It emphasizes the supreme power and effectiveness of ChristaEUR(tm)s perpetual priestly sacrifice in setting all captives free, and alerts readers to the unseen but game-changing Spirit-inspired intercession of the contemplative approach to healing. Contemplation intensifies GodaEUR(tm)s fire-power in us through the Holy Spirit, we share in Divine intimacy, and are enabled to fight the good fight against the crosses of bondage with a sure and humble resignation to GodaEUR(tm)s Divine and always Victorious will.

Feeding Demons Perry Stone, 2018-03

The Negative Patterns of Paternal Bloodline Prophetess Nhyira Wallace, 2021-11-07 Is there any strange paternal occurrence in your ancestral lineage? What is the pattern of your marriage? What is the pattern in your financial life? What is the pattern of your economic life? Why are the men and women not getting married? Why must there be a strange sickness along the line? Why are there negative patterns of failure in the family? Why is there a history of rise and fall after a particular age? Why is premature death so rampant in your family? Why are there “born-one” syndrome in your paternal lineage? Many questions on the patterns of family history has necessitated the writing of this book. The sin of idolatry and ancestral curses are the main causes of most of the issues we are facing in life.

Foundations Obiora Okafor, 2021-02-23 Generational Curses destroys family foundation...we shall be seeing how to fight the occurrences of the past and take control of our tomorrow. A Generational Curse involves negative patterns from your family history that are repeated in your own life. However, God's plan for you is to have a better life and destiny. You can overcome these curses of the past by making the most use of the power in prayers and obedient to God's word as you will be seeing some of them emphasized in this book. According to Scriptural narrative of Abraham's family lineage, the iniquity of deception was randomly identified, which indirectly became a stronghold that affected the lives of Abraham, Isaac, Jacob, and Jacob's sons in their generations. (See Genesis 12:10-20, 20, 26:1-11, 27:1-40, 37:12-36.) On the other hand, the New Testament example of Lois, Eunice, and Timothy highly reveals the richness of a heritage of faith. I am reminded of your sincere faith, which first lived in your grandmother Lois and in your mother Eunice and, I am persuaded, now lives in you also. (II Timothy 1:5.) When we recognize how our lives are negatively influenced by our ancestors, we can take action appropriately to that influence by sincerely bringing the entire family line into prayer of repentance. We should also be thankful and celebrate the good that has been passed down through our families foundations. For as much as we know the importance of building a good foundation towards a goal or vision, most times we are in a hurry to carry out careful and proper analysis about the subject. When a Foundation is bad it has no respect of our ignorance, status and age. It is not a religious creed; it's the reality of life. The submission is this, whether you know or believe, it has grip on you. Primarily, we are narrowing down this discuss on the foundations that affects our lives and destiny. The purpose of this book is to address faulty family foundations in the light of God's word and activate salvation and deliverance where necessary. Principally, the family is the foundation of every human born on the earth. So most of the troubles we face are traceable to our originality. Many factors spark the interest, including the root of the man and woman that give birth to you, the things you have done which directly or indirectly affects the already laid down structure. Our ancestors sinned and are no more, and we bear their

punishment. Lamentation 5:7. People rejecting the knowledge of God's word, forfeit a firm foundation and establishes their own woos without knowing. At any time we forgot the law of God, neither desire nor endeavor to retain it in mind, nor to transmit the remembrance of it to their posterity, and therefore ironically without knowing we are we drafting into a breach in communication with God. When we don't educate our foundation, as we ought to have done, in the knowledge of God and their duty to him, and therefore God will renounce such a people, as not in covenant with him. Note, If parents do not teach their children, when they are young, to remember their Creator, they cannot expect that their Creator should remember them and fight battles link to their foundations. This book is written to awake families to expect some stress with the workload or family dynamics in fighting to achieve and maintain a unify solid foundation, which can be obtained by getting together as often as possible to figure out how to help each other grow a stronger foundation. When dealing with family foundation it is very important we take a comprehensive investigation inside out, identify generational sins, and break free from the curse once and for all. Now is the time for you to breakout from every evil of the past and take control of your future. What you do not confront, you cannot conquer.

Breaking Family Curses Jonas A. Clark, 2011-03 Stop the curses that visit your family. Demon powers and familiar spirits look for family curses. Family curses are reoccurring problems that steal, kill and destroy. There are many curses that can plague you from reoccurring sicknesses, and marital problems to repeated financial failures. Curses can visit because of relatives up your family tree because God visits the iniquities of the fathers upon the third and fourth generation. You cannot choose your relatives any more than you can choose skin color, gender or race. Did someone in your family lineage sin against God? Mature believers don't let the demons of family members past alter their futures. It is comforting to know that deliverance from family curses belongs to you. Before you can break the generational curses you need to identify what they look like. Family curses are real. You can't hide from them, you must break them.
