Tulsian's Quick Revision for Financial Accounting is a self-study handbook. Loaded with practical questions, this book is a perfect revision text - comprises structured questions based on pattern and scheme adopted in examinations.

Divided into a selection of questions, exercises, and problems, this workbook will help keep accountants on top of current international economic affairs. The questions are multiple-choice and ensure understanding of a topic before moving onto the exercises and problems. The exercises can be used to develop proficiency in a topic where students are expected to reach the standard of the problems, and the problems are longer and more complex in nature, requiring an in-depth understanding of the topic. Combined, this complete approach provides a full view of the up-to-date requirements of the International Financial Reporting Standards.

This book on Advanced Financial Accounting is exclusively designed for B.COM II Semester students of Bangalore University. The aim of the

book is to acquaint readers with accounting standards and procedures followed by different types of businesses in a student-friendly and meticulous manner.
