But while the year is filled with mystical dates, we don't always know when and how to celebrate them. By knowing and preparing for these special days we can use their inherent power to change our lives. Daily Magic is a perpetual calendar focused on days of spiritual and magical significance. April 30th for example, is perfect for spellcasting—especially spells for love, romance, fertility, and prosperity. Judika Illes teaches you how to create rituals and cast spells, provides recipes for potions, and offers advice on creating feasts to honor sacred beings. While the most spiritually significant power dates of the year are Midsummer's Eve, Halloween/Samhain, and New Year's, opportunities to use rituals and spells for the most popular goals—love, prosperity, fertility, healing, and protection—occur every week. Illes offers guidance on when to perform a spell—whether it's best to conjure now or to wait for a special power date later in the year. Daily Magic is a spiritual daily calendar that give us the

Author Mike Dooley, an interpreter for the Universe, has done exactly that in *Notes from the Universe*—a collection of empowering, invaluable truths that can be read front to back or opened at random. This first book in the *Notes from the Universe* trilogy teaches its readers to live a life far richer than they had previously thought imaginable. The Universe is here to remind us that we are in control. To have the life you desire, all you have to do is ask. The secret to manifesting change is not focusing on the how but instead, the end result of what you're after—the kind of life you want. Then, once you are truly focused, the Universe will conspire on your behalf. Author Mike Dooley has turned over every stone, knocked on every door, and followed every impulse. He has immersed himself in the truths he needed to hear most; these were the kind of lessons he wrote about in his weekly emails. What started in 1998 as a little poem sent out once a week to 38 email addresses has evolved into an inspiring anecdote delivered to over 300,000 subscribers from 169 countries, each receiving a new note from the Universe five days a week. Mike Dooley serves as an interpreter for the Universe. *Notes from the Universe* begins a three-volume set that is brimful with powerful affirmations

In a world searching for happiness, bestselling author Max Lucado provides a personal plan for a life filled with lasting and fulfilling joy, supported by Jesus' teaching and modern research. Do you feel happy? How long has it been since you felt a level of contagious, infectious, unflappable, unstoppable happiness? Maybe your answer is, "All the time." If so, God bless you! (And consider suggesting this book to someone who needs it.) For many of us the answer

is, “Well, it’s been a while. I used to be happy, but then life took its toll.” Only one-third of Americans surveyed said they were happy. How can this be? Education is accessible to most. We’ve made advancements in everything from medicine to technology, yet 66 percent of us can’t find an adequate reason to check the “yes” box on the happiness questionnaire. Worldwide, people profess that happiness is their most cherished goal. Marketers get this. “Want to be happy?” they ask. Eat at this restaurant, drive this car, wear this dress. Happiness happens when you lose the weight, get the date, find the mate, or discover your fate. It’s wide, this way to happiness. Yet, for all its promise, it delivers a fragile joy; here one day, tomorrow scattered by the winds of comparison, disappointment, or unmet expectations. Max writes, “There is another option. It requires no credit card, monthly mortgage, or stroke of fortune. Age and ethnicity aren’t factors...an unexpected door to joy.” In this book Max shares the unexpected path to a lasting happiness, one that produces reliable joy in any season of life. Based on the teachings of Jesus and backed by modern research, *How Happiness Happens* presents a surprising but practical way of living that will change you from the inside out. Also available in Spanish.

Beloved missionary, Sarah Young, shares another deeply spiritual devotional to help readers grow in grace, hear from God, and walk with Jesus Today™. Her first book, the acclaimed bestseller, *Jesus Calling*, was born after years of writing in her prayer journal and feeling led to write down what she believed God was telling her. Gradually, her prayer journal turned from a monologue to a dialogue. Knowing that her writings were not inspired as Scripture is, this process still helped her grow closer in her walk with God. In *Jesus Today™*, readers will be renewed with a deeper sense of hope as
