*Questions, Exercises and Problems in Financial Accounting* David Kolitz, D. L. Kolitz, 2010-06 Divided into a selection of questions, exercises, and problems, this workbook will help keep accountants on top of current international economic affairs. The questions are multiple-choice and ensure understanding of a topic before moving onto the exercises and problems. The exercises can be used to develop proficiency in a topic where students are expected to reach the standard of the problems, and the problems are longer and more complex in nature, requiring an in-depth understanding of the topic. Combined, this complete approach provides a full view of the up-to-date requirements of the International Financial Reporting Standards.
