"A work for all time . . . (with) a tremendous amount of historical information which has never been published. . . . It will be the standard text and reference work in the ragtime field." — Rag Times. This well-known, highly praised book is the definitive history of ragtime music and its composers. Both authors are widely celebrated composers, performers, collectors, historians, and critics of ragtime music. With great enthusiasm and expertise, they trace the growth and diversification of ragtime from its earliest beginnings in the late nineteenth century through its heyday in the Folk, Classic, Popular, Novelty, and Stride Ragtime periods to its current revival. Forty-eight major composers are discussed, including Scott Joplin, Zez Confrey, Jelly Roll Morton, Fats Waller, and many other greats. In addition, 800 important rags are profiled, most of them bearing the carefree titles that were part of the tradition, titles like "Canned Corn Rag," "Bantam Step," "Too Much Raspberry," "Ragging the Scale," and "Red Onion Rag." Each profile includes date of publication, original publisher, a discography, and a commentary of the unique character and appeal of each rag. Over 100 photographs, many of them rare, illuminate this lively chronicle, along with reproductions of original sheet music and many other items of interest from the authors' personal archives. "Jasen and Tichenor have no peers in ragtime knowledge. . . . They are the two unchallengeable authorities in the field of ragtime history, personalities, and musical forms." — The Classic Rag. "A combination encyclopedia/biography/history/analysis and review, it teems with what would appear to be everything the ragtime buff or casual inquirer needs or

wants to know about the music that won't stand still." — The Christian Science Monitor. "Rags and Ragtime tells it all. There's a lot here I didn't know in pictures, music, and words." — Eubie Blake.

(Piano Solo Sheets). This sheet music features an intermediate-level piano solo arrangement of the beloved Beethoven work.

(Ukulele). 15 of the most popular ragtime piano pieces for the ukulele are arranged by Fred Sokolow in this collection featuring music notation, tablature, and online audio demonstration tracks. Ragtime: An Encyclopedia, Discography, and Sheetography is the definitive reference work for this important popular form of music that flourished from the 1890s through the 1920s, and was one of the key predecessors of jazz. It collects for the first time entries on all the important composers and performers, and descriptions of their works; a complete listing of all known published ragtime compositions, even those self-published and known only in single copies; and a complete discography from the cylinder era to today. It also represents the culmination of a lifetime's research for its author, considered to be the foremost scholar of ragtime and early twentieth-century popular music. Rare photographs accompany most entries, taken from the original sheets, newspapers, and other archival sources.
