"This book walks each of us through the reality checks we need in order to have the marriage we want!" —Shaunti Feldhahn, social researcher and best-selling author of *For Women Only* In today's workplace, women are often rewarded for having type A personalities: driven, demanding, ambitious, and strong. Yet when it comes to their marriages, those same traits can backfire. After all, no one goes into marriage hoping for a promotion. What is a wife to do? April Cassidy knows this struggle firsthand. She thought she was a great Christian wife and begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional respect—not just love—to her husband. Cassidy's conclusions may be as startling to readers as they were to her, but *The Peaceful Wife* shares how she and many others have learned to reorient their lives to biblical commands—resulting in healthier, happier marriages. In the end, you'll find *The Peaceful Wife* a powerful path to God's design for women to live in full submission to Christ as Lord.

Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life—or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

Prayer is apparently vital in every relationship. Marriage relationship in particular requires a constant flow of prayer for peace to avail and for the couples to conquer in times of trials. Faithfulness, commitment, and affection will not be a struggle once couples abide by the words and pray fervently towards the success of the marriage, career, children, and life as a whole A prayerful wife is a happy wife. I almost walked away from my Marriage. I had given up. The years of pain had become unbearable and the number of tears shed were innumerable. The Enemy had waged war on my marriage for many years and I was tired of fighting. So, I waved my White Flag of Surrender. But just before I could finish filling out the divorce papers, God staged a personal intervention with me. His message to me was "THIS IS WAR!" And told me that the reason I could never experience victory was because I was fighting the wrong enemy and had the wrong battle strategy. Next He gave me step by step directions on how to fight the enemy effectively on the behalf of my marriage and my husband. This book is a personal collection of the very prayers that I prayed when it seemed as if my family was being destroyed and divorce was imminent. These are the same prayers I prayed and life lessons I had to learn to turn my marriage and my husband around and to finally experience my happily ever after. This book is for the wife who is on the verge of giving up. This book is for the wife who is exhausted and tired of fighting the same battles without getting any victories. This book is for the wife who is ready to successfully engage the enemy and fight to save her husband, marriage, and family. This is War! And this book is your battle strategy.

Nevertheless, changes in just one person can have an amazing impact on a marriage relationship! Instead of focusing on "How do I have a better marriage?" this book embraces that truth, and helps women ponder the question, "How can I be the best wife I can be?" It provides every woman with skills, information, and encouragement to make a positive difference to this and future generations, by wholeheartedly investing in her marriage and her relationship with her husband today. The Wholehearted Wife is written by Erin and Greg Smalley, along with Gary Smalley, the creator and presenter of Keys to a Loving Relationship, one of the best-selling video series of all time. "Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in To Love, Honor, and Vacuum, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.
