When Coach John Wooden graduated from eighth grade his father gave him a handwritten card and said, "Son, try to live up to this." On the card, his father had written seven simple yet profound life principles: Be true to yourself Help others Make friendship a fine art Drink deeply from good books, especially the Bible Make each day your masterpiece Build a shelter against a rainy day by the life you live Give thanks for your blessings and pray for guidance every day These principles were the key to Coach Wooden's greatness--and his goodness. Through powerful stories and pithy advice, this book shares the wisdom that made Wooden happy and successful. This inspirational and conversational book will encourage, challenge, and motivate readers to build these principles into their own lives.

At the first practice of each season, legendary coach John Wooden taught his players how to put on their socks and shoes a very particular way. When asked about this, he replied, "The little things matter. All I need is one little wrinkle in one sock to put a blister on one foot--and it could ruin my whole season. I started teaching about shoes and socks early in my career, and I saw that it really did cut down on blisters during the season. That little detail gave us an edge." Coach Wooden knew the long-term impact of little things done well. Now Pat Williams takes Coach Wooden's lesson, along with stories of people whose lives have exemplified the importance of little things done well, and shows readers how the small things one does or doesn't do drastically affect one's integrity, reputation, health, career, faith, and success. People who want to do their best in life, family, work, and faith will benefit from this entertaining and inspirational book.

NATIONAL BESTSELLER "I am just a common man who is true to his beliefs."--John Wooden Evoking days gone by when coaches were respected as much for their off-court performances as for their success on the court, Wooden presents the timeless wisdom of legendary basketball coach John Wooden. In honest and telling passages about virtually every aspect of life, Coach shares his personal philosophy on family, achievement, success, and excellence. Raised on a small farm in south-central Indiana, he offers lessons and wisdom learned throughout his career at UCLA, and life as a dedicated husband, father, and teacher. These lessons, along with personal letters from Bill Walton, Denny Crum, Kareem Abdul-Jabbar, and Bob Costas, among others, have made Wooden: A Lifetime of Observations and Reflections on and off the Court an inspirational classic.

"This literature review examines the facets of coaching success. Coaching success can be measured by building successful leaders and followers in organizations. Coaches do this by creating a sense of community within their teams, by giving their athletes networks and trusting relationships. A coach is successful by giving athletes the tools they need to become winners in life. Looking at legendary coach John Wooden's Pyramid of Success and Vanier's Notion to Community will help examine coaching success. Coaching is more about creating successful leaders and followers than it is about winning. Success does not come from winning because wins can be taken away. Wooden (2005) suggests that success comes from knowing that you did your best to become the best you are capable of becoming."--leaf 2.

*Be Quick, But Don't Hurry* presents the team-building management secrets of the greatest coach of the twentieth century, cloaked in the heartwarming tale of the reluctant protege who learned those secrets in spite of himself. Perhaps the least controversial sports honor in living memory was the selection of John Wooden as "Coach of the Century" by ESPN, honoring his ten NCAA basketball championships in a twelve-year stretch. His UCLA teams won with great centers and with small lineups, with superstars and with team effort, always with quickness, always with class. Wooden was a teacher first and foremost, and his lessons -- taught on the basketball court, but applicable throughout one's life -- are summarized in his famed Pyramid of Success. Andrew Hill was one of the lucky young men who got to learn from Wooden in his favored classroom -- though that is hardly how Hill would have described it at the time. An all-city high school player in Los Angeles, Hill played -- a little -- on three national champions, from 1970 to 1972. Hill was left embittered by his experience at UCLA; he was upset at how unequally Wooden treated his starting players and his substitutes. Hill went on to a successful career in television, rising to the presidency of CBS Productions, where he was responsible for the success of such popular series as *Touched by an Angel* and *Dr. Quinn, Medicine Woman*. Hill's job required him to manage many creative people, with the egos and insecurities that usually go along with such talents. And one day, some twenty-five years after he graduated, he was hit with the realization that everything he knew about getting the best out of people he had learned directly from Coach John Wooden. With no small trepidation, Hill picked up the phone to call and thank his old coach and unexpected mentor. To his surprise, Wooden greeted him warmly and enthusiastically. A strong friendship, sealed in frequent visits and conversations, ensued, and endures. *Be Quick -- But Don't Hurry!* tells the story of that friendship. But it also shares the lessons and secrets that Hill learned from Coach Wooden, which hold the key to managing creatively in the idea-driven economy of the twenty-first century. Among those lessons are: -The team with the best players almost always wins -Be quick, but don't hurry: there is never enough time to be sure (and if you are sure, you're probably too late), but you must always keep your balance -Failing to prepare is preparing to fail -The team that makes the most mistakes...wins! Full of sound advice and warm reminiscence, *Be Quick -- But Don't Hurry!* is the management book of a lifetime.

Not only was John Wooden a great basketball coach, he was a master teacher. In fact, he was a great coach because he was a master teacher. John Wooden, one of the most enduring and meaningful relationships in sports history.
