

Praetorian The Rise And Fall Of Romes Imperial Bodyguard

From New York Times bestselling novelist Lindsey Davis comes an epic novel of first-century Rome and the Emperor Domitian, known to all of the Roman world as Master and God Set in the reign of the Emperor Domitian in first-century Rome, Master and God is Lindsey Davis's meticulously researched epic novel of the life and times surrounding the last of the Flavian dynasty of emperors. Gaius Vinius is a reluctant Praetorian Guard—the Emperor's personal guard—and a man with a disastrous marriage history. Flavia Lucilla is also in the imperial court and she is responsible not only for having created the ridiculous hairstyle worn by the imperial ladies but for also making toupees for the balding and increasingly paranoid emperor. The two of them are brought together in an unlikely manner—a devastating fire in Rome—which then leads to a lifelong friendship. Together they watch Domitian's once talented rule unravel into madness and cruelty, until the people closest to him conspire to delete him from history. As an imperial bodyguard, Vinius then faces a tough decision. Master and God is a compelling novel of the Roman Empire—from the height of power to the depths of madness—told from the perspective of two courtiers and unlikely friends who together are the witnesses to history.

"Riveting stuff. Through the prism of his experience of the military elite, Fiennes presents a dazzling history of the world's best fighting units to amaze and enthral the reader." Damien Lewis, Bestselling author of *Zero Six Bravo* Inspired by the heroic war time escapades of his father, as well as drawing on his own experiences in the special forces, acclaimed adventurer Sir Ranulph Fiennes thrillingly explores the history of elite military units, from ancient Sparta to the War on Terror. The best of the best, these elite units have frequently been immortalised on the big screen, and in computer games, for their daring deeds. Whether it be fighting on the battlefield, storming forts and castles, rescuing hostages, high stakes reconnaissance missions or the dramatic assassination of enemy leaders, these are the men who are relied upon to undertake dangerous missions of the highest stakes. While celebrating the heroics of groups such as the SAS and Navy Seals, Sir Ranulph also reveals the true stories of infamous organisations such as The Assassins and Templar Knights. Uncovering their origins, and examining their weapons and tactics, Sir Ranulph showcases these units most famous missions, and reveals the men behind them. Showing incredible courage, often in the face of impossible odds, these units have also changed the course of history along the way. Sir Ranulph discusses the reasons behind their success and failures, with many notorious conflicts often

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

being decided by these elite units facing off against each other, with the victor not only evolving warfare, but also consigning their opponent to history. While these units traditionally prefer to operate in the shadows, Sir Ranulph brings their remarkable histories to the fore, told with his trademark ability to weave a story which has seen him become one of Britain's most beloved bestselling authors.

Carbo returns in an unputdownable novel of murder and mystery in ancient Rome After years of captivity and torture by German barbarians, former legionary Cicurinus' ordeal should be over. Hearing of the legendary Carbo, he returns to Rome to seek out this hero who might help to bring him balance.

Instead he finds Carbo descending into alcoholism and gambling, a broken man who brutally rebuffs him. Devastated and disgusted by the immoral city around him, Cicurinus, embarks on a rampage of slaughter through Rome's poor and downtrodden.

And to hide his tracks, he frames Carbo for the crimes. With everything at stake, can Carbo master his demons, clear his name, and stop the Killer of Rome? This latest from Alex Gough, a master of the genre, is a Roman thriller that you won't be able to put down. Perfect for readers of Simon Scarrow, Conn Iggulden and Ben Kane.

classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

At the peak of Rome's might, a dragon is born among eagles, an heir to a line both blessed and cursed by the Gods for ages. Lucius Metellus Anguis is dead. That is what his enemies believe. However, within the safety of the Isle of the Blessed, Lucius and his family have been healing since the Praetorians attacked their home and destroyed their lives. With wounds that run deep, Lucius' wife and children slowly come to terms with their new reality, but as Lucius emerges from the shadows, he finds himself a changed man, a man bent on revenge. Trapped between worlds and tormented by pain, Lucius becomes obsessed with the thought of making his enemies pay for what they have done. Out in the world once more, Lucius discovers that the destruction wrought by Rome is far worse than he imagined, and so he sets out on a bloody quest that takes him to the farthest reaches of the Empire. It is said that the world is a dangerous place for good men, but what happens when a good man is set on vengeance? Despite the pleas of his family and

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

friends, and the warnings of the Gods themselves, Lucius seeks to pursue and punish his enemies at all costs. Will the Dragon survive his own anger and hate and let go of the reins of war, or will he perish in the crucible of life that burns both men and gods? Only Lucius can decide... The Blood Road is a story of love, hate and the choices faced by a hero caught between worlds. It is the sixth book in Adam Alexander Haviaras' #1 bestselling Eagles and Dragons historical fantasy series. If you like books by Bernard Cornwell, David Gemmell, Marion Zimmer Bradley or Wilbur Smith, then you will love this ground-breaking series that combines accurate historical detail with ancient religion and elements of fantasy. Read The Blood Road today and set off on a journey you will never forget!

The story of Constantine and Maxentius, two ambitious young men, two brilliant generals, two friends destined to fight to the death as they strive to become Emperor of Rome. The first instalment of the trilogy.

The son of a former slave, Pertinax was the Roman Emperor who proved that no matter how lowly your birth, you could rise to the very top through hard work, grit and determination. Born in AD 126, he made a late career change from working as a grammar teacher to a position in the army. As he moved up the ranks and further along the aristocratic *cursus honorum*, he took on many of the most

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

important postings in the Empire, from senior military roles in fractious Britain, the Marcomannic Wars on the Danube, to the Parthian Wars in the east. He held governorships in key provinces, and later consulships in Rome itself. When Emperor Commodus was assassinated on New Year's Eve AD 192/193, the Praetorian Guard alighted on Pertinax to become the new Emperor, expecting a pliable puppet who would favour them with great wealth. But Pertinax was nothing of the sort and when he then attempted to reform the Guard, he was assassinated. His death triggered the beginning of the 'Year of the Five Emperors' from which Septimius Severus, Pertinax's former mentoree, became the ultimate victor and founder of the Severan Dynasty. This previously untold story brings a fascinating and important figure out of the shadows. A self made everyman, a man of principle and ambition, a role model respected by his contemporaries who styled himself on his philosophizing predecessor and sometime champion Marcus Aurelius, Pertinax's remarkable story offers a unique and panoramic insight into the late 2nd century AD Principate Empire.

For more than two centuries Egypt was ruled by the most powerful, successful, and richest dynasty of kings in its long end epic history. They included the female king Hatshepsut, the warrior kings Thutmose III and Amenhotep II, the religious radical Akhenaten

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

and his queen Nefertiti, and most famously of all for the wealth of his tomb the short-lived boy king Tutankhamun. The power and riches of the Pharaohs of the 18th Dynasty came at enormous cost to Egypt's enemies and most of its people. This was an age of ruthless absolutism, exploitation, extravagance, brutality, and oppression in a culture where not only did Egypt plunder its neighbours but Egyptian kings and their people robbed one another. 3,500 years ago ancient Egypt began two centuries in which it became richer and more powerful than any other nation at the time, ruled by the kings of the 18th Dynasty. They presided over a system built on war, oppression, and ruthlessness, pouring Egypt's wealth into grandiose monuments, temples, and extravagant tombs. Tutankhamun was one of the last of the line and one of the most obscure. Among his predecessors were some of the most notorious and enigmatic figures of all of Egypt's history. Pharaohs of the Sun is their story, showing how the glamour and gold was tainted by selfishness, ostentation, and the systematic exploitation of Egypt's people and enemies.

Two years have passed since the emperor's loyal Praetorian guardsman Gnaeus Marcius Rustius Rufinus foiled Lucilla's great assassination plot. Plagued by the ghosts of his past, Rufinus has enacted his own form of justice upon the praetorian cavalrymen who murdered the imperial agent Dis two years earlier. But the Fates will not let Rufinus rest. Rome is beginning to seethe with rumour and conspiracy as

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

Perennis, the prefect of the Praetorian Guard, and Cleander, the imperial chamberlain, continue to play their 'great game.' With the tide of opinion turning against their commander, Rufinus and his friends embark upon a mission to save the Prefect's family, only to uncover a plot that runs deep... to the very heart of the empire. Armed with rare and dangerous evidence, Rufinus faces insurmountable odds in an attempt to bring the truth to light. To save his prefect. To save Rome. To save everyone he cares about.

An innovative, informative, and entertaining history of Roman Britain told through the lives of individuals in all walks of life. The Britain of the Roman Occupation is, in a way, an age that is dark to us. While the main events from 55 BC to AD 410 are little disputed, and the archaeological remains of villas, forts, walls, and cities explain a great deal, we lack a clear sense of individual lives. This book is the first to infuse the story of Britannia with a beating heart, the first to describe in detail who its inhabitants were and their place in our history. A lifelong specialist in Romano-British history, Guy de la Bédoyère is the first to recover the period exclusively as a human experience. He focuses not on military campaigns and imperial politics but on individual, personal stories. Roman Britain is revealed as a place where the ambitious scramble for power and prestige, the devout seek solace and security through religion, men and women eke out existences in a provincial frontier land. De la Bédoyère introduces Fortunata the slave girl, Emeritus the frustrated centurion, the grieving father Quintus Corellius Fortis, and the brilliant metal worker Boduogenus, among numerous others. Through a wide array of records and artifacts, the author introduces the colorful cast of immigrants who arrived during the Roman era while offering an unusual glimpse of indigenous Britons, until now nearly invisible in histories of Roman Britain.

Gaius Caligula reigned for four short years from 37 to 41 CE

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

before his infamous tenure came to a violent end. While much has been written about Caligulas notorious excesses and court life, relatively little of his military and foreign policy has been seriously studied. This is a military history of Rome during Caligulas reign. Caligula had been raised in a military camp (his nickname, Caligula, means Little Boot. His years as emperor came in the wake of the great consolidation of Tiberius gains in Germany and Pannonia, and in large part made possible the invasions of Gaul and Britain that were undertaken by his uncle and successor, Claudius. His expeditions in Gaul were part of a program of imitation of his storied predecessor, and crowning completion of what had been left undone in the relatively conservative military policy years of Augustus and Tiberius. Caligula: An Unexpected General offers a new appraisal of Caligula as a surprisingly competent military strategist, arguing that his achievements helped to secure Roman military power in Europe for a generation.

The story of Constantine and Maxentius, two ambitious young men, two brilliant generals, two friends destined to fight to the death as they strive to become Emperor of Rome. The second instalment of the trilogy.

This engaging book is an excellent resource for classes on Roman art, architecture, history, civilization, and sport and spectacle.

Jerry Thigpen's study on the history of the Combat Talon is the first effort to tell the story of this wonderfully capable machine. This weapons system has performed virtually every imaginable tactical event in the spectrum of conflict and by any measure is the most versatile C-130 derivative ever produced. First modified and sent to Southeast Asia (SEA) in 1966 to replace theater unconventional warfare (UW) assets that were limited in both lift capability and speed the Talon I quickly adapted to theater UW tasking including infiltration

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

and resupply and psychological warfare operations into North Vietnam. After spending four years in SEA and maturing into a highly respected UW weapons system the Joint Chief of Staff (JCS) chose the Combat Talon to lead the night low-level raid on the North Vietnamese prison camp at Son Tay. Despite the outcome of the operation the Talon I cemented its reputation as the weapons system of choice for long-range clandestine operations. In the period following the Vietnam War United States Air Force (USAF) special operations gradually lost its political and financial support which was graphically demonstrated in the failed Desert One mission into Iran. Thanks to congressional supporters like Earl Hutto of Florida and Dan Daniel of Virginia funds for aircraft upgrades and military construction projects materialized to meet the ever-increasing threat to our nation. Under the leadership of such committed hard-driven officers as Brenci Uttaro Ferkes Meller and Thigpen the crew force became the most disciplined in our Air Force. It was capable of penetrating hostile airspace at night in a low-level mountainous environment covertly to execute any number of unconventional warfare missions.

In late-eighteenth-century India, the glory of the Mughal emperors was fading, and ambitious newcomers seized power, changing the political map forever. Enter the legendary Maharajah Ranjit Singh, whose Sikh Empire stretched throughout northwestern India into Afghanistan and Tibet. Priya Atwal shines fresh light on this long-lost kingdom, looking beyond its founding father to restore the queens and princes to the story of this empire's spectacular rise and fall. She brings to life a self-made ruling family, inventively fusing Sikh, Mughal and European ideas of power, but eventually succumbing to gendered family politics, as the Sikh Empire fell to its great rival in the new India: the British. *Royals and Rebels* is a fascinating tale of family, royalty and the fluidity of

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

power, set in a dramatic global era when new stars rose and upstart empires clashed.

"A must for anyone interested in the Roman Empire and its impact on world history." —Tony Robinson star of Blackadder and Time Team. This entertaining and informative guide introduces readers to the amazing world of ancient Rome and its emperors, epic wars, awesome architecture, heroes, and villains. With a complete rundown of Roman history alongside fascinating insights into the lives of everyday Romans, readers will discover the amazing people and events involved in the rise and fall of one of the greatest of all ancient civilisations and how its influence can still be felt around the world today. Guy de la Bédoyère is a historian, archaeologist, and Roman expert, he is well known for his numerous books and appearances on TV, especially Channel 4's Time Team. A perfect explanation of what went on with how the Roman empire began, how it was run, what some of the emperors did, etc. You'll find out why and how it ended, how the wars influenced their expansion and shrinkage, and many other facts.

Promoted to the elite Praetorian Guard in the thick of battle, a young legionary is thrust into a seedy world of imperial politics and corruption. Tasked with uncovering a plot against the newly-crowned emperor Commodus, his mission takes him from the cold Danubian border all the way to the heart of Rome, the villa of the emperor's scheming sister, and the great Colosseum. What seems a straightforward, if terrifying, assignment soon descends into Machiavellian treachery and peril as everything in which young Rufinus trusts and

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

believes is called into question and he faces warring commanders, Sarmatian cannibals, vicious dogs, mercenary killers and even a clandestine Imperial agent. In a race against time to save the Emperor, Rufinus will be introduced, willing or not, to the great game. "Entertaining, exciting and beautifully researched" - Douglas Jackson "From the Legion to the Guard, from battles to the deep intrigue of court, Praetorian: The Great Game is packed with great characters, wonderfully researched locations and a powerful plot." - Robin Carter

Quintus, a trainer of gladiators, and Kaeso, a slave, forge a bond that far exceeds the collar at Kaeso's neck. Thrown into a world of politics and conspiracy, they move against time to save Rome before traitors and the gods themselves see to their end. And in doing so, see the dawn of the nova praetorian-the new guard-rise.

Covering material from the time of Julius Caesar to the sack of Rome, this topically arranged reference volume provides substantive entries on people, cities, government, institutions, military developments, material culture, and other topics related to the Roman Empire. • Covers all aspects of Imperial Rome, from politics to social life • Provides a selection of primary source documents •

Organizes reference entries in topical categories and provides cross-references • Cites works for further reading and closes with a bibliography of the most

important print and electronic resources

Bestselling classical historian Barry Strauss delivers “an exceptionally accessible history of the Roman Empire...much of *Ten Caesars* reads like a script for *Game of Thrones*” (*The Wall Street Journal*)—a summation of three and a half centuries of the Roman Empire as seen through the lives of ten of the most important emperors, from Augustus to Constantine. In this essential and “enlightening” (*The New York Times Book Review*) work, Barry Strauss tells the story of the Roman Empire from rise to reinvention, from Augustus, who founded the empire, to Constantine, who made it Christian and moved the capital east to Constantinople. During these centuries Rome gained in splendor and territory, then lost both. By the fourth century, the time of Constantine, the Roman Empire had changed so dramatically in geography, ethnicity, religion, and culture that it would have been virtually unrecognizable to Augustus. Rome’s legacy remains today in so many ways, from language, law, and architecture to the seat of the Roman Catholic Church. Strauss examines this enduring heritage through the lives of the men who shaped it: Augustus, Tiberius, Nero, Vespasian, Trajan, Hadrian, Marcus Aurelius, Septimius Severus, Diocletian, and Constantine. Over the ages, they learned to maintain the family business—the government of an empire—by adapting when

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

necessary and always persevering no matter the cost. *Ten Caesars* is a “captivating narrative that breathes new life into a host of transformative figures” (Publishers Weekly). This “superb summation of four centuries of Roman history, a masterpiece of compression, confirms Barry Strauss as the foremost academic classicist writing for the general reader today” (The Wall Street Journal). Meet Blackwater USA, the private army that the US government has quietly hired to operate in international war zones and on American soil. Its contacts run from military and intelligence agencies to the upper echelons of the White House; it has a military base, a fleet of aircraft and 20,000 troops, but since September 2007 the firm has been hit by a series of scandals that, far from damaging the company, have led to an unprecedented period of expansion. This revised and updated edition includes Scahill's continued investigative work into one of the outrages of our time: the privatisation of war.

This now classic examination of the development of viable political institutions in emerging nations is an enduring contribution to modern political analysis. The foreword by Fukuyama assesses Huntington's achievement.

SPQR: Senatus Populusque Romanus. A moreishly entertaining and richly informative miscellany of facts about Rome and the Roman world. Do you know to

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

what use the Romans put the excrement of the kingfisher? Or why a dinner party invitation from the emperor Domitian was such a terrifying prospect? Or why Roman women smelt so odd? The answers to these questions can be found in SPQR, a compendium of extraordinary facts and anecdotes about ancient Rome and its Empire. Its 500-odd entries range across every area of Roman life and society, from the Empress Livia's cure for tonsillitis to the most reliable Roman methods of contraception. Conceived as a personal army for the emperor, the elite Praetorian Guard soon took over a wide range of powers in Rome, and thus from the very beginning made a much greater impact on the city's life than just as an imperial bodyguard. The Praetorians were in fact inseparable from the whole machinery of state, in some cases even making or breaking individual emperors. Sandra Bingham here offers a timely history of the Guard from its foundation by Augustus in 27 BCE to its disbandment by Constantine in CE 312. Topics covered include arms and insignia; the size, recruitment and command structure of the Guard; duration of service; the duties of individual soldiers and officers; and their families, daily lives and religion.

Author and historian Tom Holland returns to his roots in Roman history and the audience he cultivated with *Rubicon*—his masterful, witty, brilliantly researched popular history of the fall of the Roman republic—with *Dynasty*, a luridly fascinating history of the reign of the first five Roman emperors. *Dynasty* continues *Rubicon*'s story, opening where that book ended: with the murder of Julius Caesar. This is the period of the first and perhaps greatest Roman Emperors and it's a colorful story of rule and ruination, running from the rise of Augustus through to the death of Nero. Holland's expansive history also has distinct shades of *I Claudius*, with five wonderfully vivid (and in three cases, thoroughly depraved) Emperors—Augustus, Tiberius, Caligula, Claudius, and Nero—featured, along with numerous fascinating secondary characters. Intrigue, murder, naked ambition and treachery, greed, gluttony, lust, incest, pageantry, decadence—the tale of these five Caesars continues to cast a mesmerizing spell across the millennia.

For more than two centuries over 3,300 years ago Egypt was ruled by the most powerful, successful, and richest dynasty of kings in its long end epic history. They included the female king Hatshepsut, the warrior kings Thutmose III and Amenhotep II, the

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

The Climax of Egypt is their story, showing how the glamour and gold was tainted by selfishness, ostentation, and the systematic exploitation of Egypt's people and enemies.

Sejanus is notoriously known as the Tiberius' ambitious and ruthless Praetorian Prefect, widely believed to have craved the throne for himself and is considered the virtual ruler of Rome from AD 26-31. The figure of Sejanus has fascinated from ancient to more modern times. Sejanus, the emperor Tiberius'

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

infamous Praetorian Prefect, is synonymous with overreaching ambition, murder, conspiracy and betrayal. According to the traditional storyline, this man craved the imperial throne for himself and sought it by isolating the naive emperor in his island pleasure palace on Capri whilst using his control over the Praetorian Guard, coupled with his immense power and influence in Rome, to purge the capital of potential opponents. His victims supposedly included the emperor's son, Drusus, poisoned by his own wife who had been seduced by Sejanus. The emperor, forewarned of Sejanus' ambition, struck first. The Prefect was arrested in the Senate, strangled and his corpse cast down the Gemonian Stairs. Study of Sejanus has generally been overshadowed by focus on Tiberius. John McHugh makes a fresh appraisal of the sources to offer the first full-length study in English to focus on this highly influential figure and his development of the Praetorian Prefecture.

NEW YORK TIMES BESTSELLER • “This is one of those books that will go down as the seminal work—the determinative work—in this field. . . . Terrifying.”—Rachel Maddow The first definitive account of the rise and fall of the Secret Service, from the Kennedy assassination to the alarming mismanagement of the Obama and Trump years, right up to the insurrection at the Capitol on January 6—by the Pulitzer Prize winner and #1 New York

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

Times bestselling co-author of *A Very Stable Genius* and *I Alone Can Fix It* Carol Leonnig has been reporting on the Secret Service for *The Washington Post* for most of the last decade, bringing to light the secrets, scandals, and shortcomings that plague the agency today—from a toxic work culture to dangerously outdated equipment to the deep resentment within the ranks at key agency leaders, who put protecting the agency's once-hallowed image before fixing its flaws. But the Secret Service wasn't always so troubled. The Secret Service was born in 1865, in the wake of the assassination of Abraham Lincoln, but its story begins in earnest in 1963, with the death of John F. Kennedy. Shocked into reform by its failure to protect the president on that fateful day in Dallas, this once-sleepy agency was radically transformed into an elite, highly trained unit that would redeem itself several times, most famously in 1981 by thwarting an assassination attempt against Ronald Reagan. But this reputation for courage and excellence would not last forever. By Barack Obama's presidency, the once-proud Secret Service was running on fumes and beset by mistakes and alarming lapses in judgment: break-ins at the White House, an armed gunman firing into the windows of the residence while confused agents stood by, and a massive prostitution scandal among agents in Cartagena, to name just a few. With Donald Trump's arrival, a series of promised

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

reforms were cast aside, as a president disdainful of public service instead abused the Secret Service to rack up political and personal gains. To explore these problems in the ranks, Leonnig interviewed dozens of current and former agents, government officials, and whistleblowers who put their jobs on the line to speak out about a hobbled agency that's in desperate need of reform. "I will be forever grateful to them for risking their careers," she writes, "not because they wanted to share tantalizing gossip about presidents and their families, but because they know that the Service is broken and needs fixing. By telling their story, they hope to revive the Service they love."

The story of Constantine and Maxentius, two ambitious young men, two brilliant generals, two friends destined to fight to the death as they strive to become Emperor of Rome. The final instalment of the trilogy.

Praetorian The Rise and Fall of Rome's Imperial Bodyguard Yale University Press

The villain Cleander has fallen, his wickedness gone from the imperial court, but his influence lives on. Amongst the Praetorians, a network of spies, killers and thieves remain, clawing on to the power they have enjoyed. Rufinus, returned to the Guard at the hands of the devious Frumentarii, Rome's imperial secret service, is intent on bringing the entire web of villainy to justice. But Commodus's reign falters, and

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

Rome is in peril. Wolves are at the door and every man with power prepares to make a bid for the purple. In a world of chaos, Rufinus is about to learn that Rome does not harbour corruption. Rome IS corruption...

In this lively and very readable history of the Roman Empire from its establishment in 27 BC to the barbarian incursions and the fall of Rome in AD 476, Kershaw draws on a range of evidence, from Juvenal's Satires to recent archaeological finds. He examines extraordinary personalities such as Caligula and Nero and seismic events such as the conquest of Britain and the establishment of a 'New Rome' at Constantinople and the split into eastern and western empires. Along the way we encounter gladiators and charioteers, senators and slaves, fascinating women, bizarre sexual practices and grotesque acts of brutality, often seen through eyes of some of the world's greatest writers. He concludes with a brief look at how Rome lives on in the contemporary world, in politics, architecture, art and literature.

The Roman army was the greatest fighting machine the ancient world produced. The Roman Empire depended on soldiers not just to win its wars, defend its frontiers and control the seas but also to act as the engine of the state. Roman legionaries and auxiliaries came from across the Roman world and beyond. They served as tax collectors, policemen,

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

surveyors, civil engineers and, if they survived, in retirement as civic worthies, craftsmen and politicians. Some even rose to become emperors. Gladius takes the reader right into the heart of what it meant to be a part of the Roman army through the words of Roman historians, and those of the men themselves through their religious dedications, tombstones, and even private letters and graffiti. Guy de la Bédoyère throws open a window on how the men, their wives and their children lived, from bleak frontier garrisons to guarding the emperor in Rome, enjoying a ringside seat to history fighting the emperors' wars, mutinying over pay, marching in triumphs, throwing their weight around in city streets, and enjoying esteem in honorable retirement.

The Praetorian Guard of Imperial Rome was the power behind the throne, with the ability to make or break an emperor. As the main body of troops in Rome, they were the emperor's instrument to discourage plotting and rebellion and to crush unrest. The emperor's most immediate line of defence, they could also be his most deadly enemies. This book details the organization, dress and history of the Praetorian Guard from the time of the late Republic to the Guard's effective destruction at the battle of Milvian Bridge in AD 312. Numerous illustrations vividly depict the uniforms and weaponry of this elite fighting unit.

A captivating popular history that shines a light on

Download Free Praetorian The Rise And Fall Of Romes Imperial Bodyguard

the notorious Julio-Claudian women who forged an empire? Augustus, Tiberius, Caligula, Claudius, and Nero--these are the names history associates with the early Roman Empire. Yet, not a single one of these emperors was the blood son of his predecessor. In this captivating history, a prominent scholar of the era documents the Julio-Claudian women whose bloodline, ambition, and ruthlessness made it possible for the emperors' line to continue. Eminent scholar Guy de la Bédoyère, author of *Praetorian*, asserts that the women behind the scenes--including Livia, Octavia, and the elder and younger Agrippina--were the true backbone of the dynasty. De la Bédoyère draws on the accounts of ancient Roman historians to revisit a familiar time from a completely fresh vantage point. Anyone who enjoys *I, Claudius* will be fascinated by this study of dynastic power and gender interplay in ancient Rome.

The figure of Sejanus has fascinated from ancient to more modern times. Sejanus, the emperor Tiberius' infamous Praetorian Prefect, is synonymous with overreaching ambition, murder, conspiracy and betrayal. capital of potential opponents. His victims supposedly included the emperor's son, Drusus, poisoned by his own wife who had been seduced by Sejanus. The emperor, forewarned of Sejanus' ambition, struck first. The Prefect was arrested in the Senate, strangled and his corpse cast down the Gemonian Stairs. Study of Sejanus has generally been overshadowed by focus on Tiberius. John McHugh makes a fresh appraisal of the sources to offer the first full-length study in English to focus on this highly influential figure and his development of the Praetorian Prefecture.

“Shows Marius the man, warts and all . . . an excellent biography . . . a very good breakdown of Roman politics, and a civics course in ancient Rome.”—A Wargamers Needful Things Gaius Marius was one of the most remarkable and significant figures of the late Roman Republic. At a time when power tended to be restricted to a clique of influential families, he rose from relatively humble origins to attain the top office of consul. He even went on to hold the post an unprecedented seven times. His political career flourished but was primarily built on military success. First serving in the Numantine War in Spain, he later rose to high command and brought a long-running war in North Africa to a successful conclusion, bringing the Numidian King Jurgurtha back in chains. His return was timely as northern barbarian tribes threatened Italy and had previously

defeated several Roman armies. Marius reformed and retrained the Republic's forces and decisively defeated the invaders that had easily overpowered his predecessors. Marius's subsequent career was primarily that of an elder statesman, but it was dominated by his rivalry with his erstwhile subordinate, Sulla, which ultimately led to the latter's bloody coup. Marius, once hailed as the savior of Rome, eventually became a desperate fugitive, literally fleeing for his life from his pursuers. However, after several harrowing brushes with death, Marius seized an opportunity to return to Rome and mete out justice to his enemies, which tarnished his once-enviable reputation. "The best extant account of Gaius Marius' leading role in the history of late Roman Republic. It is required reading for those interested in the period and highly recommended for the general reader."—HistoryNet "The dramatic story of the soldiers at the heart of the Roman empire . . . traces the history of the praetorians and the emperors they served."—Adrian Goldsworthy, author of *Philip and Alexander: Kings and Conquerors* Founded by Augustus around 27 B.C., the elite Praetorian Guard was tasked with the protection of the emperor and his family. As the centuries unfolded, however, Praetorian soldiers served not only as protectors and enforcers but also as powerful political players. Fiercely loyal to some emperors, they vied with others and ruthlessly

toppled those who displeased them, including Caligula, Nero, Pertinax, and many more. Guy de la Bédoyère provides a compelling first full narrative history of the Praetorians, whose dangerous ambitions ceased only when Constantine permanently disbanded them. de la Bédoyère introduces Praetorians of all echelons, from prefects and messengers to artillery experts and executioners. He explores the delicate position of emperors for whom prestige and guile were the only defenses against bodyguards hungry for power. Folding fascinating details into a broad assessment of the Praetorian era, the author sheds new light on the wielding of power in the greatest of the ancient world's empires. "Any future researcher into the subject will certainly begin here."—The Times (London) "A lively and up-to-date history of the Praetorian Guard, the anti-coup divisions of the Roman emperors from Augustus to Constantine. De la Bédoyère tells their story with clarity and panache, and his book can be most warmly recommended both to aspiring tyrants and the ordinary armchair historian."—The Sunday Times "Fast paced and engaging."—The Sunday Telegraph "A definitive and highly readable account."—Tom Holland, author of *Rubicon: The Last Years of the Roman Republic*
