We build in the mental equivalents by thinking quietly, constantly and persistently of the kind of thing we want, and by thinking that has two qualities: clearness or definiteness, and interest. The key to life is to build in the mental equivalents of what we want and to expunge the equivalents of what we do not want.

"Millions of readers have embraced Joseph Murphy's writings, including the phenomenal bestseller *The Power of Your Subconscious Mind*, a beloved classic that sits alongside the works of Napoleon Hill, Dale Carnegie, and Norman Vincent Peale. This new collection, authorized by the Joseph Murphy Trust, focuses on prosperity - and the simple yet powerful ways we can focus our attention and beliefs to achieve life goals, obtain riches, and live the life of our dreams"--

You have the incredible potential to be, do, and receive whatever you desire, imagine, and truly believe. Unfortunately, however, only a small number of people achieve their full human potential, because they fail to recognize and harness the infinite power of the subconscious mind--the divinity within them and around them. The secret to success is no secret. It has been in practice for thousands of years. The most successful people throughout history are not those who merely accept the reality presented to them but those who imagine a better reality and believe in it so deeply that they are actually able to create a new reality--to change the state of being around them. In this book, you discover how to create your own new reality through desire, imagination, and belief:

Part 1: Affirmation Essentials: Here you discover how to plant thoughts into your subconscious mind, so it can begin to work miracles in transmuting your thoughts into reality, often with little or no effort on your part.

Part 2: Weekly Affirmations: These 52 weekly affirmations empower you to improve every aspect of your life, including your health, wealth, relationships, marriage, and career. Each weekly affirmation is accompanied by commentary that places the affirmation in the context of real life, so you can more clearly imagine and start appreciating the new reality you are about to experience.

Part 3: More Techniques for Planting Thoughts in the Subconscious Mind: These additional techniques enable you to plant thoughts in your subconscious mind and crystallize your vision. The more clearly and distinctly you are able to imagine yourself being, doing, or receiving that which you

desire, the more certain your desire will be fulfilled. Part 4: Unlock the Infinite Power Within You: Part 4 reveals the principles upon which the practice is based and relates true stories of people who solved problems, healed themselves and others, saved lives, improved relationships, achieved career success, and attracted wealth, through the power of affirmation. Part 4 also reveals the role the subconscious mind plays in out-of-body experiences, extrasensory perception, mental telepathy, clairvoyance, precognition, remote viewing, and other psychic powers. This book is your personal guide to leading a happier, wealthier, and more fulfilling life. By following the guidance offered here, you can stop going through life as a victim of circumstances and become the master of your own destiny. You discover how to harness the power of your own mind and the infinite resources surrounding you to be, do, and receive whatever you desire, imagine, and believe.

Joseph Murphy (20th May 1898-16th Dec 1981), the author, says that "Wealth is a state of consciousness. Everyone has a right to be rich. God wants you to be happy, prosperous, and successful." You were born to succeed to win, to conquer all hurdles, and to have all your faculties fully developed. If there is financial lack in your life, do something about it. "Man does not live by bread alone." For this one has to set his heart on money and to give all his attention to amassing money, nothing else matters. You are living in a subjective and objective world. You must not neglect the spiritual food, such as peace of mind, love, beauty, harmony, joy, and laughter. Dr. Murphy wrote more than 30 books. This is one of Dr. Murphy's best books, on a par with his classic *The Power of your Subconscious Mind*. It explains the difference between the conscious and subconscious mind, and how the two work together to create the reality of the individual. As in Murphy's other books, examples are given of how people overcame problems or manifested their desires by changing their minds through belief, affirmation, and visualization. The chapters deal with: • HEALING • PRAYER • BECOMING SPIRITUAL-MINDED • THE CREATIVITY OF THOUGHT • THE MEANING OF EVIL • THE MEANING OF LIFE • CONTROLLING ONE'S FEARS • THE POWER OF SUGGESTION • MARRIAGE, SEX, AND DIVORCE In his very engaging style, the author teaches us how to use both phases of the mind synchronously, harmoniously, and peacefully in order to bring harmony, health, and abundance into our lives. He also explains that Biblical statements are parables, allegories, metaphors, similes, and cryptic statements, and are thus not to be taken literally. The main message is that we are all children of the infinite, born to win, and to live in the joyous expectancy of the best. Exclusive to and approved by the estate of Joseph Murphy

Heartfulness is an ideal, a spiritual way of living by and from the heart that is inclusive of all ideologies, beliefs, and religions. In this heart-centered book, a student in conversation with his teacher, Kamlesh D. Patel—affectionately known as Daaji, the fourth and current spiritual guide of the century-old Heartfulness tradition—present a unique method of meditation with the power to facilitate an immediate, tangible spiritual experience, irrespective of a person's faith. Our modern, fast-paced world can be an overwhelming place. Every day, we're bombarded with messages telling us that in order to be happy, fulfilled, and worthy, we must be better, do more, and accumulate as much material wealth as possible. Most of us move through our busy lives with our minds full of these ideas, multitasking as we strive to navigate the responsibilities and expectations we must meet just to make it through the day. But what if there is another way? What if, rather than letting the busyness of life overtake our minds, we learn to be heartfelt instead? Based on Daaji's own combination of approaches and practices for the modern seeker—which draws from the teachings of Sahaj Marg, meaning "Natural Path"—Heartfulness is a contemporized version of the ancient Indian practice of Raja Yoga, a tradition that enables the practitioner to realize the higher Self within. While many books describe refined states of being, *The Heartfulness Way* goes further, providing a pragmatic course to experience those states for oneself, which, per the book's guiding principle, is "greater than knowledge." Heartfulness meditation consists of four elements—relaxation,

power of the subconscious mind. By following the guidance offered here, you can stop going through life as a victim of circumstances and become the master of your own destiny within a year.
