This volume presents a detailed iconographic and stylistic study of a group of profusely illustrated manuscripts, from 1570's-80's. This group comprises 21 copies of three Persian texts, all entitled Stories of the Prophets. The lives and deeds of mostly biblical figures, considered by Muslims as prophets, are mentioned briefly in the Koran. They are then developed and enlarged upon in the writings of religious scholars, historians, sufi poets, and popular storytellers. The variation of literary details reflect the differences between Muslim religious trends and the debts of Islamic thinking and art, to pre-Islamic traditions and the syncretism of these various traditions with Islamic theology.

The quotation [A detailed exposition of the quotation will be found on page 38] purported to prove that Muhammad (pbuh), the prophet of Islam, was the greatest man that ever lived. Mr. Mehtar was in the habit of passing information on to me, believing that I might put the same to some good use at the proper time and place. Before this he had presented me with "The Call of the Minaret," an expensive book written by (Bishop Kenneth Cragg). By analysing this book I discovered the masterful deceit of the Christian Orientalists.

'I thought the nation was coming to an end' When Khushwant Singh witnessed the violence of Partition nearly seventy years ago, he believed that he had seen the worst that India could do to herself. But after the carnage in Gujarat in 2002, he had reason to feel that the worst, perhaps, was still to come. Analysing the communal violence in Gujarat in 2002, the anti-Sikh riots of 1984, the burning of Graham Staines and his children, the targeted killings by terrorists in Punjab and Kashmir, Khushwant Singh forces us to confront the absolute corruption of religion that has made us among the most brutal people on earth. He also points out that fundamentalism has less to do with religion than with politics. And communal politics, he reminds us, is only the most visible of the demons we have nurtured and let loose upon ourselves. A brave and passionate book, The End of India is a wake-up call for every citizen concerned about his or her own future, if not the nation's.
