David and Leigh Eddings were mythmakers and world builders of the first order. With *The Redemption of Althalus*, the authors of the *Belgariad* and *Malloreon* sagas created a thrilling stand-alone epic—boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of legend. He is, as all men know, a thief, a liar, an occasional murderer, an outrageous braggart, and a man devoid of even the slightest hint of honor. Yet of all the men in the world, it is Althalus, unrepentant rogue and scoundrel, who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness. On his way to steal *The Book* from the House at the End of the World, Althalus is confronted by a cat—a cat with eyes like emeralds, the voice of a woman, and the powers of a goddess. She is Dweia, sister to The Gods and a greater thief even than Althalus. She must be: for in no time at all, she has stolen his heart. And more. She has stolen time itself. For when Althalus leaves the House at the End of the World, much wiser but not a day older than when he'd first entered it, thousands of years have gone by. But Dweia is not the only one able to manipulate time. Her evil brother shares the power, and while Dweia has been teaching Althalus the secrets of *The Book*, the ancient God has been using the dark magic of his own *Book* to rewrite history. Yet all is not lost. But only if Althalus, still a thief at heart, can bring together a

ragtag group of men, women, and children with no reason to trust him or each other. Praise for *The Redemption of Althalus* “Highly recommended . . . Featuring a cast of engaging characters, some fanciful plot twists, and a light-hearted atmosphere that should appeal strongly to fans and first-time readers alike.”—*Library Journal* “The story takes off. The interactions between characters, straightforward plotting, and doses of wry humor keep the tale humming.”—*Booklist* “An engaging young reprobate hero . . . As the Riftwar tears Midkemia apart, enemies trapped in the frozen Northlands must trust each other to stay alive. . . . In the sprawling, embattled land of Midkemia, fate can form strange alliances. Nine years into the bloody and ongoing Riftwar, Dennis Hartraft's Marauders are cold, hungry, and exhausted. Having only just survived a disastrous encounter with their sworn enemy, the Tsurani, the soldiers are headed for a frontier garrison, where they will be able to rest and recover. But Hartraft's company arrives at the same time as a Tsurani patrol, and both sides discover the stronghold overrun by a migrating horde of dark elves called *moredhel*, a foe so deadly and vicious the bitter enemies must band together and fight as one. But can their hatred for their mutual enemy overcome their distrust of each other? As the two groups, bound to each other by their common foe, make their way across the unknown Northlands to freedom, they have to struggle with not only the elements and the enemy, but also their

bodies have been turning up in the sewers, the Mockers' demense. The Thieves' Guild has been decimated men, women, children, it matters not. The head of the Mockers is missing, presumed dead. Those few who survived the terrible attacks are lying low. Very low. The Crawler, it seems, is back in town. And he's being helped by others, more ruthless than he. Can it be the Nighthawks again? Afterall, as Jimmy the Hand, he grew up there. Meanwhile, the retinue of the Duke of Olasko has arrived suddenly at the palace, a week ahead of schedule but with no apologies and many demands. The first volume in legendary master and New York Times bestselling author Raymond E. Feist's epic heroic fantasy series, *The Firemane Saga*—an electrifying tale of two young men whose choices will determine a world's destiny. For centuries, the five greatest kingdoms of North and South Tembria, twin continents on the world of Garn, have coexisted in peace. But the balance of power is destroyed when four of the kingdoms violate an ancient covenant and betray the fifth: Ithrace, the Kingdom of Flames, ruled by Steveren Langene, known as "the Firemane" for his brilliant red hair. As war engulfs the world, Ithrace is destroyed and the Greater Realms of Tembria are thrust into a dangerous struggle for supremacy. As a Free Lord, Baron Daylon Dumarch owes allegiance to no king. When an abandoned infant is found hidden in Daylon's pavilion, he realizes that the child must be the missing heir of the slain Steveren. The boy is valuable—and vulnerable. A cunning and patient man, Daylon decides to keep the baby's existence secret, and sends him to be raised on the Island of Coaltachin, home of the so-called Kingdom of Night, where the powerful and lethal Nocusara, the "Hidden Warriors," legendary assassins and spies, are trained. Years later, another orphan of mysterious provenance, a young man named Declan, earns his Masters rank as a weapons smith. Blessed with intelligence and skill, he unlocks the secret to forging King's Steel, the apex of a weapon maker's trade known by very few. Yet this precious knowledge is also deadly, and Declan is forced to leave his home to safeguard his life. Landing in Lord Daylon's provinces, he hopes to start anew. Soon, the two young

men—an unknowing rightful heir to a throne and a brilliantly talented young swordsmith—will discover that their fates, and that of Garn, are entwined. The legendary, long-ago War of Betrayal has never truly ended . . . and they must discover the secret of who truly threatens their world.

The Darkwar rages, bringing bleak days of destruction and despair to Midkemia and Kelewan. To save both worlds, the powerful sorcerer Pug and select members of the mysterious Conclave of Shadows must journey deep into the dangerous realm of the bloodthirsty Dasati on an audacious mission that has little, if any, chance to succeed. In Midkemia, young warriors Tad and Zane and their fellow soldiers must protect the Kingdom from raiders. And Pug's beloved wife, Miranda, finds herself a prisoner of the Dasati and, even more ominously, of Pug's nemesis, the evil sorcerer Leso Varen. But salvation may come from a friend thought long dead—an unlikely ally whose remarkable powers will be sorely needed. For there is a momentous battle looming . . . a final, fevered onslaught against the most malevolent agents of evil ever known.

Jimmy the Hand, boy thief of Krondor, lived in the shadows of the city. Though gifted beyond his peers, Jimmy is merely a pickpocket with potential—until he aids Prince Arutha in the rescue of Princess Anita from Duke Guy du Bas-Tyra, and runs afoul of "Black Guy's" secret police. Facing a choice between disappearing on his own or in a weighted barrel at the bottom of Krondor's harbor, Jimmy chooses the former. Forced to flee the only home he's ever known, Jimmy finds

himself among the unsuspecting rural villagers of Land's End, where he hopes to prosper with his talents for con and thievery. But Land's End is home to many who tread the crooked path—and to a dark, dangerous presence even the local smugglers don't recognize. And suddenly Jimmy's youthful bravado and courage are leading him into the maw of chaos . . . and, quite possibly, to his doom.

Prince of the Blood is a work that explores strength and weakness, hope and fear, and what it means to be a man—in a kingdom where peace is the most precious commodity of all. If there were two more impetuous and carefree men in the Kingdom of the Isles, they had yet to be found. Twins Borric and Erland wore that mantle proudly, much to the chagrin of their father, Prince Arutha of Krondor. But their blissful youth has come to an end. Their uncle, the King, has produced no male children. Bypassing himself, Arutha names Borric, the eldest twin by seconds, the Royal Heir. As his brother, Erland will have his own great responsibilities to shoulder. To drive home their future roles, Arutha sends them as ambassadors to Kesh, the most feared nation in the world. Borric and Erland will be presented to the Queen of Kesh—the single most powerful ruler in the

known world—at her Seventy-fifth Jubilee Anniversary. But they have not even left Krondor when an assassination attempt on Borric is thwarted. Aware that he is being provoked into war, Arutha does not rise to the bait. His sons' journey will not be deterred, for nothing less than peace is riding on it. Yet there is to be no peace for the young princes. When their traveling party is ambushed, Borric disappears and is presumed dead—sending Erland into spirals of rage and grief as he is forced to navigate alone the court intrigues at Kesh. But unbeknownst to anyone, Borric lives and has escaped his captors. In a strange land, with a price on his head, Borric must use all his wits and stamina to find his way back to his brother. On separate paths, the two men—one a fugitive and one a future king—make their journey toward maturity, honor, and duty. For every step they take could sway the fragile peace of the land, as those who crave war rally against them—and become ever more daring.

The vile sorcerer Sidi plans to strike the kingdom a fatal blow, setting the murderous pirate Bear upon the high seas in pursuit of the vessel that is transporting Midkemia's most holy object; the Tear of the Gods. From this miraculous stone all magic power is believed to flow. And if the Tear becomes the mage's trinket, the future will hold only terror, death and unending night. For Squire James, Lieutenant William, and the able magician Jazhara, the race is on

to rescue the remarkable artifact. For all manner of dark creatures are gathering with one unspeakable purpose: to breed the chaos that will hasten the destruction of Squire James and his brave companions . . . and bring about the total corruption of the Tear of the Gods.

The last remnants of an ancient advanced race, the Clan of the Seven Stars, are returning at long last to their lost homeworld, Midkemia-not as friends, but as would-be conquerors. Led by the conjurer Laromendis, they are fleeing the relentless demon hordes that are sweeping through their galaxy and destroying the elves' vast empire planet by planet. Only by escaping to Midkemia and brutally overtaking the war-weary world can the last remnants of a mighty civilization hope to survive . . . if the Dread Legion does not pursue them through the rift. The magician Pug, Midkemia's brave and constant defender, is all too familiar with the Demon King Maarg and his minions and their foul capacity for savagery and horror, and he recognizes the even graver threat that is following on the heels of the elven invasion. The onslaught to come will dwarf every dire catastrophe his imperiled world has previously withstood, and there is no magical champion in all of Midkemia powerful enough to prevent it. Only one path remains for Pug and Midkemia's clandestine protectors, the Conclave of Shadows: forging an alliance of formidable magical talents, from the demon-

dealing warlock Amirantha, brother of Pug's hated foe, and the demon-taming cleric Sandreena, to the elven Queen Miranda, to the warrior Tomas. However, uniting enemies and bitter, vengeful former lovers will be no easy task, and even together they may ultimately be unable to turn the death tide. But a failure to do so will most certainly ensure Midkemia's doom.

It should have been so simple . . . Durine, Kethol, and Pirojil are three mercenaries who have spent twenty years fighting other people's battles, defeating the Tsurani and the Bugs and the goblins. Yet now it seems there are no more enemies to vanquish, leaving them with a few months of welcomed garrison duty as the Riftwar rages on in the west. When the trio is ordered to accompany a lady and her husband safely to the city of LaMut, it looks like an easy—even cushy—assignment. But in Midkemia, nothing is that straightforward, and the men find themselves trapped by a vicious winter storm in a castle with scheming lords and ladies, an unsolved murder, and nothing less than the political future of Midkemia at stake. . . .
