Through each progressive year of your child's homeschooling journey, he or she should be able to focus more on challenging material. Prentice Hall Writing and Grammar allows you to give your child a deep look at English/language arts. This curriculum for homeschooling is designed for middle and high school-aged children. Every Grade of Prentice Hall Writing and Grammar is broken into three chapters: Writing, Grammar Usage and Mechanics, and Academic and Workplace Skills. The first improves your child's ability to elegantly and logically express ideas and make arguments in written form. The Grammar Usage and Mechanics chapter develops your child's understanding of sentence structure and construction. The final chapter helps your child prepare for life after homeschool by instilling critical-thinking and test-taking abilities in him or her.
