

## Police Exam Study Book

Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become Freak The Mighty and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

The Police Communications Technician Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: understanding written information; communicating written information to another person; remembering new information; recognizing the existence of a problem; combining separate pieces of information to form a general conclusion; and more.

8 starred reviews · Goodreads Choice Awards Best of the Best · William C. Morris Award Winner · National Book Award Longlist · Printz Honor Book · Coretta Scott King Honor Book · #1 New York Times Bestseller! "Absolutely riveting!" —Jason Reynolds "Stunning." —John Green "This story is necessary. This story is important." —Kirkus (starred review) "Heartbreakingly topical." —Publishers Weekly (starred review) "A marvel of verisimilitude." —Booklist (starred review) "A powerful, in-your-face novel." —Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in Concrete Rose, Angie Thomas's powerful prequel to The Hate U Give.

Updated to reflect recent exams, this manual provides solid test preparation for applicants taking federal, state, and local court officer exams. The authors present study tips, a diagnostic test, and four model exams typical of those currently administered. The exams come with answers to questions and self-diagnostic procedures. New in this edition is a chapter that takes into account the current trend in court systems to rely on oral interviews in the process of selecting court officers. The authors advise on ways to obtain the best score in such an interview.

Peterson's Master the Police Officer Exam: Police Officer Exam Review offers comprehensive review material covering the three types of questions that appear on the written police examination: practice judgment, reading-based, and observation and memory. Readers can find instructions about question topics and also practical suggestions about how to answer these questions. The guide also includes indispensable appendixes that give a comprehensive outline of what to expect once trainees are accepted into the police academy, along with a sample physical fitness course. Peterson's Master the Police Officer Exam helps readers navigate the police application and screening process. For more information see Peterson's Master the Police Officer Exam.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Your ticket to a higher score on the police officer exam Police exams are becoming increasingly difficult to pass, as law enforcement agencies are looking for the most capable officers from the candidate application pool. To help select the most qualified candidate, more than half of the departments and agencies throughout the country are following the current trend of using the National Police Officer Selection Test (POST also referred to as NPOST). Police Officer Exam For Dummies features three POST exams based on the official test, plus one New York City (NYC) exam. If you're a prospective police officer who needs to take the written exam, Police Officer Exam For Dummies gives you all the essential test preparation you need to succeed.

Packed with study advice and test-taking tips, you'll get targeted instruction on everything you can expect on the actual exam. Targeted review in judgment, map reading, memory observation, and recall skills Coverage of all key subject areas 4 full-length practice officer exams with answers and detailed explanations Whether you're taking the local, county, state, or federal agency exam, this guide contains everything you need to score your highest on the exam and realize your dream of becoming a police officer.

Competent state troopers have become increasingly important as homeland security concerns have risen. This complete career-prep explains what state troopers do, how they are chosen, what the exam consists of, and how it is administered. The guide contains six complete practice tests based on the actual exam, with additional instructional chapters and targeted practice on the most commonly tested topics: reading comprehension, writing, information ordering, mathematics, spatial/directional orientation, memory/observation, visualization, problem solving, reasoning, judgment, and sensitivity. The nine-step LearningExpress Test Preparation System helps assure a high score.

"If you want to understand the massive antiracist protests of 2020, put down the navel-gazing books about racial healing and read *America on Fire*." —Robin D. G. Kelley, author of *Freedom Dreams: The Black Radical Imagination* From one of our top historians, a groundbreaking story of policing and "riots" that shatters our understanding of the post-civil rights era. What began in spring 2020 as local protests in response to the killing of George Floyd by Minneapolis police quickly exploded into a massive nationwide movement. Millions of mostly young people defiantly flooded into the nation's streets, demanding an end to police brutality and to the broader, systemic repression of Black people and other people of color. To many observers, the protests appeared to be without precedent in their scale and persistence. Yet, as the acclaimed historian Elizabeth Hinton demonstrates in *America on Fire*, the events of 2020 had clear precursors—and any attempt to understand our current crisis requires a reckoning with the recent past. Even in the aftermath of Donald Trump, many Americans consider the decades since the civil rights movement in the mid-1960s as a story of progress toward greater inclusiveness and equality. Hinton's sweeping narrative uncovers an altogether different history, taking us on a troubling journey from Detroit in 1967 and Miami in 1980 to Los Angeles in 1992 and beyond to chart the persistence of structural racism and one of its primary consequences, the so-called urban riot. Hinton offers a critical corrective: the word riot was nothing less than a racist trope applied to events that can only be properly

understood as rebellions—explosions of collective resistance to an unequal and violent order. As she suggests, if rebellion and the conditions that precipitated it never disappeared, the optimistic story of a post-Jim Crow United States no longer holds. Black rebellion, America on Fire powerfully illustrates, was born in response to poverty and exclusion, but most immediately in reaction to police violence. In 1968, President Lyndon Johnson launched the “War on Crime,” sending militarized police forces into impoverished Black neighborhoods. Facing increasing surveillance and brutality, residents threw rocks and Molotov cocktails at officers, plundered local businesses, and vandalized exploitative institutions. Hinton draws on exclusive sources to uncover a previously hidden geography of violence in smaller American cities, from York, Pennsylvania, to Cairo, Illinois, to Stockton, California. The central lesson from these eruptions—that police violence invariably leads to community violence—continues to escape policymakers, who respond by further criminalizing entire groups instead of addressing underlying socioeconomic causes. The results are the hugely expanded policing and prison regimes that shape the lives of so many Americans today. Presenting a new framework for understanding our nation’s enduring strife, America on Fire is also a warning: rebellions will surely continue unless police are no longer called on to manage the consequences of dismal conditions beyond their control, and until an oppressive system is finally remade on the principles of justice and equality.
