Do you sometimes feel that you are wandering in a wilderness of grief, confusion, and faltering faith? If so, you are not alone. Like the lost children of Israel, many have searched for a way through a personal wilderness. But just as those same Israelites followed God's leading to the Promised Land, you too can find the promised new life in the Spirit. Jamie Buckingham made such a journey – not only figuratively but literally. During a time of intense personal struggle, he traveled to the Sinai. There he found restoration and, in the solitude of a wilderness night, he learned ancient Bible truths that would alter his life forever. Of all the locations Jamie visited during his many trips to Israel, he loved the Sinai desert the most. In this book he shares with you the simple, healing secrets that God first revealed to Moses at the dawn of faith. [www.JamieBuckinghamMinistries.com](http://www.JamieBuckinghamMinistries.com)

Ironically enough, one of the twentieth century's leading pacifists wrote Little Wars, a book that has entertained and enlightened war buffs for the past hundred years. H. G. Wells, the great science-fiction pioneer, turned his attention from tales of time travel and alien invasions to write the first classic book of war games. His simulations of past battles and hypothetical future clashes allow readers to test their tactical and strategic skills and attempt to rewrite history. The companion piece, Floor Games, offers a more lighthearted look at war games. Based on the playful battles Wells waged with his sons, the narrative describes how creative play with miniature figures can transform an ordinary room into a magical world. The book has since been hailed as an inspiration for the development of a nonverbal psychotherapeutic method employed in the treatment of adults and children. Both Little Wars and Floor Games feature winsome illustrations by J. R. Sinclair that enhance their antique charm.

Many people have adopted stubbornness and rebellion as part of their nature. The first stronghold in the life of man has to do with rebellion in the heart. A small rebellion in one's heart will constitute a stronghold of Satan. Most Christians tend to resist any form of change in their lives, whereas a believer should change a lot of things to move forward. Without effecting changes, there can be no progress.

Without a doubt, one of the most familiar and beloved prayers within the tradition of the Roman Catholic Church is the Rosary. But do Catholics today have a clear comprehension of the benefits of this centuries-old devotion? Using the eloquent and inspiring writings of holy men and women who share a love of, and commitment to, the Marian prayer, Editor Gretchen R. Crowe makes a compelling case for why praying the Rosary is more critical in today's 21st-century world than ever before. *Why the Rosary, Why Now?* is an accessible and inspiring compilation of texts woven together with personal anecdotes that outline eight persuasive reasons why the Rosary should be an essential part of every Catholic's life. We need the Rosary ... to break through the noise... with Cardinal Albino Luciani (Pope John Paul I) for a deeper devotion to the Church... with Venerable Fulton J. Sheen to strengthen families... with Father Patrick Peyton, the "Rosary priest" for an increase in Christian discipleship... with Pope St. John Paul II for peace in the world... with Father Hubert F. Schiffer, S.J. as a weapon against evil... with Venerable Pope Pius XII to combat secularism... with Pope Leo XIII to become saints... with Pope St. John XXIII, St. Teresa of Calcutta, Blessed John Henry Cardinal Newman, and many more *Why the Rosary, Why Now?* is not a typical "how-to book" about the Rosary. This is the "why-to book" that will inspire you to reach for your Rosary more often, and in doing so to receive the gifts it offers to each of us and the world.

Prayer is an essential part of our daily life. Without prayer, we do not have the power to pursue God and carry out our divine destiny. Whenever we pray, there is a specific watch or interval of time connected to it. Each prayer watch is a time for us to pray for our loved ones, our church, our government leaders, and for God's judgments and interception of Satan's diabolical plans. In "Watch and Pray: Understanding the Eight Prayer Watches," you will learn the answers to the following questions: - Why is prayer important? - What is a prayer watch? - What is a watchman? - What are the time intervals for each prayer watch? - What spiritual activities are involved during the eight prayer watches? This book also provides journal pages for readers to record their prayer requests, Scripture references, and prayer results. "Watch and Pray: Understanding the Eight Prayer Watches" will encourage your to pray and to see your life change and access all that God has for you in Christ Jesus.

"LITTLE WARS" is the game of kings—for players in an inferior social position. It can be played by boys of every age from twelve to one hundred and fifty—and even later if the limbs remain sufficiently supple—by girls of the better sort, and by a few rare and gifted women. This is to be a full History of Little Wars from its recorded and authenticated beginning until the present time, an account of how to make little warfare, and hints of the most priceless sort for the recumbent strategist.... But first let it be noted in passing that there were prehistoric "Little Wars." This is no new thing, no crude novelty; but a thing tested by time, ancient and ripe in its essentials for all its perennial freshness—like spring. There was a Someone who fought Little Wars in the days of Queen Anne; a garden Napoleon. His game was inaccurately observed and insufficiently recorded by Laurence Sterne. It is clear that Uncle Toby and Corporal Trim were playing Little Wars on a scale and with an elaboration exceeding even the richness and beauty of the contemporary game. But the curtain is drawn back only to tantalise us. It is scarcely conceivable that anywhere now on earth the Shandean Rules remain on record. Perhaps they were never committed to paper.... And in all ages a certain barbaric warfare has been waged with soldiers of tin and lead and wood, with the weapons of the wild, with the catapult, the elastic circular garter, the peashooter, the rubber ball, and such-like appliances—a mere setting up and knocking down of men.

Tin murder. The advance of civilisation has swept such rude contests altogether from the playroom. We know them no more.... You have an enemy . . . and he's dead set on destroying all you hold dear and keeping you from experiencing abundant life in Christ. What's more, his approach to disrupting your life and discrediting your faith isn't general or generic, not a one-size-fits-all. It's specific. Personalized. Targeted. So this book is your chance to strike back. With prayer. With a weapon that really works. Each chapter will guide you in crafting prayer strategies that hit the enemy where it hurts, letting him know you're on to him and that you won't back down. Because with every new strategy you build, you're turning the fiercest battles of life into precise strikes against him and his handiwork, each one infused with the power of God's Spirit. New York Times bestselling author Priscilla Shirer, widely known for her international speaking, teaching, and writing ministries, brings her new role from the 2015 film *War Room* into the real lives of today's women, addressing the topics that affect them most: renewing their passion, refocusing their identity, negotiating family strife, dealing with relentless regrets, navigating impossible schedules, succeeding against temptation, weathering their worst fears, uprooting bitterness, and more. Each chapter exposes the enemy's cruel, crafty intentions in all kinds of these areas, then equips and encourages you to write out your own personalized prayer strategies on tear-out sheets you can post and pray over yourself and your loved ones on a regular basis. *Fervent* is a hands-on, knees-down, don't-give-up action guide to practical, purposeful praying.
