Read Write Inc. Fresh Start is a specially adapted literacy programme for all students in grade 4 and above who are working below National Curriculum Level 3. Like Read Write Inc. Phonics for pupils in the early years, the scheme starts with phonics lessons which introduce students to all the letter sounds through use of the Speed Sounds Cards and the Green and Red Word Cards. The Modules are specially written to help students to catch up on and develop their reading and writing skills. Each Module provides practice of the graphemes and sounds that have been taught in phonics lessons. There is a fiction or non-fiction text and a variety of comprehension and writing activities. The Modules should be completed sequentially, with the Introductory Module first, followed by the other 33 Modules.

Read Write Inc. Fresh Start Anthologies are motivating, full colour, magazine style texts to provide further practice of the sounds and graphemes taught in the Fresh Start Modules. They contain a variety of lively non-fiction, poetry and fiction texts, including quizzes, playscripts, and comic strips to motivate the students to read for pleasure. The Anthology texts should be read in order after each Module is completed, to ensure students are reading within their phonic knowledge and so experience success in reading. The subjects of the Anthology texts are linked to the Module texts so that some of the vocabulary students meet will be familiar and so support independent reading.

If she can solve the mystery of an ancient amulet, winning the mascot contest and acing her reporter assignments should be easy...right? Black Hat Bob is a friendly pirate, but his enemy, Red Hat Rob, wants to steal Bob's money that he keeps in a cash box. Will he succeed? Every rhyming story uses artwork by Tim Archbold, who uses a style that has been likened to Quentin Blake's, which children love. It is recommended that parents use the RWI Phonics Speed Sound Flashcards Set 1 and Sets 2 and 3 to practise before and alongside children reading any of the RWI storybooks. RWI Level in Schools: Although these books have been created for the home market, they have been written to Green Level of the RWI school books. The creator of Read Write Inc., Ruth Miskin, is currently involved in a series of nationwide training programmes for primary schools, commissioned by the UK government's Department for Education and Skills.

Ten new Ditty books, with engaging colour illustrations by Tim Archbold. These books offer early practice in reading short decodable passages that form an important bridge between reading single words and whole sentences. They reinforce the Read Write Inc. Phonics Speed Sounds Set 1.

The Get Writing! Books contain a wide range of writing activities which are closely linked to the Storybooks and selected Non-fiction books. Children's writing is supported at every step from writing simple sentences to extended texts, including invitations, letters, descriptive texts and non-fiction texts. Longer composition activities are based on a new six-step process with lots of oral rehearsal and role play so children are full of ideas before they write. Check boxes throughout the books prompt children to proofread and review their writing, helping them to make sustained progress. The books are part of the Read Write Inc. Phonics programme, developed by Ruth Miskin. The programme is designed to create fluent readers, confident speakers and willing writers. It includes Handbooks, Sounds Cards, Word Cards, Storybooks, Non-fiction, Writing books and an Online resource. ReadWrite Inc. is fully supported by comprehensive professional development from Ruth Miskin Training to ensure its easy implementation.
