He unleashed the darkness in her...but it might cost them both. Billionaire Braden Black has one hard limit in the bedroom. He doesn't talk about it, and he doesn't engage in it. But when his lover, Skye Manning, begs him for it, he has to face facts—while he may be able to buy her anything, he can't give her this. Though he loves her desperately, he's starting to worry their relationship can't continue. Skye Manning has fallen down the rabbit hole and become captive to her needs. When Braden asks her why she desires something so dark, and she finds she can't respond, she knows she'll have to come up with those answers on her own. She's willing, but she wants something in return—Braden's complete honesty about his past. Because Skye is convinced her needs, his limits...everything is tied to this one secret. Your Escape Into A World of Dark Mysteries & Spicy Romance. Marjorie Steel is still healing from the events of the past year, and she's happy to put her plans to study culinary arts on hold to help her best friend deal with a difficult pregnancy and two recently adopted troubled boys. The fact that Bryce Simpson spends a lot of time at the Steel Ranch is a benefit, and she's ready to see if her attraction to him might be something more. Bryce wants to do a hard day's work on the ranch. Once his muscles give out and he collapses from exhaustion, maybe he'll stop torturing himself over his late father's horrific double life. The Steels have a different idea. They ask Bryce to take an executive position complete with a profit share. As he has a young son and widowed mother to support, it's an offer he can't refuse. The only catch is Marjorie. She's beautiful, smart, feisty, and her kisses set him on fire. But he's an empty shell with nothing to offer her, and she deserves the world. As the sins of his father continue to haunt him, Bryce learns the horrors of the past may not yet be buried.

Bryce Simpson did the only thing he could. He spurned Marjorie Steel. Even though he'll be living on her ranch, he is determined to stay away from her. She's worthy of more than he can even think about giving, especially now that long-buried memories are surfacing and he's learning that his father's sins may go even deeper than he imagined. Bryce's rejection destroys Marjorie, and she descends to a dark place she thought she'd abandoned forever. She emerges stronger, though, and is determined not to let heartbreak rule her life. Change is the answer, she's sure, so she makes plans--plans that include a handsome personal trainer she meets at the gym. When Bryce and Marjorie are thrown together, though, their ravenous hunger for each other takes over, leaving both of them more vulnerable than they realize.

Ryan Steel and Ruby Lee are in love, but before they can move forward with a life together, they're determined to bring resolution to the many unanswered questions they still face. To complicate matters, new threats arise with the arrival of two startling figures from their pasts. As they race against time to find answers, unexpected forces pull them apart. Ryan's brothers, Talon and Jonah, rally to help, wanting to end the

struggle and finally bring the last perpetrators to justice. But another riddle surfaces, deepening the rift between Ruby and Ryan. Will they salvage their relationship and finally unravel the mysteries surrounding them?

Her past is coming back to haunt her. His present is haunting him. Callie Pike always considered herself the plain sister—stuck in the middle between beautiful Rory and vivacious Maddie—so she still can't believe gorgeous perennial bachelor Donny Steel has fallen in love with her. She should be the happiest woman on the planet, and she is...but her nemesis from ten years ago seems intent on destroying her newfound bliss. Donny Steel will do anything to protect his family, even sacrifice his ethics and his own happiness. As much as he loves Callie, he knows he can't be the man she deserves—not until he solves the mysteries of his family's past and finds out who shot his father. Though the two erupt in flames whenever they're together, the secrets they both harbor could destroy any chance for a future together.

Possession Steel Brothers Saga #3 Waterhouse Press

Bradford Steel never believed in fate...until he met the girl of his dreams. As sole heir to the Steel ranch and fortune, Brad knows what his future holds. He'll marry and have children, but he's not cut out for love. Fate has other plans, though, when he meets college freshman Daphne Wade—an innocent and beautiful young woman who loves sunrises, animals, and the color yellow. Daphne is on her own for the first time, and she vows to make the most of every minute. Never again will she fall victim to the anxiety and depression that plagued her through high school. Instead, she'll treasure the joy in even the most mundane and live her life to its fullest. When handsome senior Brad Steel shows an interest in her, she gathers her courage and dives in. Their relationship moves more quickly than either of them expect, and before long, fate blooms into love. Brad is determined to eliminate all the obstacles in their way and protect Daphne. It's a promise he'll ultimately keep...no matter the cost.

Transplantation Gothic is a shadow cultural history of transplantation, as mediated through medical writing, science fiction, life writing and visual arts in a Gothic mode, from the nineteenth-century to the present. The works explore the experience of donor/suppliers, recipients and practitioners, and simultaneously express transfer-related suffering and are complicit in its erasure. Examining texts from Europe, North America and India, the book resists exoticising predatorial tissue economies and considers fantasies of harvest as both product and symbol of structural ruination under neoliberal capitalism. In their efforts to articulate bioengineered hybridity, these works are not only anxious but speculative. The book will be of interest to academics and students researching Gothic studies, science fiction, critical medical humanities and cultural studies of transplantation.

Perhaps some memories are better left buried. Marjorie Steel and Bryce Simpson have finally declared their love for each other, but their chance for happiness is once again yanked out from under them. As Marjorie is forced to confront her demons and find an inner strength to save herself and another, Bryce rushes to solve the puzzles his dead father left behind. An ominous lawyer, twins with a secret, and a premature birth present new obstacles as the two lovers scramble to escape the conundrum and leave their families in peace, all while their desire for each other becomes more and more insatiable. When an unexpected figure from the past emerges, leaving them both thunderstruck, the mystery deepens even further. It's a race for healing. It's a race for

love. And Marjorie and Bryce are determined to have their happy ending. Your Escape Into A World of Dark Mysteries & Spicy Romance. After being left at the altar, Jade Roberts seeks solace at her best friend's ranch on the Colorado western slope. Her humiliation still ripe, she doesn't expect to be attracted to her friend's reticent brother, but when the gorgeous cowboy kisses her, all bets are off. Talon Steel is broken. Having never fully healed from a horrific childhood trauma, he simply exists, taking from women what is offered and giving nothing in return...until Jade Roberts catapults into his life. She is beautiful, sweet, and giving, and his desire for her becomes a craving he fears he'll never be able to satisfy. Passion sizzles between the two lovers...but long-buried secrets haunt them both and may eventually tear them apart.

Like its author, Shattered is “fun, fast, and real” and an intriguing mix of paradoxes. Frank Pastore was a physically awkward kid who became a professional athlete. An okay student who goes on to earn two masters degrees in philosophy. A former atheist who ends up hosting the biggest Christian radio talk show in America. Shattered is part sports book, because you’ll go on road trips, enter clubhouses, and walk on the fields of professional baseball. It’s part romantic novel, because you’ll journey with two young kids who fall in love and eventually elope, evading not only her family, but the law as well—for she was only 16. It’s also a story of brokenness, betrayal, and burn-out. If you were raised in a dysfunctional family, if you’ve ever had your dreams fall apart, been betrayed by close friends, or hit the psychological “wall” in your professional career, this is your book too. But, most of all, this is an uplifting story of how an unpredictable God can surprise any of us with His goodness and love when we allow Him to make beautiful the shattered fragments of our lives.

Harness the power of your subconscious to create a life you desire! The Power of Your Subconscious Mind teaches us how to remove the subconscious obstacles that prevent us from achieving the success we wish for. In this book, bestselling author Joseph Murphy asserts that life events are actually the result of the workings of our conscious and subconscious minds. He suggests practical techniques through which one can change one’s destiny, principally by focusing and redirecting this miraculous energy. In these pages are the ways in which one can unleash the extraordinary mental powers to acquire self-confidence, attain professional success, create wealth, build harmonious relationships, overcome fears, get rid of bad habits and promote overall well-being and happiness. Covering a variety of topics from healing to academia to riches, the author cites numerous compelling examples of the power of our thoughts and beliefs in influencing our reality. When we change our thinking and prepare our subconscious mind, we change our destiny. Joseph Murphy was an American author and New Thought minister, ordained in Divine Science and Religious Science. A popular speaker, Murphy lectured on both American coasts and in Europe, Asia, and South Africa. Murphy is considered one of the pioneering voices of affirmative-thinking philosophy.

He'll do anything for his family... Donovan “Donny” Steel is on a partnership track with a major Denver law firm. He loves his city career and his luxurious downtown loft, and life is going just how he planned it...until his mother, the city attorney for his hometown of Snow Creek, Colorado, asks him to move back and work for her when her assistant retires. Mom asks? Donny goes. Because he'll do anything for the family who took him in twenty-five years ago. The fact that he can pick up where he left off with gorgeous Callie Pike is simply a fringe benefit. Caroline “Callie” Pike was looking forward to finally beginning law school at age twenty-six, but the western slope fire that destroyed most of her family's vineyards put that plan on hold. At least she has Donny Steel's return to look forward to. After she spent an evening with him at a recent party, he hasn't strayed far from her mind. When Donny and Callie meet again, sparks do more than fly. They shoot like rockets to the stars. But their chemistry can't protect them from the emerging mysteries regarding the Steel family's past...or the secret Callie is keeping as well.

His voice entralls her. Her vibrancy awakens him. Ashley White can't wait to begin her internship at Steel Vineyards. As an oenology doctoral candidate, she knows all the theory but lacks practice. Working under renowned winemaker Ryan Steel—and his equally talented nephew, Dale—is an opportunity she can't refuse. Dale Steel is a loner. Despite his huge family full of uncles, aunts, and cousins, he's more at home in his vineyards, where he finds something that comes close to the tranquility he craves. He'll never find true peace, and he's accepted his fate...until his new intern shows up and turns the only world he knows upside down. Ashley awakens emotions in Dale that he never dreamed possible, and though he resents her intrusion into his life, he can't deny the sparks that blaze between them. Still, he must remain distant. To succumb to his growing feelings would provoke something else entirely—the darkness he keeps hidden even from himself.

Master storyteller Stephen King presents the classic “wondrously frightening” (Publishers Weekly) #1 New York Times bestseller about a writer's horrific and haunting pseudonym. “I'm back...I'm back from the dead and you don't seem glad to see me at all, you ungrateful son of a bitch.” After thirteen years of international bestseller stardom with his works of violent crime fiction, author George Stark is officially declared dead—revealed by a national magazine to have been killed at the hands of the man who created him: the once well-regarded but now obscure writer Thad Beaumont. Thad's even gone so far as to stage a mock burial of his wildly successful pseudonym, complete with tombstone and the epitaph “Not a Very Nice Guy.” Although on the surface, it seems that Thad can finally concentrate on his own novels, there's a certain unease at the prospect of leaving George Stark behind. But that's nothing compared to the horror about to descend upon Thad's new life. There are the vicious, out-of-control nightmares, for starters. And how is he able to explain the fact that everyone connected to George Stark's untimely demise is now meeting a brutal end of their own in a pattern of homicidal savagery...and why each blood-soaked crime scene has Thad's fingerprints all over it? Thad Beaumont may have once believed that George Stark was running out of things to say, but he's going to find out just how wrong he is...
