Not even the dodgy trailer park he lives in can scare him. Fighting is his release and sex, drugs, and his guitar bring him peace, but deep down Zeke isn't quite as hard as he makes himself out to be. When he meets Patience,

she finds all his broken pieces and puts him back together, but she's a ray of light in his shadowed life and the last thing he wants to do is bring her into his dark world. She wants nothing more than to let go and ride the wild side with him, but some wounds never heal and the broken pieces of Patience aren't so easy to find.

Seventh Grave and No Body Darynda Jones,2014-10-21 The New York Times bestseller from Darynda Jones, *Seventh Grave and No Body*, puts Charley Davidson in the line of more fires than she may be able to handle... Twelve. Twelve of the deadliest beasts ever forged in the fires of hell have escaped onto our plane, and they want nothing more than to rip out the jugular of Charley Davidson and serve her lifeless, mangled body to Satan for dinner. So there's that. But Charley has more on her plate than a mob of testy hellhounds. For one thing, her father has disappeared, and the more she retraces his last steps, the more she learns he was conducting an investigation of his own, one that has Charley questioning everything she's ever known about him. Add to that an ex-BFF who is haunting her night and day, a rash of suicides that has authorities baffled, and a drop-dead sexy fiancé who has attracted the attentions of a local celebrity, and Charley is not having the best week of her life. But all of that combined barely scratches the surface of her problems. Recent developments—and a few distressing prophesies—have forced her to become a responsible adult. Exactly the kind of adult she's never aspired to be. To conquer such a monumental task, she's decided to start small. Really small. She gets a pet. But how can she save the world against the forces of evil when she can't even keep a goldfish alive? A tad north of hell, a hop, skip, and a jump past the realm of eternity, is a little place called Earth, and Charley Davidson, grim reaper extraordinaire, is determined to do everything in her power to protect it. We're doomed.

Halo: Divine Wind Troy Denning,2021-10-19 An original novel set in the Halo universe—based on the New York Times bestselling video game series! October 2559. With the galaxy in the suffocating grip of a renegade artificial intelligence, another perilous threat has quietly emerged in the shadows: the Keepers of the One Freedom, a fanatical and merciless Covenant splinter group, has made its way beyond the borders of the galaxy to an ancient Forerunner installation known as the Ark. Led by an infamous Brute named Castor, the Keepers intend to achieve what the Covenant, in all its might, failed to: activate Halo and take the last steps on the path of the Great Journey into transcendence. But unknown to Castor and his new, unexpected ally on the Ark, there are traitors to the cause in their midst—namely the Ferrets, composed of Office of Naval Intelligence operative Veta Lopis and her young team of Spartan-IIIs, who have been infiltrating the Keepers to lay the groundwork for Castor's assassination. But with ONI's field operations now splintered and cut off by the Guardian threat, Veta's original mission has suddenly and dramatically escalated in scope. There's simply no choice or fallback plan—either the Ferrets somehow stop the Keepers or the galaxy faces an extinction-level event....

Eighth Grave After Dark Darynda Jones,2015-05-19 There's holy hell to pay for Charley Davidson in *Eighth Grave After Dark*, the New York Times bestseller from Darynda Jones. With twelve hellhounds after her, pregnant Charley Davidson takes refuge at the only place she thinks they can't get to her: the grounds of an abandoned convent. But after months of being cooped up there, Charley is ready to pop. Both metaphorically and literally since she is now roughly the size of a beached whale. Fortunately, a new case has captured her attention, one that involves a murder on the very grounds the team has taken shelter upon. A decades-old murder of the newly-vowed nun she keeps seeing in the shadows is almost enough to pull her out of her doldrums. Charley's been forbidden to step foot off the sacred grounds. While the angry hellhounds can't traverse the consecrated soil, they can lurk just beyond its borders. They have the entire team on edge, especially Reyes. And if Charley didn't know better, she would swear Reyes is getting sick. He grows hotter with every moment that passes, his heat scorching across her skin every time he's near, but naturally he swears he's fine. While the team searches for clues on the Twelve, Charley just wants answers and is powerless to get them. But the mass of friends they've accrued helps. They convince her even more that everyone in her recent life has somehow been drawn to her, as though they were a part of a bigger picture all along. But the good feelings don't last for long because Charley is about to get the surprise of her crazy, mixed-up, supernatural life....

Sixth Grave on the Edge Darynda Jones,2014-05-20 Most girls might think twice before getting engaged to someone like Reyes Farrow---but Charley Davidson is not most girls. She's a paranormal private eye and grim reaper-in-training who's known to be a bit of a hell-raiser, especially after a few shots of caffeine. Her beloved Reyes may be the only begotten son of evil, but he's dark and sultry and deeply sexy and everything Charley could hope for. Really. But when the FBI file on Reyes's childhood happens to land in her lap, she can't help herself: She opens it . . . and then the real fun begins. First, Charley finds a naked corpse riding shotgun in her car. Then, a man loses his soul in a card game. Throw in a Deaf boy who sees dead people, a woman running from mobsters, and a very suspicious Reyes, and things can't get any worse for Charley. Unless, of course, the Twelve Beasts of Hell are unleashed. . . . 'Ubertalented Jones keeps stirring the plot and throwing in crazy new developments, guaranteed to keep her characters and readers off balance' RT Book Reviews
