Princeless: Raven: The Pirate Princess Action Lab Entertainment Incorporated

The hunt is on! Lobo left a trail of destruction across the galaxy that's...honestly pretty easy to follow. But even though Crush thinks she's seen it all (Murder! Mayhem! Intergalactic highway robbery!), nothing can prepare her for what she finds when her father's trail goes cold... As Captain Marvel, Carol Danvers has spent months in space protecting Earth from alien threats big and small, but now it's time for Earth's mightiest hero to come home. New York City has never looked so good. But every re-entry comes with the unexpected, and Carol is about to hit a whole lot of unexpected. It's a fresh start and a star-studded welcome home for a hero who's been punching the glass ceiling since the 1970s and just in time for the first female-led film from Marvel Studios! The next 50 years of Captain Marvel starts here!

Unfortunately, between Raven and Magpie is every sword swinging, tough as nails pirate that sails under Magpie's flag and Raven has a crew of about a dozen. The only way to get in the same room and face her brother is in disguise. Now, if things go south, there's an army between Raven's crew and their boat. And in plans like this, things always go south eventually.

Tom and a small group of his classmates are fortunate to be alive, but their luck quickly runs out when some of them fall prey to the unfamiliar threats of the jungle: animals, reptiles, insects, and even the unforgiving heat. Every decision they make could mean life or death. As the days go by and the survivors' desperation grows, things get even more perilous. Not everyone can cope with the trauma of seeing their friends die, and a struggle for leadership soon pits them against each other. And when they come across

evidence of other people in the middle of the rainforest, does that mean they're safe—or has their survival come to an even more vicious end?

The fae abandoned this world to us. And the ones with power rule. Gold. Gold floors, gold walls, gold furniture, gold clothes. In Highbell, in the castle built into the frozen mountains, everything is made of gold. Even me. King Midas rescued me. Dug me out of the slums and placed me on a pedestal. I'm called his precious. His favored. I'm the woman he Gold-Touched to show everyone that I belong to him. To show how powerful he is. He gave me protection, and I gave him my heart. And even though I don't leave the confines of the palace, I'm safe. Until war comes to the kingdom and a deal is struck. Suddenly, my trust is broken. My love is challenged. And I realize that everything I thought I knew about Midas might be wrong. Because these bars I'm kept in, no matter how gilded, are still just a cage. But the monsters on the other side might make me wish I'd never left. Author's Note: This is a fantasy romance m/f story. There will be monarchs and magic and fae and steam and violence and all the feels. This book contains explicit content and mature language not intended for anyone under 18 years of age.
