Solomon left us twenty-eight profound leadership strategies--as valid today as when the proverbs were written. The same extraordinary wisdom that transformed Solomon's world can revolutionize every aspect of leadership--from assembling a cohesive team to managing a crisis--for any CEO, manager, pastor, coach, military strategist, or government leader. Pat Williams, senior vice president of the Orlando Magic, uses time-honored principles, real-life stories, and compelling takeaways to apply Solomon's ancient insights to the high-speed world in which we live today.

guidelines and information, up-to-date references, and lively illustrations in this wide-ranging volume. *Interpreting Historic House Museums* captures the big picture and important details. Its scope and accessibility will make it useful and relevant for both students and practicing professionals. This collection gathers together a stellar group of contributors offering innovative perspectives on the issues of language and translation in postcolonial studies. In a world where bi- and multilingualism have become quite normal, this volume identifies a gap in the critical apparatus in postcolonial studies in order to read cultural texts emerging out of multilingual contexts. The role of translation and an awareness of the multilingual spaces in which many postcolonial texts are written are fundamental issues with which postcolonial studies needs to engage in a far more concerted fashion. The essays in this book by contributors from Australia, New Zealand, Zimbabwe, Cyprus, Malaysia, Quebec, Ireland, France, Scotland, the US, and Italy outline a pragmatics of language and translation of value to scholars with an interest in the changing forms of literature and culture in our times. Essay topics include: multilingual textual politics; the benefits of multilingual education in postcolonial countries; the language of gender and sexuality in postcolonial literatures; translational cities; postcolonial calligraphy; globalization and the new digital ecology.

toward electrification to power commercial shipping, naval, and passenger vessels, this book helps new or experienced engineers master cutting-edge methods for power system design, control, protection, and economic use of power. Provides Basic Transferable Skills for Managing Electrical Power on Ships or on Land This groundbreaking book is the first volume of its kind to illustrate optimization of all aspects of shipboard electrical power systems. Applying author Mukund Patel's rare combination of industrial and educational work experiences and insight, it offers solutions to meet the increasing demand for large, fast, efficient, and reconfigurable ships to compete in international markets. That varied experience helped him zero in on the specialized multidimensional knowledge an engineer requires—and that is what sets his book apart. Compiles Critical, Hard-to-Find Information on Power System Design, Analysis, and Operation The global shortage of power engineers is not deterring countries from heavily investing in construction of new power plants and grids. Consequent growth in university electrical power programs is satisfying the demand for engineers, but novice graduates require accelerated understanding and practical experience before entering the thriving maritime segment. Ideal for readers with limited electrical experience, wide-ranging coverage includes power system basics, power generation,

What is God Saying for the Year 2021? If there is anything the year 2020 taught us, it is that "It is not of him that willeth, nor of him that runneth, but of the Lord that showeth mercy." Many 2020 (new year) resolutions and goals were abandoned. We were forced to create new goals centered only around the most important things of life, which are: life, health, and survival. While I believe in planning and drawing yearly goals, I believe more in surrendering the entire year to God and planning it with Him. This is what this manual is all about. This is not a book of predictions for 2021. It is rather a book of prayers to take charge of the year. It is our usual guide to 21 Days Fasting and Prayers to Command the Year, Receive Direction and Provoke Favor, Restoration, and Breakthrough. With this manual, you will arise and prophesy to the year, surrender your plans to God, hear the voice of God, be empowered to follow God's purpose for your life, and achieve what truly matters. It is our year of dominion! But what is dominion? How do we activate the power to walk in dominion throughout the year? What specific scriptures and prayers can we use to discern God's direction for the year and command His protection, favor, and financial prosperity This book gives you these powerful answers. Over the years, I learned firsthand the power of waiting on the Lord to take instructions to run with, instead of just drawing all kinds of goals for my life. This knowledge changed my entire life and made my life

more impactful, more challenging, and more fulfilling. The Bible says: Psalm 37:5 - Commit everything you do to the LORD. Trust him, and he will help you (NLT) Proverbs 16: 3 - Commit to the LORD whatever you do, and he will establish your plans (NIV). David and Solomon made these statements not out of trying to sound religious. But based on their own various experiences. One thing to always remember is that "Man, no matter how intelligent, is incapable of designing a path of peace and fulfillment for himself without God." Don't just draw new year plans, come before God for direction. God wants something better and bigger for you. He does not make our lives boring. He makes it more exciting than we'll ever imagine. In this 21 days fasting and prayer guide, you will discover: => Why it is better to plan your life in God's presence. => Prayers to hear the voice of God and access divine direction. => Prayers for uncommon favor in life => Prayers to deal with negative spiritual strongholds. => Prayers to stop witchcraft activities against your life and destiny. => Prayers for financial breakthroughs and business ideas. => Prayers against delays and stagnation. => Prayers for protection and healing. => Prayers for your marriage and family. => Prayers for the nation and community, and lots more... The prayers in this book cover most aspects of life and will help you encounter God in a unique way. It will help to completely surrender all to the LORD, and be empowered to walk in God's plan for your life. What's the Secret of Prayer? Prayer. We all know it should be a bigger part of our life. Thinking of Getting Married? Then Embrace Intentional Prayers. There is a time to seek a wife or a husband. There is a time to get married. There is a time to quit single life and embark on the marriage journey. Marriage is an exciting adventure. Unfortunately, many have made a shipwreck of it. The number of divorce cases keeps increasing despite the number of books and marriage counseling out there. Why? I believe that one of the major reasons for the increasing number of failed marriages is because God is left out of the equation. Many people believe that since marriage is more physical than spiritual, God should not be consulted. We forget that marriage is in the first place, God's institution. If we're going to get the best out of our marriages and relationships, then we must recognize the source of marriage, and as much as we can, make efforts to run our marriages using the owner's manual for it. So, if you feel you've come to this stage of your life - to seek a life partner - then one of the best things you can do is to pray. Prayer is one of the most powerful ways to start

your marriage journey. It will take the unforeseen circumstances off your chest and keep them at God's feet. It will prepare the way for you and make the crooked places straight. Praying for a life partner (and ultimately your marriage) does not mean that you will not have issues in your marriage. Not at all. Praying for a godly spouse does not necessarily exempt one from the challenges of marriage. However, it will position you for victory, from time to time. Issues will always come up but God will always give you victory. The Bible says, "It is not of him that willet, neither him that runneth, but God that showeth mercy" (Romans 9:16). "The horse is ready for battle, but victory belongs to God" (Proverbs 21:31). Prayer, among other things, changes you. It will soften your heart, make you more humble, help you discern between wolves and sheep, and position you at the right place. Prayer will also destroy spiritual barriers and obstacles that cause marital delays. So, download this book right now and start your prayer journey for your marriage.

The Prophetic Intercessor gives readers a fresh vision for the importance of intercessory prayer for themselves, their churches, and the world.
