Widely acknowledged as a contemporary classic that has introduced thousands of readers to American literature, From Puritanism to Postmodernism: A History of American Literature brilliantly charts the fascinating story of American literature from the Puritan legacy to the advent of postmodernism. From realism and romanticism to modernism and postmodernism it examines and reflects on the work of a rich panoply of writers, including Poe, Melville, Fitzgerald, Pound, Wallace Stevens, Gwendolyn Brooks and Thomas Pynchon. Characterised throughout by a vibrant and engaging style it is a superb introduction to American literature, placing it thoughtfully in its rich social, ideological and historical context. A tour de force of both literary and historical writing, this Routledge Classics edition includes a new preface by co-author Richard Ruland, a new foreword by Linda Wagner-Martin and a fascinating interview with Richard Ruland, in which he reflects on the nature of American fiction and his collaboration with Malcolm Bradbury. It is published here for the first time.

Paul Cullen (1803–78) was the outstanding figure in Irish history between the death of Daniel O'Connell and the rise of Charles Stewart Parnell. Yet this powerful prelate remains an enigmatic figure. This new study of his career sets out to reveal the real nature of his achievements in putting his stamp so indelibly on the Irish Catholic Church. After several years spent in Rome, at a time when the papal states were under constant attack, Cullen was sent back to Ireland as Archbishop of Armagh and subsequently of Dublin. He had been charged with reorganizing the Catholic Church in his native country—a task which brought him into conflict with the authorities, many of his fellow-bishops and frequently nationalist opinion. The first Irishman to be made a cardinal, he played a leading part in securing the declaration of papal infallibility from the First Vatican Council (1870). Cardinal Cullen has not generally been well treated by historians. A brilliant scholar, whose intelligence was never underestimated by contemporaries, he has been dismissed as an 'industrious mediocrity.' A tough-minded, indefatigable political tactician, he has nevertheless been described as a world-denying spiritual leader. Cullen was the most devoted of papal servants, yet he was accused of 'preferring the ... principles of Irish nationalism to the opinions of his friend Pius IX.' Generations of Irish nationalist historians, however, have taken a different view, seeing the leading Irish churchman of the nineteenth century as a tool of the British government. In Paul Cardinal Cullen and the Shaping of Modern Irish Catholicism, Desmond Bowen shows the true purpose of Cullen's mission. An Ultramontanist of the most uncompromising type—'a Roman of the Romans'—neither the aspirations of the Irish nationalists nor the concerns of British governments were of primary importance to him. The mind and accomplishments of this most reserved and complex of men can be understood only in his total dedication to the mission of the papacy as he interpreted it during a time of crisis for the Catholic Church throughout Europe.

PRAISE FOR SHIRLEY MCKAY 'Intoxicating mix of dramatic crime and repressed passion' - New Books 'A gripping mystery that holds the reader to the very last page, and a marvellous portrait of St Andrews in the sixteenth century' - John Burnside St Andrews. 1583, and tensions are running high. Dissension rages between King and councillors, and between the separate factions of the Kirk. At St Mary's college, the reformer Andrew Melville is unsettled by a series of unnatural events, while the ailing Archbishop Patrick Adamson plays out his darkest fantasies, in the safe seclusion of the castle vaults. Hew is called to investigate a mysterious incident and finds suspicion falling upon him as he is ensnared in a world of superstition, subterfuge and death. This new Hew Cullen story sees the academic lawyer once again in the company of his sister Meg and her husband, physician Giles Locke, in their most challenging case yet. Alliances are formed; there are old scores to be settled; old ghosts reappear and spies are abroad. The king's escape from captivity throws all in confusion, and as Hew's loves and loyalties are put to the test, his own life and future are no longer secure. Friend & Foe is the fourth Hew Cullen mystery by Shirley McKay. Hue & Cry, Fate & Fortune and Time & Tide are also available from Polygon.

A National Bestseller, a New York Times Notable Book, and an Entertainment Weekly Best Book of the Year from the author of Extra Life "By turns a medical thriller, detective story, and paean to city life, Johnson's account of the outbreak and its modern implications is a true page-turner." —The Washington Post "Thought-provoking." —Entertainment Weekly It's the summer of 1854, and London is just emerging as one of the first modern cities in the world. But lacking the infrastructure—garbage removal, clean water, sewers—necessary to support its rapidly expanding population, the city has become the perfect breeding ground for a terrifying disease no one knows how to cure. As the cholera outbreak takes hold, a physician and a local curate are spurred to action—and ultimately solve the most pressing medical riddle of their time. In a triumph of multidisciplinary thinking, Johnson illuminates the intertwined histories of the spread of disease, the rise of cities, and the nature of scientific inquiry, offering both a riveting history and a powerful explanation of how it has shaped the world we live in.

As the love triangle heats up in the third book, Bella must choose between her friendship with Jacob and her romance with Edward -- and her decision could change the fate of vampires and werewolves forever. As Seattle is ravaged by a string of mysterious killings and a malicious vampire continues her quest for revenge, Bella once again finds herself surrounded by danger. In the midst of it all, she is forced to choose between her love for Edward and her friendship with Jacob -- knowing that her decision has the potential to ignite the ageless struggle between vampire and werewolf. With her graduation quickly approaching, Bella has one more decision to make: life or death. But which is which? It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

A suspenseful novel of sixteenth-century Scotland from a Dagger Award finalist: "A richly imagined tale, very well researched." —Historical Novel Society 1587: Three years after his enforced departure to London, lawyer Hew Cullen is reconciled with King James VI and recalled to Scotland. He elopes to St Andrews with a young Englishwoman. But the death of Mary, Queen of Scots has unleashed a wave of anti-English sentiment among the Scottish people, and fear and confusion in the king himself. James will grant his blessing to their controversial marriage on the condition that Hew discovers what lies behind a painting cunningly contrived to prick the young king's conscience—an anamorphic death's-head with his mother's face. Meanwhile in St Andrews, the death of a painter is troubling to Giles Locke, and the English Frances, struggling to adapt to a foreign town and culture, helps Hew find the link among the artists and intriguers of opposing courts, a quest for love—and life—requiring all his skills...

Queen & Country A Hew Cullen Mystery Casemate Publishers

NATIONAL BESTSELLER Being a teenager has never been easy, but in recent years, with the rise of the Internet and social media, it has become exponentially more challenging. Bullying, once thought of as the province of queen bees and goons, has taken on new, complex, and insidious forms, as parents and educators know all too well. No writer is better poised to explore this territory than Emily Bazelon, who has established herself as a leading voice on the social and legal aspects of teenage drama. In Sticks and Stones, she brings readers on a deeply researched, clear-eyed journey into the ever-shifting landscape of teenage meanness and its sometimes devastating consequences. The result is an indispensable book that takes us from school cafeterias to courtrooms to the offices of Facebook, the website where so much teenage life, good and bad, now unfolds. Along the way, Bazelon defines what bullying is and, just as important, what it is not. She explores when intervention is essential and when kids should be given the freedom to fend for

themselves. She also dispels persistent myths: that girls bully more than boys, that online and in-person bullying are entirely distinct, that bullying is a common cause of suicide, and that harsh criminal penalties are an effective deterrent. Above all, she believes that to deal with the problem, we must first understand it. Blending keen journalistic and narrative skills, Bazelon explores different facets of bullying through the stories of three young people who found themselves caught in the thick of it. Thirteen-year-old Monique endured months of harassment and exclusion before her mother finally pulled her out of school. Jacob was threatened and physically attacked over his sexuality in eighth grade—and then sued to protect himself and change the culture of his school. Flannery was one of six teens who faced criminal charges after a fellow student's suicide was blamed on bullying and made international headlines. With grace and authority, Bazelon chronicles how these kids' predicaments escalated, to no one's benefit, into community-wide wars. Cutting through the noise, misinformation, and sensationalism, she takes us into schools that have succeeded in reducing bullying and examines their successful strategies. The result is a groundbreaking book that will help parents, educators, and teens themselves better understand what kids are going through today and what can be done to help them through it. Contains a new discussion guide for classroom use and book groups

Praise for *Sticks and Stones* "Intelligent, rigorous . . . [Emily Bazelon] is a compassionate champion for justice in the domain of childhood's essential unfairness."—Andrew Solomon, *The New York Times Book Review* "[Bazelon] does not stint on the psychological literature, but the result never feels dense with studies; it's immersive storytelling with a sturdy base of science underneath, and draws its authority and power from both."—*New York Times* "A humane and closely reported exploration of the way that hurtful power relationships play out in the contemporary public-school setting . . . As a parent herself, [Bazelon] brings clear, kind analysis to complex and upsetting circumstances."—*The Wall Street Journal* "Bullying isn't new. But our attempts to respond to it are, as Bazelon explains in her richly detailed, thought-provoking book. . . . Comprehensive in her reporting and balanced in her conclusions, Bazelon extracts from these stories useful lessons for young people, parents and principals alike."—*The Washington Post*

The first comprehensive historical biography of Laura Ingalls Wilder, the beloved author of the *Little House on the Prairie* books Millions of readers of *Little House on the Prairie* believe they know Laura Ingalls—the pioneer girl who survived blizzards and near-starvation on the Great Plains, and the woman who wrote the famous autobiographical books. But the true saga of her life has never been fully told. Now, drawing on unpublished manuscripts, letters, diaries, and land and financial records, Caroline Fraser—the editor of the Library of America edition of the *Little House* series—masterfully fills in the gaps in Wilder's biography. Revealing the grown-up story behind the most influential childhood epic of pioneer life, she also chronicles Wilder's tumultuous relationship with her journalist daughter, Rose Wilder Lane, setting the record straight regarding charges of ghostwriting that have swirled around the books. The *Little House* books, for all the hardships they describe, are paeans to the pioneer spirit, portraying it as triumphant against all odds. But Wilder's real life was harder and grittier than that, a story of relentless struggle, rootlessness, and poverty. It was only in her sixties, after losing nearly everything in the Great Depression, that she turned to children's books, recasting her hardscrabble childhood as a celebratory vision of homesteading—and achieving fame and fortune in the process, in one of the most astonishing rags-to-riches episodes in American letters. Spanning nearly a century of epochal change, from the Indian Wars to the Dust Bowl, Wilder's dramatic life provides a unique perspective on American history and our national mythology of self-reliance. With fresh insights and new discoveries, *Prairie Fires* reveals the complex woman whose classic stories grip us to this day.

Martinmas is the fourth instalment of *1588: A Calendar of Crime*, a collection of short stories published in step with the sixteenth century calendar. In St Salvator's college at the start of the academic year a young student claims that he has seen the ghost of a Spanish soldier. Giles and Hew dismiss this as the fevered product of a wild imagination; the students are unsettled by a spate of violent storms, and fears of the apocalypse readily resurge. In the close confines of college, they can be contained. But when a merchant dies, on the feast of St Martin known as 'killing time', with the words 'dead Spaniard' the last upon his lips, the terror of the students spills out to the streets, and Hew is called upon to rid the town of ghosts.

USA TODAY BESTSELLER • Perfect for fans of Mary Balogh and Eloisa James, Sharon Cullen's seductive new historical romance ignites as a shy country girl and a hotheaded duke surrender to dangerous temptations. Lady Sara Emerson was jolted out of her dull provincial life by her cousin's murder. Now that the killer seems to be targeting her, Sara seeks help from the man who was once her cousin's fiancé, Gabriel Ferguson, Duke of Rossmoyne. With his towering frame and fiery personality, Ross cuts an intimidating figure. Living under his protection, however, has its own hazards—like the sudden urge Sara feels to take their relationship in new, exquisitely inappropriate directions. Dazzled by the social graces of his betrothed, Ross never noticed her shy, blushing cousin. Looking at Sara now, though, he's drawn to her lovely eyes and calm disposition. Funny how a year away from the hustle and bustle of the ton changes a man. But Ross has no intention of allowing a woman to interfere with his plan to return overseas. He will simply capture the murderer and set sail once again. The problem is, with her beguiling lips and heavenly touch, Sara makes him never want to leave home—or his bed—again. Praise for *The Reluctant Duchess* "Riveting . . . The true depth of the characters is revealed through dialogue that eschews Austen-style witticisms for thoughtful discussion and quiet but determined clashes of will. Intense romance and intriguing mystery

make this a tale to be savored.”—Publishers Weekly (starred review) “Cullen allows the suspense to ebb and flow naturally between finding clues and hitting dead ends. She wisely uses the downtime to develop two strong main characters. Ross’s ability to see past Sara’s shy reserve and his admiration for her courage and strength will have readers rooting for the couple’s success. Highly recommended for historical romance buffs who prefer a little mayhem in the mix.”—Library Journal (starred review) “Many readers will enjoy this lively Victorian tale starring a protective hero and a quietly stubborn heroine.”—Anne Gracie, award-winning author of *The Spring Bride* “*The Reluctant Duchess* is a tale replete with sizzling tension and high stakes, as could only come from the pen of Sharon Cullen.”—Ashlyn Macnamara, author of *What a Lady Requires* Includes a special message from the editor, as well as an excerpt from another Loveswept title.

Rarely, if ever, have business schools experienced change as far-reaching and powerful as during the current wave of globalization. Understanding these changes, and their implications, was the charge given to an AACSB Task Force on Globalization of Management Education. In this comprehensive report, the Task Force explores broad globalization trends in management education that command the attention of any individual or institution striving to navigate in today's environment. Then, by exploring individual business school strategies, it provides valuable insights into how business schools can and should respond. The report aims to encourage and guide business schools to embrace globalization in ways that are mission-appropriate, manageable given available resources, and meaningful to the stakeholders being served. For organizations serving business schools, it will be a catalyst for action that elevates and improves business schools' capabilities. Readers will be left with the conviction that great opportunities exist for business schools to move from keeping pace with the sweeping changes of globalization, to leading the way.

In the sixteenth century, a girl is found dead on the beach at St Andrews, Scotland, and a young scholar of the law must play sleuth. 1581: Young St Andrews academic Hew Cullen is unhappy with his life and disillusioned with the law. After his father's death he is invited by the advocate Richard Cunningham to complete his legal education in Edinburgh as Richard's pupil at the bar. Among his father's things, Hew finds a manuscript entitled "In Defence of the Law," directed to the Edinburgh printer Christian Hall. At first, he resists its influence, but when a young girl is found dead on the beach at St Andrews, he is left unsettled and confused. He resolves to take the book to press and agrees to Richard's offer. Embarking on his new life in the capital, he falls in love. His relationships are fraught with lies and secrets and lead to brutal murder on the borough muir. Hew suspects a link with the dead girl on the beach. As he begins his desperate search to find the killer, he finds that the truth lies closer to home, in this historical mystery by a Dagger Award finalist.
