

Prachtig Gedicht Van Annie M G Schmidt Ik Ben Nog Fit Van

Winner of the 2015 Edgar Award for Best Critical/Biographical! Follow the footsteps of the father of American horror fiction. Edgar Allan Poe was an oddity: his life, literature, and legacy are all, well, odd. In *Poe-Land*, J. W. Ocker explores the physical aspects of Poe's legacy across the East Coast and beyond, touring Poe's homes, examining artifacts from his life—locks of his hair, pieces of his coffin, original manuscripts, his boyhood bed—and visiting the many memorials dedicated to him. Along the way, Ocker meets people from a range of backgrounds and professions—actors, museum managers, collectors, historians—who have dedicated some part of their lives to Poe and his legacy. *Poe-Land* is a unique travelogue of the afterlife of the poet who invented detective fiction, advanced the emerging genre of science fiction, and elevated the horror genre with a mastery over the macabre that is arguably still unrivaled today.

This delightfully humorous collection of poems offers children and the young at heart a refreshing, inventive look at the world from the well-known Dutch author, Annie Schmidt. Ordinary events and places become extraordinary adventures full of imagination.

As marketing specialists know all too well, our experience of products is prefigured by brands: trademarks that identify a product and differentiate it from its competitors. This process of branding has hitherto gained little academic discussion in the field of literary studies. Literary authors and the texts they produce, though, are constantly 'branded': from the early modern period onwards, they have been both the object and the initiator of a complex marketing process. This book analyzes this branding process throughout the centuries, focusing on the case of the Netherlands. To what extent is our experience of Dutch literature prefigured by brands, and what role does branding play when introducing European authors in the Dutch literary field (or vice versa)? By answering these questions, the volume seeks to show how literary scholars can account for the phenomenon of branding.

Despite the dreary routine of their days, Jas has a unique way of experiencing her world: her face soft like cheese under her mother's hands; the texture of green warts, like capers, on migrating toads in the village; the sound of "blush words" that aren't in the Bible. Jas is convinced she is to blame. An Israeli girl's coming of age is told through a diary addressed to Anne Frank in this powerful novel—"a temple of love to the imaginary" (*Time Out Israel*). Love is both the question and the answer in this lyrical novel by one of Israel's best-selling authors. Returning to her hometown as an adult, Rivi Shenhar discovers a collection of her old diaries—impassioned, plaintive journals she addressed to Anne Frank while growing up in Israel in the 1970s. Reading them takes her back to the isolated, lonely girl she was, living alone with a distant mother, but also to the love affair that changed her life. When her young literature teacher provides an outlet for Rivi's frustrations, she never imagines that she will fall in love—or that such a turbulent, forbidden relationship could last so long, or become so intimate and erotically charged. Rivi's transformation from awkward child to confident woman—and writer—is deftly handled, in "metaphoric language that is amazingly sensuous and precise" (*Globes*).
