As well as the name of a virus, a corona is a crown, the pearly glow around the sun in certain astronomical conditions and a poetic form where interlinking lines connect a sequence. It is the perfect name therefore for this new collection of 150 poems by the bestselling poet Malcolm Guite, each one written in response to the Bible's 150 psalms as they appear in William Coverdale's timeless translation. The Psalms express every human emotion with disarming honesty, as anger and thankfulness alike are directed at God. All of life is here with its moments of beauty and its times of despair and shame. Like the Psalms themselves, the poems do not avoid the cursing and glorying over the downfall of your enemies, but wrestle honestly with them as we do when we come to say them.

And finally, Bride's mother herself, Sweetness, who takes a lifetime to come to understand that "what you do to children matters. And they might never forget." From the author of 44 Chapters About 4 Men (inspiration for the Netflix Original series, Sex/Life) comes an immersive dystopian romance unlike anything you've ever read. The world was supposed to end on April 23, but Rainbow Williams's world ended days before that. The mass hysteria caused by the impending apocalypse claimed everything she'd ever loved. Her family. In The Necessity of Prayer, Edward Bounds, a 20th century pastor and lawyer, suggests that prayer is an essential part of the Christian believer's life. He writes, "the Christian soldier, if he fight to win, must pray much." Bounds' book, however, is not simply a list of prayers for one to work through, but also a discourse on the very nature of prayer. He connects the nature of prayer to other features of the Christian life, such as faith, reverence, patience, hope, character, conduct, and faithfulness. Bounds' passion for prayer--which compelled him to write nine books on the topic--shines through in this work, and cannot but help motivate those who read it to also see the necessity of prayer. Perfect for individual study, Bounds' book is sure to change the way one prays. -Tim Perrine, CCEL Staff Writer

After his martyrdom at the hands of the Gestapo in 1945, Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world. His Letters and Papers from Prison became a prized testimony to Christian faith and courage, read by thousands. Now in Life Together we have Pastor Bonhoeffer's experience of Christian community. This story of a unique

fellowship in an underground seminary during the Nazi years reads like one of Paul's letters. It gives practical advice on how life together in Christ can be sustained in families and groups. The role of personal prayer, worship in common, everyday work, and Christian service is treated in simple, almost biblical, words. Life Together is bread for all who are hungry for the real life of Christian fellowship.

James Fraser was only twenty-two when he abandoned a promising career and went to China. At first sight of the Lisu tribes people of Yunnan province he felt an immediate affection for them, and for the rest of his life he labored to bring them to Christ and to Christian maturity. Eileen Crossman has brought him to life for today's readers in this superb biography which reveals the secret of his success.

Too often we think of prayer in only the human dimension: as a means of edification, or spiritual empowerment, but prayer in fact is a mostly spiritual thing where it impacts many different aspects of life and spirit. Bounds expounds on this brilliantly and uses both Christ and the Holy Spirit as examples of and the expositors of our prayers to the Father.

Acts and Monuments by John Foxe, popularly abridged as Foxe's Book of Martyrs, is a celebrated work of church history and martyrology, first published in English in 1563 by John Day. Published early in the reign of Queen Elizabeth I and only five years after the death of the Roman Catholic Queen Mary I, Foxe's Acts and Monuments was an affirmation of the Protestant Reformation in England during a period of religious conflict between Catholics and Protestants. Foxe's account of church history asserted a historical justification that was intended to establish the Church of England as a continuation of the true Christian church rather than as a modern innovation, and it contributed significantly to a nationalistic repudiation of the Roman Catholic Church. The sequence of the work, initially in five books, covered first early Christian martyrs, a brief history of the medieval church, including the Inquisitions, and a history of the Wycliffite or Lollard movement. It then dealt with the reigns of Henry VIII and Edward VI, during which the dispute with Rome had led to the separation of the English Church from papal authority and the issuance of the Book of Common Prayer. The final book treated the reign of Queen Mary and the Marian Persecutions. (courtesy of wikipedia.com)

Through a friend in Topanga, the hippie community west of Los Angeles, the author came into contact with Uschi Obermaier, the mother of all supermodels. The female icon of the 60s already toured in the mid-70s in a luxury RV India, USA and Mexico. When in a picture story Marianne Meyer saw the sex symbol and her partner Dieter Bockhorn in their camping bus, the wish for such a house on wheels was born. But with the emigration to the USA everything came quite different. But after a 10-year life of luxury in LA, the conversation with the Bavarian caused butterflies in the stomach of the Ph.D. nutritionist and woke again her desire to travel. She longed for a change. An ever-changing view from the window of an apartment on wheels is exactly what her gypsies blood desires. Her mother's father was a boatman and always on the Neckar, Rhine and Waal on the go to Rotterdam. Her first six months tour through Morocco with her husband Peter was in 1998/99. On the contrary to her famous relative Doris Day, who visited Morocco only once when she filmed the Hitchcock movie "The Man Who Knew Too Much", the author is one of the returnees. There are only two statements of tourists: Morocco once and never again and Morocco again and again.

Can be simply described as one of the most powerful books ever written on the subject of the Christian ministry. This is indeed a ground breaking book from the pen of an author who has been

given uncommon insights into the deep pathos as well as the heavy burdens which the Almighty has for all cadres of Christian leadership including General Overseers, General Superintendents, Senior Pastors, Pastors, Evangelists, Christian workers and deliverance ministers. It is a manual for ministerial deliverance. This book will change your life and your ministry.

There are certain spiritual phenomena which occur at specific times of the day with profound consequences for your destiny and the lives of your family and that is why the Bible warns us to pray without ceasing. Everyone has been called to watch and pray by commanding their evening and morning. Here is a secret you should know, whoever controls the evening and night hours also controls the gate to the rest of the day, to do business, and to interact with people either for good, or for evil. In the realm of the spirit, gates are very important and critical to the dynamics, atmosphere and the destiny of families, people, cities, states, and nations. In Matthew 16:18, Jesus told Peter, "And I also say to you that you are Peter, and on this rock I will build My church, and the gates of Hades shall not prevail against it." The Eight Prayer Watches exposes the times of sneak and covert attack tactics of the enemy and offers counter strategies to neutralize them for total victory!

Dr. A.T. Schofield says: "One thing to be borne in mind is that since the days of Pentecost there is no record of the sudden and direct work of the Spirit of God upon the souls of men that has not been accompanied by events more or less abnormal. It is, indeed, on consideration, only natural that it should be so. We cannot expect an abnormal inrush of Divine light and power, so profoundly affecting the emotions and changing the lives of men, without remarkable results. As well expect a hurricane, an earthquake, or a flood, to leave nothing abnormal in its course, as to expect a true Revival that is not accompanied by events quite out of our ordinary experience."

Imagine that prayer could be like savoring a fine French meal—a flow of engaging courses featuring creative recipes, infusing all your senses, and enticing a return for more. Is it possible? Yes! David Brazzeal stirs together a love of French dining and his innovative prayer practices with a dash of international adventure to concoct an inspiring, reinvigorating prayer experience. Fun, yet profound, from confession to meditation, from observing to lamenting to praising, this book is full of practical ideas. Some can be used immediately; others take a lifetime to master. Some can be used with groups, while others work well throughout the day. Brazzeal (Now Paul, He was a Servant) has written a cookbook for prayer—literally. After a first section that likens learning to pray to learning to cook and also notes the importance of food in the Bible, the author, who lives in Paris, divides the book into sections. Instead of soups, salads, sides, main courses, and desserts, these sections cover different types of prayer, such as thanksgiving, confessing, and asking, complete with “recipes.” Thus “praising” prayers, which are likened to hors d’oeuvre, contain “recipes” that call for praying by writing down all the verbs in Psalm 147 or by creating a physical movement that opens you to God. Likewise, recipes for “blessing” prayers include visualizing a friend in a setting that represents well-being and joy. The book’s voice is exuberant and the cookbook idea clever and appealing. Rather than a tome to be read and forgotten, the volume is formatted as a resource to keep handy, maybe even among cookbooks. The book might benefit from less autobiography and even more recipes, but it’s still a delectable read, supplemented by tasty quotes from Christian sages. —Publishers Weekly “Pray like a gourmet—I love the metaphor. I know what it means to have been preoccupied by excellent food and wine. I have also learned to apply that strong desire to my personal relationship with Jesus Christ and to be nourished and sustained, even to the point of resilience. I shall keep this series of “tasteful disciplines” close at hand and consume them daily as I hunger and thirst after his righteousness.” —Graham Kerr, *The Galloping Gourmet* “Pray Like a Gourmet is the gentlest, most readable, kindest guide to prayer one could ever hope to explore. Reading through its storied pages, one goes from ‘I never thought of that before’ to ‘I could do that’ to ‘I want to do that’ and back again. This one is an adventure for the believing heart.” —Phyllis Tickle, compiler, *The Divine Hours* “If I were a beginning cook, I would want a guide who was experienced, flexible, enthusiastic, and sensitive to the questions and insecurities of an absolute beginner. And if I were a beginner in prayer, I would want David Brazzeal to be my teacher. Even as someone who has prayed for most of my life, I found *Pray Like a Gourmet* to be nourishing, delicious, and delightful.” —Brian D. McLaren, author and speaker (brianmclaren.net) “From the moment you read the Menu, - oops, my error! Let's start again. From the moment you read the Table of Contents, *Pray Like A Gourmet* becomes a banquet for the soul and for the spirit. Since when has prayer been such a mouth-watering, taste-bud awakening experience? Like food and wine, artisan bread and spring-fed water, prayer in its' multiple forms is to be savored as it feeds our inner beings. Prayer is the place of communion and of life-giving union with God. No room for deprivation here. Come and most heartily feast!” —Pierre LeBel, author and teacher, Member of the Canadian Leadership Team and the NA Cities Leadership Team for YWAM.

The runaway bestseller with more than four million copies in print! You too can change your life with the priceless wisdom of ten ancient scrolls handed down for thousands of years. “Every sales manager should read *The Greatest Salesman in the World*. It is a book to keep at the bedside, or on the living room table—a book to dip into as needed, to browse in now and then, to enjoy in small stimulating portions. It is a book for the hours and for the years, a book to turn to over and over again, as to a friend, a book of moral, spiritual and ethical guidance, an unfailing source of comfort and inspiration.”—Lester J. Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations “I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in *The Greatest Salesman in the World*. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the principles—he has woven them into the fabric of one of the most fascinating stories I have ever read.”—Paul J. Meyer, President of Success Motivation Institute, Inc. “I was overwhelmed by *The Greatest Salesman in the World*. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two musts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it.”—Robert B. Hensley, President, Life Insurance Co. of Kentucky
