A true story of a young successful stockbroker going broke, and lifting his thumb in search for his true self, by traveling the world. After almost five years of traveling on five different continents, Tomislav laid down in a hammock in one village on the coast of Ecuador, and started writing a book. He was determined to put down everything he knows about traveling, and with that, answer the questions that many people ask him for years: How is it possible to travel with almost no money? Is his way of traveling safe enough? What are the worst, and the best moments on the road? How can you earn money while traveling? Where to look for sponsors? How did his parents and friends react? Why is he traveling in the first place? Since it was impossible to give a simple and short answers to those questions, he started answering them in the only way possible - by telling his life story. Tomislav wrote about his student days in Croatia, about the days when he had a well paid job as a stockbroker, about going bankrupt, about turning his life around, about first ventures on the road with a backpack on his back, and about finding a way that he will follow in the years to come - by traveling. Tomislav wrote about hitchhiking in numerous countries, sleeping in homes of strangers, camping on the side of the road, eating in supermarkets and drinking beer in parks, volunteering, many anecdotes that he encountered on the road, natural beauties that left him breathless, and about the beautiful people that he met on the way.
