*Jihad in Islam* Muhammad Sa'id Ramadan Būṭī, 1995

**The Jurisprudence of the Prophetic Biography & a Brief History of Rightly Guided Caliphs** Muhammad Sa'id Ramadan Būṭī, Anas Rifā'ī, 2008

**A'isha; Wife to the Prophet, Mother to a Nation** Shaykh Muhammad Sa'id Ramadan al-Buti, 2021-08-31 Certainly, the biography of Sayidah A'isha, the Mother of the Believers, has provoked many a topic to occupy historians, students of the Shariah, as well as those who follow their whims and desires, and continues to do so. Truly in her biography is what is worthy to be studied and defended, against those biased ones that bring about doubts and aspersions. Sayidah A'isha (r) had an unparalleled personality. Through which she occupied a special place in the heart of the Messenger of Allah (s) and in his life. It was as if he had prepared her to be one of the preservers of his knowledge. 2210 hadiths have been narrated by her from the Prophet (s). But that is not all, for she was also accomplished in many sciences and in giving legal judgements (ijtihad). Abu Musa Al-Ashari (r) said about her, Never did a hadith become difficult upon the Companions of the Messenger (s) to understand, except we would ask A'isha and find knowledge of it with her. This book is a response to some of the disconcerting events of her life, accompanied by evidence, proofs and facts.

In the Footsteps of the Prophet Tariq Ramadan, 2007-02-05 Named by Time magazine as one of the 100 most important innovators of the century, Tariq Ramadan is a leading Muslim scholar, with a large following especially among young European and American Muslims. Now, in his first book written for a wide audience, he offers a marvelous biography of the Prophet Muhammad, one that highlights the spiritual and ethical teachings of one of the most influential figures in human history. In the Footsteps of the Prophet is a fresh and perceptive look at Muhammad, capturing a life that was often eventful, gripping, and highly charged. Ramadan provides both an intimate portrait of a man who was shy, kind, but determined, as well as a dramatic chronicle of a leader who launched a great religion and inspired a vast empire. More important, Ramadan presents the main events of the Prophet's life in a way that highlights his spiritual and ethical teachings. The book

underscores the significance of the Prophet's example for some of today's most controversial issues, such as the treatment of the poor, the role of women, Islamic criminal punishments, war, racism, and relations with other religions. Selecting those facts and stories from which we can draw a profound and vivid spiritual picture, the author asks how can the Prophet's life remain -- or become again -- an example, a model, and an inspiration? And how can Muslims move from formalism -- a fixation on ritual -- toward a committed spiritual and social presence? In this thoughtful and engaging biography, Ramadan offers Muslims a new understanding of Muhammad's life and he introduces non-Muslims not just to the story of the Prophet, but to the spiritual and ethical riches of Islam.

**Muhammad** Karen Armstrong, 2023-06-15 A life of the prophet Muhammad by bestselling author Karen Armstrong. 'Armstrong has a dazzling ability: she can take a long and complex subject and reduce it to its fundamentals, without oversimplifying' SUNDAY TIMES 'One of our best living writers on religion' FINANCIAL TIMES 'Not just a sympathetic book that would dispel the misconceptions and misgivings of its western readers, but also a book that is of considerable importance to Muslims' MUSLIM NEWS Most people in the West know very little about the prophet Muhammad. The acclaimed religious writer Karen Armstrong has written a biography which will give us a more accurate and profound understanding of Islam and the people who adhere to it so strongly. Muhammad also offers challenging comparisons with the two religions most closely related to it - Judaism and Christianity.

*Should a Muslim Follow a Particular Madhhab?* Muḥammad Sulṭān Ma'sūmī, 1998

**Religion and State in Syria** Thomas Pierret, 2013-03-25 While Syria has been dominated since the 1960s by a determinedly secular regime, the 2011 uprising has raised many questions about the role of Islam in the country's politics. This book demonstrates that with the eradication of the Muslim Brothers after the failed insurrection of 1982, Sunni men of religion became the only voice of the Islamic trend in the country. Through educational programs, charitable foundations and their deft handling of tribal and merchant networks, they took advantage of popular disaffection with secular ideologies to increase their influence over society. In recent years, with the Islamic resurgence, the Alawi-dominated Ba'thist regime was compelled to bring the clergy into the political fold. This relationship was exposed in 2011 by the division of the Sunni clergy between regime supporters, bystanders and opponents. This book affords a new perspective on Syrian society as it stands at the crossroads of political and social fragmentation.

*Wahhabi Islam* Natana J. Delong-Bas, 2008-08-22 Before 9/11, few Westerners had heard of Wahhabism. Today, it is a household word. Frequently mentioned in association with Osama bin Laden, Wahhabism is portrayed by the media and public officials as an intolerant, puritanical, militant interpretation of Islam that calls for the wholesale destruction of the West in a jihad of global proportions. In the first study ever undertaken of the writings of Wahhabism's founder, Muhammad

Ibn Abd al-Wahhab (1702-1791), Natana DeLong-Bas shatters these stereotypes and misconceptions. Her reading of Ibn Abd al-Wahhab's works produces a revisionist thesis: Ibn Abd al-Wahhab was not the godfather of contemporary terrorist movements. Rather, he was a voice of reform, reflecting mainstream 18th-century Islamic thought. His vision of Islamic society was based upon a monotheism in which Muslims, Christians and Jews were to enjoy peaceful co-existence and cooperative commercial and treaty relations. Eschewing medieval interpretations of the Quran and hadith (sayings and deeds of the prophet Muhammad), Ibn Abd al-Wahhab called for direct, historically contextualized interpretation of scripture by both women and men. His understanding of theology and Islamic law was rooted in Quranic values, rather than literal interpretations. A strong proponent of women's rights, he called for a balance of rights between women and men both within marriage and in access to education and public space. In the most comprehensive study of Ibn Abd al-Wahhab's interpretation of jihad ever written, DeLong-Bas details a vision in which jihad is strictly limited to the self-defense of the Muslim community against military aggression. Contemporary extremists like Osama bin Laden do not have their origins in Wahhabism, she shows. The hallmark jihadi focus on a cult of martyrdom, the strict division of the world into two necessarily opposing spheres, the wholesale destruction of both civilian life and property, and the call for global jihad are entirely absent from Ibn Abd al-Wahhab's writings. Instead, the militant stance of contemporary jihadism lies in adherence to the writings of the medieval scholar, Ibn Taymiyya, and the 20th century Egyptian radical, Sayyid Qutb. This pathbreaking book fills an enormous gap in the literature about Wahhabism by returning to the original writings of its founder. Bound to be controversial, it will be impossible to ignore.

**Pain and Passing** Joel Hayward, 2017 Written with rawness, honesty and pathos, these poems embrace the pain and heartbreak of loss and mourning and reveal the acute spiritual questioning that even devout believers inevitably experience. Written each day as the outpouring of a heart torn open by painful loss, this collection unfolds in a sequence that coincides with the stages of grief and healing. With deep spiritual insights, Hayward's beautiful poems shine a light on something often hidden away within Islamic discourse; the pain of loss and the wounded soul's pleas to God for explanation, restoration and solace.

*Fiqh Us Seerah* Muhammad Al Ghazali, 2022-12-30 Many books have been written about the life of the Prophet Muhammad (SAW), However, In writing this book, the author (Sheikh Muhammad al-Ghazali) had a specific objective. He used the life of the Prophet (SAW) to go into depths that many historians had only touched upon from the various aspects of his (saw) life. This book goes into detail and provides reasons and explanations for whatever took place. It is a blend of modern analysis and ancient detail. Its objective is to nurture faith, purify characters and fan the struggle to embrace the truth and be faithful to it. Indeed, the life of the Prophet (SAW) has been documented as a message for practical implementation, not intellectual entertainment'. You may think that you have studied the life of Muhammad by following his

history from birth to death but this is a grave mistake. You will never really understand the Seerah unless you study the noble Qur'an and the purified Sunnah. The amount that you derive from these will tell the strength of your connection with the prophet of Islam, sallallahu `alaihi wa sallam' Drawing upon his profound classical Islamic learning and an extensive knowledge of modern science, Sheikh al-Ghazali has broken new ground in the study of Seerah, bringing to bear a fresh but wholly authentic approach. This is a work which all serious students should have, to complement the Seerah of the Prophet Muhammad (SAW)

Our Master Muhammad Imam 'Abdallah Sirajuddin al-Husayni,2010-10

**Introduction to Islamic Creed** Imam al-Bajuri al-Azhari,2017 As a response to a request, Imam al-Bajuri, in this short treatise outlines, the core beliefs of the traditional, orthodox Sunni doctrine ('Aqida) that every Muslim should be aware of. Designed to be studied preferably with a teacher or read on one's own, this text will equip the student with sufficient knowledge of the bare essentials of his religion to be able to distinguish truth from falsehood, orthodox from unorthodox, Ahl al-Sunna wa al- Jama'a from others.

أحكام الفقه الشافعي لأحمد ابن لؤلؤ ابن الناقيب،Noah Ha Mim Keller,1997 This is a classic manual of fiqh rulings based on Shafii School of jurisprudence and includes original Arabic texts and translations from classic works of prominent Muslim scholars such as al Ghazali, al Nawawi, al Qurtubi, al Dhahabi and others. It is an indispensable reference for every Muslim or student of Islam who needs to research on Islamic rulings on daily Muslim life.

*Islamic Jurisprudence According to the Four Sunni Schools* 'Abd al-Raḥmān Jazīrī,2009 A translation of the first of four volumes, this detailed reference provides the four legal views of Islamic acts of worship according to the interpretations of more recent traditionalists rather than from a medieval perspective. Dealing with the forms of worship, the volume elucidates the laws concerning ritual purity, ritual prayers, fasting, spiritual retreats, and the pilgrimage to Mecca which are discussed in-depth. A comprehensive glossary of Islamic terminology is also included, making this foundational text an ideal selection for academic libraries or individuals interested in an essential manual for the performance of religious duties of Islam.

**The Work of Day and Night** Suyūṭī,2016 Imam Jalal al-Din Suyuti (d. 911/1505) was one of the most prolific writers produced by the Islamic world. He is the author of over 700 works in virtually every field known to Islamic science, including the famous Jalalayn commentary of the Qur'an (of which he was co-author). His works are still widely used, and his name is a by-word for breadth of learning, voluminous output and a saintly life. The Work of Day and Night is Imam Suyuti's collection of the daily and nightly practices of the Prophet of Islam and includes instructions on how to follow the Prophet in everyday actions and supplications. In it the reader will find: the prayers said upon awakening, before eating and when dressing; the acts carried out at various times of the day, and between prayers; the supplications recited in times of distress as well as of intimacy with God; and much else. This book is invaluable for learning the practices of the Prophet and integrating it into

one's life.

**Bid'ah According to the Four Madhhabs** Sadi Kose,2017-04-28 About The Booklet: The concept of bid'ah has become a means by which the Muslim nation has become divided. There are some who call anything, which did not exist during the time of the Prophet (pbuh), bid'ah and label those who adopt some of those practices as people of innovation (bid'ah) or misguidance (dalaalah). The question that must be asked is: How have the Muslims been dealing with newly introduced matters starting from the time of the Companions until recent times? In order to provide an encompassing answer to this question, I gathered the views of the four schools of thought in this booklet (Hanbali, Shafii, Maliki and Hanafi madhhabs). From each Madhab, I include statements of some of the famous scholars regarding the meaning and classification of bid'ah (innovation). Henceforth, I include the magnificent research concerning bid'ah of one of the greatest scholars of 19th century: Al-Imaam Abu Al-Hasaanat Muhammed Abdulhayy Al-Laknawi Al-Hindi. In his research he demonstrated how the first three blessed generations responded to the newly innovated matters which cropped up during their time. He concludes his research by providing advice on how we should deal with bid'ah in our own time. I believe his advice contains therein a cure for the disease of corrupting the term bid'ah, perhaps inadvertently, to divide the Muslim community.

*Kitab Al-I'tisam* - كتاب التيسام Ibrahim Ibn Musa Abu Ishaq Al Shatibi,2020-10-03 *Kitab Al I'tisam* seems to have been written by Al Shatibi May Allah (swt) have mercy on him for his disciples and the scholars and students of knowledge, rather than for the laymen and commoners among the people. He underwent great difficulties to achieve this glorious task. The book is indeed a scientific encyclopedia, which includes a lot of benefits and unique issues, which make its holder and carrier dispense with anything else, in residence as well as on journey. He prefaced the book with a wonderful and concentrated introduction, in which he talked about the alienation of Islam, and the emergence and spread of the religious innovations, which motivated him to write his book, in the hope it would benefit the Muslims in the world and the hereafter. He divided the book into ten section, each including many chapters as required by content and in-depth explanation of the issues: 1. Definition and meaning of religious innovation 2. Condemnation of religious innovation, and the evil consequences of its men; 3. Condemnation of religious innovations in general, and all changes made in the religion, in which he discussed the malicious allegations of the religious innovators and those of scholars who regard good or bad the religious innovations. 4. The approaches of religious innovators in attestation; 5. The real and additional religious innovations, and the difference between them; 6. The rulings of the religious innovations, which are not of the same rank; 7. The innovation, whether it pertains to the acts of worship in particular, or includes also the normal habits; 8. The difference between the benefits which were not specifically addressed with Islamic text, and the appreciation; 9. The reason for which the sects of religious innovators broke away from the established community of the Muslims; 10. The straight path from which the religious innovators deviated
