Local Literacies is a unique study of everyday reading and writing. By concentrating on a selection of people in a particular community in Britain, the authors analyze how they use literacy in their day to day lives.

Dana soon learns that receiving a big white elephant for her birthday is not as wonderful as she thought it would be.

A collection of true stories about cats includes information on the history, behavior, and usefulness of the animal.

Winner of the 2003 Pulitzer Prize for Drama, this lush romantic drama depicts a family of cigar makers whose loves and lives are played out against the backdrop of America in the midst of the Depression. Set in Ybor City (Tampa) in 1930, Cruz imagines the catalytic effect the arrival of a new lector (who reads Tolstoy's Anna Karenina to the workers as they toil in the cigar factory) has on a Cuban-American family. Cruz celebrates the search for identity in a new land.

The Strand's 42nd issue features short stories by Joseph Finder, Tennessee Williams, Michael Stanley and an interview with Lisa Unger. The Strand also has the latest book reviews of the latest mystery novels and audiobooks.

"A comical takeoff on the familiar Little Red Hen story, this upbeat read-along is brought vividly to life through Brian and Rosi Amador's tandem narration. ...Soft Latin background music is a lilting accompaniment." -Booklist

"Brian and Rosi Amador perform the story with energy and a smile, giving distinct voices to each character and presenting the Spanish-language words (nicely defined in the text and in an accompanying glossary) with brío. Light original music with a Mexican flavor dances in the background. A delightful production." -School Library Journal

This book provides an introduction to the aims, theories and practices of critical discourse analysis (CDA). It is mainly concerned with the linguistic aspects of CDA. It provides an introduction to the different types of language analysis that are employed in CDA (frequency analysis, conversation, transitivity and reference, and figurative language, for example) and seeks to provide readers with the skills to apply them in different contexts to various types of texts: political speeches, marketing pieces, literary works, advertising, multimedia persuasive texts, discourses on race, gender, and politics.

Winner of the 2015 National Book Critics Circle John Leonard Prize "[A] sparkling debut collection... features dreamers and schemers whose lives pulsate with wild hopes, hard luck, stunning secrets, and saving grace." —Elle With intensity and emotional precision, Kirstin Valdez Quade's unforgettable stories plunge us into the fierce, troubled hearts of characters defined by the desire to escape the past or else to plumb its depths. The deadbeat father of a pregnant teenager tries to transform his life by playing the role of Jesus in a bloody penitential Passion. A young man discovers that his estranged father and a boa constrictor have been squatting in his grandmother's empty house. A lonely retiree new to Santa Fe becomes obsessed with her housekeeper. One girl attempts to uncover the mystery of her cousin's violent past, while another young woman finds herself at an impasse when she is asked to hear her priest's confession. Always hopeful, these stories chart the passions and obligations of family life, exploring themes of race, class, and coming-of-age, as Quade's characters protect, betray, wound, undermine, bolster, define, and, ultimately, save each other.

This multicultural children's book is full of Filipino holidays, culture, language and stories! In the Philippines, people love to celebrate—holidays are filled with music and dancing, sometimes with colorful costumes, and always with great food! Rich with detailed watercolors and cultural flavor, Filipino Celebrations: A Treasury of Feasts and Festivals makes major holidays (like Christmas) and family gatherings (like weddings and birthdays) come alive. From these pages, children will learn the history of each holiday, its cultural influences, the varied ways in which people celebrate in different regions of the Philippines, special customs and food, key words and phrases (in English and Tagalog), and more. Games, songs, and other activities invite young readers to join in the fun. New and familiar holidays take on a special flavor as children learn about the diverse cultures that make up this wonderful island nation. Perfect for Filipino-American families looking to share the unique culture of the Philippines, educators interested in promoting multiculturalism in the classroom, or anyone interested in the country, Filipino Celebrations will encourage children ages five to ten to participate and learn while having fun.

Anyone who examines the history of Western art must be struck by the prevalence of images of the female body. More than any other subject, the female nude connotes 'art'. The framed image of a female body, hung on the walls of an art gallery, is an icon of Western culture, a symbol of civilization and accomplishment. But how and why did the female nude acquire this status? The Female Nude brings together, in an entirely new way, analysis of the historical tradition of the female nude and discussion of recent feminist art, and by exploring the ways in which acceptable and unacceptable images of the female body are produced and maintained, renews recent debates on high culture and pornography. The Female Nude represents the first feminist survey of the most significant subject in Western art. It reveals how the female nude is now both at the centre and at the margins of high culture. At the centre, and within art historical discourse, the female nude is seen as the visual culmination of enlightenment aesthetics; at the edge, it risks losing its respectability and spilling over into the obscene.

Award-winning Mexican author Juan Pablo Villalobos explores illegal immigration with this emotionally raw and timely nonfiction book about ten Central American teens and their journeys to the United States. You can't really tell what time it is when you're in the freezer. Every year, thousands of migrant children and teens cross the U.S.-Mexico border. The journey is treacherous and sometimes deadly, but worth the risk for migrants who are escaping gang violence and poverty in their home countries. And for those refugees who do succeed? They face an immigration process that is as winding and multi-tiered as the journey that brought them here. In this book, award-winning Mexican author Juan Pablo Villalobos strings together the diverse experiences of eleven real migrant teenagers, offering readers a beginning road map to issues facing the region. These timely accounts of courage, sacrifice, and survival—including two fourteen-year-old girls forming a tenuous friendship as they wait in a frigid holding cell, a boy in Chicago beginning to craft his future while piecing together his past in El Salvador, and cousins learning to lift each other up through angry waters—offer a rare and invaluable window into the U.S.–Central American refugee crisis. In turns optimistic and heartbreaking, *The Other Side* balances the boundless hope at the center of immigration with the weight of its risks and repercussions. Here is a necessary read for young people on both sides of the issue.

At Penelope Pig's sleepover party, six pigs in pj's eat pizza and pasta, pound a pinata, pin the tail on the pony, prance to piano, and then form a precarious pyramid--collapsing, of course, into a squealing pig pile! Maggie Smith combines rollicking rhymes and infectious alliterations to make a perfectly pleasing book filled with fun and the letter P. And while there are scads of P words in the text, the art has even more--the pictures are filled with more than 75 objects beginning with the letter P for young readers to find. The playful pictures also introduce other preschool concepts, such as colors, shapes, patterns, and counting. *Pigs in Pajamas* offers a fun way to get preschoolers thinking about language and building their vocabularies. Party on, Penelope Pig!

SUMMARY: Includes stories, poems, reviews, and drawings for and by children.
