The Big Steps series is designed to help little ones cope with everyday experiences in their lives. In *No More Nappies*, meet Millie and Mo - two adorable toddlers who are ready to ditch their nappies and learn how to use the potty. Follow the ups and downs of their potty-training journey brought to life with fun flaps and mechanisms. Each page has really helpful bedtime tips for parents and carers that are endorsed by leading Early Years Consultant, Dr Amanda Gummer. With delightful illustrations from Marion Cocklico, *No More Nappies* is a brilliant way to introduce potty training in a fun and relatable way. For more toddler tips read *I'm Not Sleepy: Helping Toddlers Go To Sleep*.

This is a brilliant, funny and fresh take on the potty training book from the amazing picture book illustrator, Sam Lloyd. *Little Moo Monster* is growing up and no longer happy to be in a nappy. Moo wants to be more grown-up. So the loveable monster discards the nappy and suddenly there's poop everywhere. Mum gets a potty, and Moo practises sitting on it... until finally... success! Moo can progress to grown up pants – which means Moo can go to the **MONSTER PANT PARTY** with lots of little potty-trained (and not-quite-so-potty-trained!) friends. With lift the flaps plus great illustrations and laugh-out-loud humour, this book will be the perfect potty-training tool for all toddlers - girls and boys - and their parents. The book covers all elements of potty training -

What is the secret of talent? How do we unlock it? This groundbreaking work provides readers with tools they can use to maximize potential in themselves and others. Whether you're coaching soccer or teaching a child to play the piano, writing a novel or trying to improve your golf swing, this revolutionary book shows you how to grow talent by tapping into a newly discovered brain mechanism. Drawing on cutting-edge neurology and firsthand research gathered on journeys to nine of the world's talent hotbeds—from the baseball fields of the Caribbean to a classical-music academy in upstate New York—Coyle identifies the three key elements that will allow you to develop your gifts and optimize your performance in sports, art, music, math, or just about anything.

- **Deep Practice** Everyone knows that practice is a key to success. What everyone doesn't know is that specific kinds of practice can increase skill up to ten times faster than conventional practice.
- **Ignition** We all need a little motivation to get started. But what separates truly high achievers from the rest of the pack? A higher level of commitment—call it passion—born out of our deepest

unconscious desires and triggered by certain primal cues. Understanding how these signals work can help you ignite passion and catalyze skill development. • Master Coaching What are the secrets of the world's most effective teachers, trainers, and coaches? Discover the four virtues that enable these "talent whisperers" to fuel passion, inspire deep practice, and bring out the best in their students. These three elements work together within your brain to form myelin, a microscopic neural substance that adds vast amounts of speed and accuracy to your movements and thoughts.

Scientists have discovered that myelin might just be the holy grail: the foundation of all forms of greatness, from Michelangelo's to Michael Jordan's. The good news about myelin is that it isn't fixed at birth; to the contrary, it grows, and like anything that grows, it can be cultivated and nourished. Combining revelatory analysis with illuminating examples of regular people who have achieved greatness, this book will not only change the way you think about talent, but equip you to reach your own highest potential.

Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation.
