

Powwow Action 2015 Calendar Native American

"The column, Notes from Indian Country, has appeared in several daily and weekly newspapers in South Dakota, New Mexico and Colorado for the past five years."--Book jacket. American Indian customs, stories, and history come to life in this important and authoritative reference, artfully designed and packaged for kids and students. More than 160 tribes are featured in this outstanding new encyclopedia, which presents a comprehensive overview of the history of North America's Native peoples. From the Apache to the Zuni, readers will learn about each tribe's history, traditions, and culture, including the impact of European expansion across the land and how tribes live today. Features include maps of ancestral lands; timelines of important dates and events; fact boxes for each tribe; bios of influential American Indians such as Sitting Bull; sidebars on daily life, homes, food, clothing, jewelry, and games; Did You Know facts with photographs; and traditional Native stories. The design is compelling and colorful, packed with full-color photographs. To help give kids the lay of the land, this reference is arranged by region, and all federally recognized tribes are included. Tribal members representing each region and experts at the National Museum of the American Indian at the Smithsonian Institution were involved in its creation. With nothing comparable available, it is sure to be a valuable resource for kids, students, librarians, and families.

This book gives voice to the Tongva Faced with the challenge of reconst

New diversity style guide helps journalists write with authority and accuracy about a complex, multicultural world A companion to the online resource of the same name, The Diversity Style Guide raises the consciousness of journalists who strive to be accurate. Based on studies,

Get Free Powwow Action 2015 Calendar Native American

news reports and style guides, as well as interviews with more than 50 journalists and experts, it offers the best, most up-to-date advice on writing about underrepresented and often misrepresented groups. Addressing such thorny questions as whether the words Black and White should be capitalized when referring to race and which pronouns to use for people who don't identify as male or female, the book helps readers navigate the minefield of names, terms, labels and colloquialisms that come with living in a diverse society. The Diversity Style Guide comes in two parts. Part One offers enlightening chapters on Why is Diversity So Important; Implicit Bias; Black Americans; Native People; Hispanics and Latinos; Asian Americans and Pacific Islanders; Arab Americans and Muslim Americans; Immigrants and Immigration; Gender Identity and Sexual Orientation; People with Disabilities; Gender Equality in the News Media; Mental Illness, Substance Abuse and Suicide; and Diversity and Inclusion in a Changing Industry. Part Two includes Diversity and Inclusion Activities and an A-Z Guide with more than 500 terms. This guide: Helps journalists, journalism students, and other media writers better understand the context behind hot-button words so they can report with confidence and sensitivity Explores the subtle and not-so-subtle ways that certain words can alienate a source or infuriate a reader Provides writers with an understanding that diversity in journalism is about accuracy and truth, not "political correctness." Brings together guidance from more than 20 organizations and style guides into a single handy reference book The Diversity Style Guide is first and foremost a guide for journalists, but it is also an important resource for journalism and writing instructors, as well as other media professionals. In addition, it will appeal to those in other fields looking to make informed choices in their word usage and their personal interactions.

This book is a joint project of the Utah Division of Indian Affairs and the Utah State Historical Society. It is distributed to the book trade by Utah State University Press. The valleys, mountains, and deserts of Utah have been home to native peoples for thousands of years. Like peoples around the world, Utah's native inhabitants organized themselves in family units, groups, bands, clans, and tribes. Today, six Indian tribes in Utah are recognized as official entities. They include the Northwestern Shoshone, the Goshutes, the Paiutes, the Utes, the White Mesa or Southern Utes, and the Navajos (Dineh). Each tribe has its own government. Tribe members are citizens of Utah and the United States; however, lines of distinction both within the tribes and with the greater society at large have not always been clear. Migration, interaction, war, trade, intermarriage, common threats, and challenges have made relationships and affiliations more fluid than might be expected. In this volume, the editor and authors endeavor to write the history of Utah's first residents from an Indian perspective. An introductory chapter provides an overview of Utah's American Indians and a concluding chapter summarizes the issues and concerns of contemporary Indians and their leaders. Chapters on each of the six tribes look at origin stories, religion, politics, education, folkways, family life, social activities, economic issues, and important events. They provide an introduction to the rich heritage of Utah's native peoples. This book includes chapters by David Begay, Dennis Defa, Clifford Duncan, Ronald Holt, Nancy Maryboy, Robert McPherson, Mae Parry, Gary Tom, and Mary Jane Yazzie. Forrest Cuch was born and raised on the Uintah and Ouray Ute Indian Reservation in northeastern Utah. He graduated from Westminster College in 1973 with a bachelor of arts degree in behavioral sciences. He served as education director for the Ute Indian Tribe from 1973 to 1988. From 1988 to 1994 he was employed by the

Get Free Powwow Action 2015 Calendar Native American

Wampanoag Tribe in Gay Head, Massachusetts, first as a planner and then as tribal administrator. Since October 1997 he has been director of the Utah Division of Indian Affairs. A sixth-generation North Carolinian, highly-acclaimed author John Ehle grew up on former Cherokee hunting grounds. His experience as an accomplished novelist, combined with his extensive, meticulous research, culminates in this moving tragedy rich with historical detail. The Cherokee are a proud, ancient civilization. For hundreds of years they believed themselves to be the "Principle People" residing at the center of the earth. But by the 18th century, some of their leaders believed it was necessary to adapt to European ways in order to survive. Those chiefs sealed the fate of their tribes in 1875 when they signed a treaty relinquishing their land east of the Mississippi in return for promises of wealth and better land. The U.S. government used the treaty to justify the eviction of the Cherokee nation in an exodus that the Cherokee will forever remember as the "trail where they cried." The heroism and nobility of the Cherokee shine through this intricate story of American politics, ambition, and greed. B & W photographs

Excerpts from articles, documents and speeches chronicle the American Indians' recent struggles to gain equality and freedom

Did Native Americans suffer genocide? This controversial question lies at the heart of Native America and the Question of Genocide. After reviewing the various meanings of the word "genocide," author Alex Alvarez examines a range of well-known examples, such as the Sand Creek Massacre and the Long Walk of the Navajo, to determine where genocide occurred and where it did not. The book explores the destructive

Get Free Powwow Action 2015 Calendar Native American

beliefs of the European settlers and then looks at topics including disease, war, and education through the lens of genocide. *Native America and the Question of Genocide* shows the diversity of Native American experiences postcontact and illustrates how tribes relied on ever-evolving and changing strategies of confrontation and accommodation, depending on their location, the time period, and individuals involved, and how these often resulted in very different experiences. Alvarez treats this difficult subject with sensitivity and uncovers the complex realities of this troubling period in American history.

Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. 12,500 entries. 196 countries. 365 days. Find out what's going on any day of the year, anywhere across the globe! If you're looking to tie a promotional event to a special month, travel to a music festival halfway around the world, blog about a historical milestone or do a celebrity birthday round-up on your radio show or Twitter feed, Chase's Calendar of Events is the one resource that has it all. An invitation to young readers to roll up their sleeves, get inspired, and take action to build a sustainable, just, and loving world. Peace, Love, Action! is an illustrated,

Get Free Powwow Action 2015 Calendar Native American

illuminated A-Z of everyday actions that directly make a peaceful, fun, and vibrant world. With original artworks bringing each action to life, "make friends," "go local," "cooperate," "forgive" --seemingly small deeds can really add up! Illustrated by Tanya Zabinski in her characteristic earthy style, each action comes with an inspirational mini-bio of a real hero who exemplifies that action, from Thich Nhat Hanh ("breathe") to Wangari Maathai ("plant"), and follows with a set of "What You Can Do" prompts. With a foreword by singer-songwriter and activist legend, Ani DiFranco.

Presenting "a fresh understanding of death and grief" (Publishers Weekly), this is a breathtaking journey through art, loss, and love from interdisciplinary artist and bioethicist Lisa Boivin. When the author learns of the death of her brother overseas, she embarks on a journey to bring him home. Through memories and dreams of all they shared together and through her Dene traditions, she finds comfort and strength. The lyrical art and story leave readers with a universal message of hope and love. Now available: A Guide For Teachers, Parents, And Communities.

Describes the author's experiences as a lifelong surfer, from his early years in Honolulu through his culturally sophisticated pursuits of perfect waves in some of the world's most exotic locales.

Known best as a vacation destination and home to artists, beach bums, and celebrities, Key West also boasts a proud African-American heritage that has its roots in the immigration of Caribbean settlers in the late 1800s. Bringing with them valuable skills,

Get Free Powwow Action 2015 Calendar Native American

such as shipbuilding and other marine trades, and a strong sense of family and community, these immigrants and their descendants made significant contributions to the life of this unique island.

The intertribal pow-wow is the most widespread venue for traditional Indian music and dance in North America. *Heartbeat of the People* is an insider's journey into the dances and music, the traditions and regalia, and the functions and significance of these vital cultural events. Tara Browner focuses on the Northern pow-wow of the northern Great Plains and Great Lakes to investigate the underlying tribal and regional frameworks that reinforce personal tribal affiliations. Interviews with dancers and her own participation in pow-wow events and community provide fascinating on-the-ground accounts and provide detail to a rare ethnomusicological analysis of Northern music and dance.

One of the Time 100 Best Fantasy Books Of All Time 2019 LOCUS AWARD WINNER, BEST FIRST NOVEL 2019 HUGO AWARD FINALIST, BEST NOVEL Nebula Award Finalist for Best Novel One of Bustle's Top 20 "landmark sci-fi and fantasy novels" of the decade "Someone please cancel *Supernatural* already and give us at least five seasons of this badass Indigenous monster-hunter and her silver-tongued sidekick." —The New York Times "An excitingly novel tale." —Charlaine Harris, #1 New York Times bestselling author of the *Sookie Stackhouse* and *Midnight Crossroads* series "Fun, terrifying, hilarious, and brilliant." —Daniel José Older, New York Times bestselling author of *Shadowshaper* and *Star Wars: Last Shot* "A powerful and fiercely personal journey through a compelling postapocalyptic landscape." —Kate Elliott, New York Times bestselling author of *Court of Fives* and *Black Wolves* While most of the world has

drowned beneath the sudden rising waters of a climate apocalypse, Dinétah (formerly the Navajo reservation) has been reborn. The gods and heroes of legend walk the land, but so do monsters—and it is up to one young woman to unravel the mysteries of the past before they destroy the future. Maggie Hoskie is a Dinétah monster hunter, a supernaturally gifted killer. When a small town needs help finding a missing girl, Maggie is their last best hope. But what Maggie uncovers about the monster is much more terrifying than anything she could imagine. Maggie reluctantly enlists the aid of Kai Arviso, an unconventional medicine man, and together they travel the rez, unraveling clues from ancient legends, trading favors with tricksters, and battling dark witchcraft in a patchwork world of deteriorating technology. As Maggie discovers the truth behind the killings, she will have to confront her past if she wants to survive. Welcome to the Sixth World.

"An interview with Panchito Ramírez Rojas, Native Cuban Indian group elder."--Provided by publisher.

The author, a Mashpee Wampanoag, writes about the history and culture of her tribe. Dance intersects with ethnicity in a powerful variety of ways and at a broad set of venues. Dance practices and attitudes about ethnicity have sometimes been the source of outright discord, as when African Americans were - and sometimes still are - told that their bodies are 'not right' for ballet, when Anglo Americans painted their faces black to perform in minstrel shows, when 19th century Christian missionaries banned the performance of particular native dance traditions throughout much of Polynesia, and when the Spanish conquistadors and church officials banned sacred Aztec dance rituals. More recently, dance performances became a locus of ethnic disunity in the former Yugoslavia as the Serbs of Bosnia attended

Get Free Powwow Action 2015 Calendar Native American

dance concerts but only applauded for the Serbian dances, presaging the violent disintegration of that failed state. The Oxford Handbook of Dance and Ethnicity brings together scholars from across the globe in an investigation of what it means to define oneself in an ethnic category and how this category is performed and represented by dance as an ethnicity. Newly-commissioned for the volume, the chapters of the book place a reflective lens on dance and its context to examine the role of dance as performed embodiment of the historical moments and associated lived identities. In bringing modern dance and ballet into the conversation alongside forms more often considered ethnic, the chapters ask the reader to contemplate previous categories of folk, ethnic, classical, and modern. From this standpoint, the book considers how dance maintains, challenges, resists or in some cases evolves new forms of identity based on prior categories. Ultimately, the goal of the book is to acknowledge the depth of research that has been undertaken and to promote continued research and conceptualization of dance and its role in the creation of ethnicity. Dance and ethnicity is an increasingly active area of scholarly inquiry in dance studies and ethnomusicology alike and the need is great for serious scholarship to shape the contours of these debates. The Oxford Handbook of Dance and Ethnicity provides an authoritative and up-to-date survey of original research from leading experts which will set the tone for future scholarly conversation.

“Powerful. . . . a revelation.” —The New York Times “With a literary authority rare in a debut novel, it places Native American voices front and center before readers’ eyes.” —NPR/Fresh Air One of The New York Times 10 Best Books of the Year and winner of the PEN/Hemingway Award, Tommy Orange’s wondrous and shattering bestselling novel follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one

Get Free Powwow Action 2015 Calendar Native American

another in ways they may not yet realize. Among them is Jacquie Red Feather, newly sober and trying to make it back to the family she left behind. Dene Oxendene, pulling his life together after his uncle's death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. Together, this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism. Hailed as an instant classic, *There There* is at once poignant and unflinching, utterly contemporary and truly unforgettable. One of the Best Books of the Year: *The Washington Post*, *NPR*, *Time*, *O, The Oprah Magazine*, *The Dallas Morning News*, *GQ*, *Entertainment Weekly*, *BuzzFeed*, *San Francisco Chronicle*, *The Boston Globe*

Unto These Hills : A Drama of the Cherokee

Chase's Calendar of Events is the most comprehensive and authoritative reference available on special events, holidays, federal and state observances, historic anniversaries, astronomical phenomena, and more. Published since 1957, Chase's is the only guide to special days, weeks, and months.

Winona LaDuke's *Chronicles* is a collection of stories of Indigenous communities from the Canadian subarctic to the heart of Dine Bii Kaya, Navajo Nation. Stories range from visits with Desmond Tutu, front line Indigenous leaders, to restored Indigenous farming, and the ability of this society to move from a Tipi to a Tesla. This book tells of the need and the ability to make an elegant transition to a post fossil fuels economy. *Chronicles* is a book literally risen from the ashes--beginning in 2008 after her home burned to the

Get Free Powwow Action 2015 Calendar Native American

ground--and collectively is an accounting of Winona's personal path of recovery, finding strength and resilience in the writing itself as well as in her work.

In 1961, the U.S. government terminated the Menominee Indians' federal status as a recognized tribe, including rights to a self-governed reservation. The Menominees were not the only tribe subject to this injustice; the government's action was part of its larger policy of termination, which aimed to assimilate all Native Americans into larger American society. For the Menominees, as well as for other tribes, the result was devastating; in addition to their loss of land, Native peoples lost their livelihoods, assets, and very identities. In *Menominee Drums*, Nicholas C. Peroff explains how termination evolved and how it affected the Menominees. He also tells the astounding story of how the termination was reversed. Through an organized campaign called DRUMS, the tribe was able to regain its status of federal recognition.

Of all the interactions between American Indians and Euro-Americans, none was as fundamental as the acquisition of the indigenous peoples' lands. To Euro-Americans this takeover of lands was seen as a natural right, an evolution to a higher use; to American Indians the loss of homelands was a tragedy involving also a loss of subsistence, a loss of history, and a loss of identity. Historical geographer David J. Wishart tells the story of the dispossession process as it affected the Nebraska Indians—Otoe-Missouria, Ponca, Omaha, and Pawnee—over the course of the nineteenth century. Working from primary documents, and including American Indian

Get Free Powwow Action 2015 Calendar Native American

voices, Wishart analyzes the spatial and ecological repercussions of dispossession. Maps give the spatial context of dispossession, showing how Indian societies were restricted to ever smaller territories where American policies of social control were applied with increasing intensity. Graphs of population loss serve as reference lines for the narrative, charting the declining standards of living over the century of dispossession. Care is taken to support conclusions with empirical evidence, including, for example, specific details of how much the Indians were paid for their lands. The story is told in a language that is free from jargon and is accessible to a general audience.

Long before Europeans came to the harsh landscape of the Great Basin, many nations of American Indians lived in the region. They had their own languages and cultures, and they knew how to survive in an area with extreme weather and little food. • The Shoshone made powerful bows that could shoot an arrow through a bison. • The Paiute created duck decoys from reeds to help them hunt birds. • The Washoe wove baskets from reeds and willow. The Great Basin is still home to many twenty-first century American Indians. They continue to weave baskets, hold traditional celebrations, and speak their native languages. Learn more about the past and present of the native peoples of the Great Basin.

The Hero Twins tells the story of two brothers born to Changing Woman and trained by the Holy People to save their people from the naayéé', a race of monsters. But the

Get Free Powwow Action 2015 Calendar Native American

naayéé' can't be beaten alone. Family and friends and wise mentors must lead any warrior down the good path toward victory. Colorful illustrations show the action as the twins seek out their father to receive the weapons they need to face the greatest monster of them all: Yé'iitsoh. Told in Navajo, the Diné language, and English, this story exists in many versions, and all demonstrate the importance of thinking, patience, persistence, bravery, and reverence. These teachings still help the Diné—and everyone—find the harmony of a balanced and braver life.

Chase's Calendar of Events 2015 McGraw Hill Professional

“Get your head into the clouds with Aerial Geology.” —The New York Times Book Review Aerial Geology is an up-in-the-sky exploration of North America's 100 most spectacular geological formations. Crisscrossing the continent from the Aleutian Islands in Alaska to the Great Salt Lake in Utah and to the Chicxulub Crater in Mexico, Mary Caperton Morton brings you on a fantastic tour, sharing aerial and satellite photography, explanations on how each site was formed, and details on what makes each landform noteworthy. Maps and diagrams help illustrate the geological processes and clarify scientific concepts. Fact-filled, curious, and way more fun than the geology you remember from grade school, Aerial Geology is a must-have for the insatiably curious, armchair geologists, million-mile travelers, and anyone who has stared out the window of a plane and wondered what was below.

After a career working and living with American Indians and studying their

Get Free Powwow Action 2015 Calendar Native American

traditions, Barre Toelken has written this sweeping study of Native American folklore in the West. Within a framework of performance theory, cultural worldview, and collaborative research, he examines Native American visual arts, dance, oral tradition (story and song), humor, and patterns of thinking and discovery to demonstrate what can be gleaned from Indian traditions by Natives and non-Natives alike. In the process he considers popular distortions of Indian beliefs, demystifies many traditions by showing how they can be comprehended within their cultural contexts, considers why some aspects of Native American life are not meant to be understood by or shared with outsiders, and emphasizes how much can be learned through sensitivity to and awareness of cultural values. Winner of the 2004 Chicago Folklore Prize, *The Anguish of Snails* is an essential work for the collection of any serious reader in folklore or Native American studies.

These words call up an image of an ethnic, industrial town whose skyline is thick with smokestacks and steeples, a place whose character can be summed up in another "B" word: blue-collar. It's true that Milwaukee's German accent was unmistakable in the 1880s; it was the Beer Capital of the World; and it's the home of the steam shovels that dug the Panama Canal the engines that powered the New York City subway system, and the motorcycles that made Harley-Davidson

Get Free Powwow Action 2015 Calendar Native American

an American legend. But the stereotypes don't begin to convey the richness of Milwaukee's past. They don't describe the five citizens killed by the state militia as they marched for the eight-hour day. The Jewish community leader who wrote *The Settlement Cookbook*. The Italian priest who led the local crusade for civil rights in the 1960s. The railroad promoter who bribed an entire state legislature. The Socialists who made Milwaukee the best-governed big city in America. Allis-Chalmers and Pabst Blue Ribbon. Summerfest and Irish Fest. Golda Meir. Carl Sandburg. Robin Yount. *The Making of Milwaukee* tells all those stories and a great many more. Well-written, superbly organized, and lavishly illustrated, it is sure to be the standard reference for many years to come.

World Faiths is a brief introduction to the major world religions. The book provides detailed coverage of the historical development of different religious traditions, and, for each religion, presents issues of faith from the perspective of the believer.

Now part of the HBO docuseries "Exterminate All the Brutes," written and directed by Raoul Peck 2015 Recipient of the American Book Award *The first history of the United States told from the perspective of indigenous peoples* Today in the United States, there are more than five hundred federally recognized Indigenous nations comprising nearly three million people,

Get Free Powwow Action 2015 Calendar Native American

descendants of the fifteen million Native people who once inhabited this land. The centuries-long genocidal program of the US settler-colonial regimen has largely been omitted from history. Now, for the first time, acclaimed historian and activist Roxanne Dunbar-Ortiz offers a history of the United States told from the perspective of Indigenous peoples and reveals how Native Americans, for centuries, actively resisted expansion of the US empire. With growing support for movements such as the campaign to abolish Columbus Day and replace it with Indigenous Peoples' Day and the Dakota Access Pipeline protest led by the Standing Rock Sioux Tribe, *An Indigenous Peoples' History of the United States* is an essential resource providing historical threads that are crucial for understanding the present. In *An Indigenous Peoples' History of the United States*, Dunbar-Ortiz adroitly challenges the founding myth of the United States and shows how policy against the Indigenous peoples was colonialist and designed to seize the territories of the original inhabitants, displacing or eliminating them. And as Dunbar-Ortiz reveals, this policy was praised in popular culture, through writers like James Fenimore Cooper and Walt Whitman, and in the highest offices of government and the military. Shockingly, as the genocidal policy reached its zenith under President Andrew Jackson, its ruthlessness was best articulated by US Army general Thomas S. Jesup, who, in 1836, wrote of

Get Free Powwow Action 2015 Calendar Native American

the Seminoles: "The country can be rid of them only by exterminating them." Spanning more than four hundred years, this classic bottom-up peoples' history radically reframes US history and explodes the silences that have haunted our national narrative. An Indigenous Peoples' History of the United States is a 2015 PEN Oakland-Josephine Miles Award for Excellence in Literature.

Texas teen comes face-to-face with a cousin's ghost and vows to unmask the murderer. Elatsoe—Ellie for short—lives in an alternate contemporary America shaped by the ancestral magics and knowledge of its Indigenous and immigrant groups. She can raise the spirits of dead animals—most importantly, her ghost dog Kirby. When her beloved cousin dies, all signs point to a car crash, but his ghost tells her otherwise: He was murdered. Who killed him and how did he die? With the help of her family, her best friend Jay, and the memory great, great, great, great, great grandmother, Elatsoe, must track down the killer and unravel the mystery of this creepy town and its dark past. But will the nefarious townsfolk and a mysterious Doctor stop her before she gets started? A breathtaking debut novel featuring an asexual, Apache teen protagonist, Elatsoe combines mystery, horror, noir, ancestral knowledge, haunting illustrations, fantasy elements, and is one of the most-talked about debuts of the year. "Written" by Guaikán, the elderly Taino man who, in his youth, was adopted by Christopher Columbus and saw history unfold, Taino is the Indian chronicle of the American encounter, the Native view on Columbus and what happened in the Caribbean. This novel, based on a true story, penetrates the historical veil that still enshrines the "discovery."
