Prentice Hall Literature, Penguin Edition ( 2007) components for Grade 6.

Four tales of fantasy from a twentieth-century literary master—selected as the 1975 New York Times Outstanding Book for Children John Gardner's first children's book takes the traditional fairy tale and turns it on its head. In the title story, a meddlesome dragon meets his match. "The Tailor and the Giant" tells the story of a cowardly man who finally faces his fears. A villainous beast of burden attempts to rid himself of his master in "The Miller's Mule." And in "The Last Piece of Light," a brave young chimney-sweep saves the world from darkness. Filled with irreverent twists on the classic elements of princes and princesses, witches and wizards, and the magical realms that they inhabit, *Dragon, Dragon* is a collection of fun and fantastic tales to be cherished by readers of all ages.

"'La frontera'...I heard it for the first time back in the late 1940s when Papa and Mama told me and Roberto, my older brother, that someday we would take a long trip north, cross la frontera, enter California, and leave our poverty behind." So begins this honest and powerful account of a family's journey to the fields of California -- to a life of constant moving, from strawberry fields to cotton fields, from tent cities to one-room shacks, from picking grapes to topping carrots and thinning lettuce. Seen through the eyes of a boy who longs for an education and the right to call one palce home, this is a story of survival, faith, and hope. It is a journey that will open readers' hearts and minds.

From Newbery media winner Karen Hesse comes an unforgettable story of an immigrant family's journey to America. "America," the girl repeated. "What will you do there?" I was silent for a little time. "I will do everything there," I answered. Rifka knows nothing about America when she flees from Russia with her family in 1919. But she dreams that in the new country she will at last be safe from the Russian soldiers and their harsh treatment of the Jews. Throughout her journey, Rifka carries with her a cherished volume of poetry by Alexander Pushkin. In it, she records her observations and experiences in the form of letters to Tovah, the beloved cousin she has left behind. Strong-hearted and determined, Rifka must endure a great deal: humiliating

examinations by doctors and soldiers, deadly typhus, separation from all she has ever known and loved, murderous storms at sea, detainment on Ellis Island--and is if this is not enough, the loss of her glorious golden hair. Based on a true story from the author's family, Letters from Rifka presents a real-life heroine with an uncommon courage and unsinkable spirit.
