Other poems and songs of Burns that remain well known across the world today include "A Red, Red Rose"; "A Man's A Man for A' That"; "To a Louse"; "To a Mouse"; "The Battle of Sherramuir"; "Tam o' Shanter"; and "Ae Fond Kiss."

This book contains a historical context, where past events or the study and narration of these events are examined. The historical context refers to the circumstances and incidents surrounding an event. This context is formed by everything that, in some way, influences the event when it happens. A fact is always tied to its time: that is, to its time. go to Burns Suppers in January to celebrate his life. This year —2009 — will be the biggest ever, since it's a 250th celebration of his birth. CBC TV is joining with the BBC to produce three one-hour programmes on his life, all written and hosted by Andrew O'Hagan, who is now the authority on Burns. This is because this book, published by Canongate in 2008, has already become a classic, bringing Burns to ordinary readers. Because Burns was on the right side of history, against privilege and rank and for everyone getting a fair chance, he is beloved around the world — in Andrew O'Hagan's words, he is "the world's greatest and most loveable poet."

Today the images of Robert Burns and Abraham Lincoln are recognized worldwide, yet few are aware of the connection between the two. In *Abraham Lincoln and Robert Burns: Connected Lives and Legends*, author Ferenc Morton Szasz reveals how famed Scots poet Robert Burns—and Scotland in general—influenced the life and thought of one of the most beloved and important U.S. presidents and how the legends of the two men became intertwined after their deaths. This is the first extensive work to link the influence, philosophy, and artistry of these two larger-than-life figures. Lacking a major national poet of their own in the early nineteenth century, Americans in the fledgling frontier country ardently adopted the poignant verses and songs of Scotland's Robert Burns. Lincoln, too, was fascinated by Scotland's favorite son and enthusiastically quoted the Scottish bard from his teenage years to the end of his life. Szasz explores the ways in which Burns's portrayal of the foibles of human nature, his scorn for

religious hypocrisy, his plea for nonjudgmental tolerance, and his commitment to social equality helped shape Lincoln's own philosophy of life. The volume also traces how Burns's lyrics helped Lincoln develop his own powerful sense of oratorical rhythm, from his casual anecdotal stories to his major state addresses. *Abraham Lincoln and Robert Burns* connects the poor-farm-boy upbringings, the quasi-deistic religious views, the shared senses of destiny, the extraordinary gifts for words, and the quests for social equality of two respected and beloved world figures. This book is enhanced by twelve illustrations and two appendixes, which include Burns poems Lincoln particularly admired and Lincoln writings especially admired in Scotland.

Scotsman and poet Robert Burns was born in 1796. His family didn't have much in terms of money, but Burns was still optimistic about life and love. His first poems were songs written to his many lovers, though those were not received well by the mistresses. In 1786, Burns' first anthology "Poems, Chiefly in the Scottish Dialect" was released. It contained some of his best works, such as "The Twa Dogs," "To a Mouse, On Turning Up Her Nest With The Plow," and "Address to the Diel." Burns then moved around Scotland and even took up a short residence in Jamaica as a bookkeeper on a plantation. After returning to his native land, Burns settled down in Dumfries and devoted himself to his poems and lyrics. In this phase of his life, Burns became highly invested in collecting and preserving many of the local Scottish hymns and tunes. However, he was also famous for taking his own words and singing them with the

melody of traditional Scottish songs. This is the case for "Auld Lang Syne" and "A Red, Red Rose." His poetry and lyrics are still famous to this day, in large part due to his ability to weave seamlessly between emotions. A staunch supporter of republicanism, Burns was a Scottish patriot and believed in equality of all races, classes, and genders. In 2009, he was voted as the most influential and beloved Scot of all time by the people of Scotland. In this volume of "Selected Poems" you will find a representative selection of his poetry that illustrates why he is widely regarded as Scotland's greatest poet. The Merry Muses of Caledonia is among Burns' best known, but least read, work. This collection of bawdy poems, some written by and some collected by Burns, ranges from celebrations of spirited women in "Ellibanks", to misogyny in "There was twa wives" and male fantasy in "Nine Inch will please a lady". These engaging poems are not lewd or distasteful but possess a great wit and charm. This new edition updates the 1959 printing, which with engaging accompanying material by James Barke and preface by J. De Lancey Ferguson have made this the definitive version, until now. "The Merry Muses" was always intended to be accompanied by music but the 1959 edition was left incomplete due to Barke's premature death. For the first time the book is completed as it was always meant to be with notes to the tunes created with reference to Barke's unpublished papers. "The Luath Merry Muses" edition also includes bonus material with specially commissioned illustrations from top political satirist Bob Dewar and an introduction by Burns scholar Valentina Bold. Ferguson's work is brought up to date
